The International Brotherhood of Electrical Workers Local 596 in Clarksburg, WV is accepting applications for its Apprenticeship Program. Enclosed is a paper detailing the application process. Applications are accepted on the 1<sup>st</sup> Tuesday of each month. This program is open to anyone who is seriously interested in a career in electrical construction. No prior electrical training is required to apply.

The cutoff for applying for the 2019 class will be May 7<sup>th</sup>. If you have students who are interested in applying, but will not receive their diploma or completion certificate before this date, we will accept a letter from the school stating that they are on-track to graduate and the date they expect to do so. They can provide their actual diploma or completion certificate when it becomes available.

I would appreciate if you would share this information with your students. If you have any questions, please let me know. Thank you for your help.

Sincerely,

Bryce Reynolds
