BROOKLINE HIGH SCHOOL

Office of the Headmaster

August 15, 2013

Dear BHS Families:

Welcome to the 2013 – 2014 school year. I hope that you have had a restful and fun summer and that your students are looking forward to the new school year. Faculty and staff have been preparing over the summer to welcome students back to this great high school. Teachers and counselors have taken summer courses in their disciplines, attended workshops to sharpen their skills, and some taught courses in summer school or to fellow colleagues around the Boston area. Some staff traveled to China, Japan, Thailand, Canada, and France, and others have done triathlons and even peddled in the Pan-Mass Challenge across this state. We are looking forward to hearing our students' summer stories of work, travel, courses, camp, and hanging out in Brookline and Boston.

We also anticipate implementing the new and improved BHS electronics policy that student and faculty legislature passed last year. We now have norms for cellphone and headphone use, and one of my goals this year is to explore more actively with students and faculty ways we can enhance our learning when we BYOT (bring your own technology). Brookline High will also begin our new attendance policy and track its implementation. Both policies are included in this booklet. Also, please remember that we no longer mail home report cards and interim progress reports (IPRs). We use an on-line program, the Aspen "parent portal." The log-in instructions and other valuable information about this tool are included in here as well.

We are very pleased to launch two new family resources: this booklet and our renovated website. Our new summer "Information Booklet 2013-2014" is our attempt to synthesize many of the materials necessary to help organize your life here at Brookline High. We hope that the online format is helpful, as we continue our efforts to go green and provide a resource that is easily accessed. Please take a moment to look at all the different parts of this booklet. Our much improved website was created in a joint effort by parents and faculty on School Council and our IT staff. Particular thanks go to Lisa Francescon and Scott Moore for their design work. We think the site better represents the excellence of Brookline High, and we hope that parents/guardians find it a useful resource. Please send us any suggestions to make these even better.

Finally, mark your calendars now for Back-to-School Night on October 17th and check out the Brookline High calendar for our grade-level nights. I am excited to welcome everyone back on September 9th and 10th. As always, we appreciate your continued support as BHS continues to grow, thrive, innovate, and find new ways to serve well all of our students.

Best,

Deborah Holman
Headmaster

BROOKLINE HIGH SCHOOL

ATTENDANCE PROCEDURES

Excellent student attendance promotes learning for all students in all classrooms. When a student is in school, he or she must attend all of his/her scheduled school classes and programs. The BHS attendance policy is designed to improve student learning and enhance the learning environment in all classrooms. BHS expects parents/guardians and students to discuss the importance of good attendance and to carefully consider the need for any school absences. It is also designed to communicate clear procedures for absences due to illness or other events. Students are responsible for work missed during absences. Teachers will support students during unexpected absences (i.e. due to illness), but are not required to provide work in advance, reteach the material, or provide make-up sessions to students who have planned absences.

1. Total Absence Cap (Excused and/or Unexcused)

Brookline High School expects students to be in school on a regular basis. Earning credit for high school coursework involves graded work as well as participation and involvement in the community of learners. **Students are limited to a total of 21 absences** (15% of the 140+ days a class meets) for year-long courses, 11 total absences for semester-long, or 5 for two-day/week semester courses. Any absences over this cap result in no credit for the course. Failure to meet this attendance standard will be indicated on the transcript with the final grade of "N."

- a. All absences, whether excused or unexcused, count toward the cap except absences that are the result of religious holidays, MCAS, A.P. exams, special education testing and meetings, China Exchange, or suspensions.
- b. Students with extended health emergencies/hospitalizations may consult with the dean who may seek headmaster consideration to excuse the absences from the total absence cap.

2. Excusing Absences

- a. **Parents/guardians must contact the Dean's Secretary prior to 10:00 a.m on the day of the absence** in order to insure accurate record-keeping and efficient make-up arrangements from classroom teachers. A message may be left at any time in each dean/program coordinator's office to facilitate absence reports. After 10:00 a.m. the absence is recorded as unexcused.
 - Parents/guardians who miss the 10:00 a.m. deadline on the day of the absence, may clear the unexcused absence up to 3 days later through a note, e-mail, or phone message.
 - After three school days, an absence will not be excused.
- b. **Parents may not excuse a child for a single class if the child remains in the school building.** Partial-day absences out of the building (late arrival, early dismissal, mid-day absence) will be excused only if the absence is called in or a note is submitted to the Dean's Secretary. Such absences must be excused before the end of the day of the absence.
- c. If a student receives an unexcused absence in error, the student should work immediately with the teacher to correct the error.

3. Tardiness

If a student arrives 20 minutes or more after the class begins, the student will be marked tardy/absent for that class. Students are expected to remain in the classroom in order to benefit from the instruction and to be eligible to make up missed work. Teachers may arrange make-up time with the student to change the record from Tardy/absent to tardy/present. Tardy/absences count toward total absent limit.

4. **Unexcused Absences (AWOLs)**

Brookline High School expects students to attend all classes. Listed below are the consequences for unexcused absences for year-long courses; a proportional number of unexcused absences for semester-long or partial credit courses will apply.

- a. 1st and subsequent AWOLs: Teacher addresses student who will receive no more than half credit for work due the day of an unexcused absence, including tests and quizzes.
- b. 1st-5th AWOL: Communication home, progressive discipline applied by teacher and dean.
- c. 6th AWOL: Grade of "N" for the course. Teacher consulted. Attendance improvement plan created, and if student meets requirements of attendance improvement plan, administrator may support student's appeal to the headmaster to remove the "N" at the end of the course. No AWOLs will be cleared during the course of an attendance improvement plan (except those received in error).
- d. 10th AWOL: Final grade of "N" for the course. No possibility of appeal.
- e. For semester courses the final grade of "N" for the course comes after the 3rd AWOL, subject to an attendance improvement plan and appeal. After the 5th AWOL there is no possibility of appeal.

5. **Notification**

- a. The school will send an automated phone message to parents to inform them of their student's unexcused absence the day it occurs. This phone call is a courtesy and will not be used as the basis for counting absences.
- b. Parents may always view all attendance data in the X2 Parent Portal.
- c. "Q" is a warning given on the report card that alerts students and parents of a problem with attendance.
 - **Quarter: 6 or more total absences or 2 AWOLs** per class per quarter result in a report card grade of "Q/(grade)."
 - **Year: 12 total absences or 4 AWOLs** per class during the year results in a grade of "Q" that will appear on a quarter report card.
 - Students who receive a "Q" for any quarter will meet with their dean/program coordinator in order to discuss strategies and supports which can help the student improve his/her attendance. The parent will be informed of the outcome of this meeting.

6. **Transcript**

Only an "N" will appear on a student's official transcript. A quarter "Q" is a warning and will only appear on report cards.

7. **Make-Up**

Students who earn an "N" in a class may, in some cases, make up classes in Summer School provided the student has not been absent for more than 35 times (25% of the classes, proportional for partial credit courses) in the course. Absences in excess of 25% make a student ineligible to take a course for "make-up" credit in summer school. Students in this case would have to take classes for original credit in summer school or would have to take the course again the following year. (Note that there is no "Original Credit" English class offered in BHS Summer School.)

8. **Appeals**

If a student fulfills his/her attendance improvement plan, the student may request that a dean seek headmaster consideration to remove the "N." Other appeals granted by the headmaster will be extremely rare and for extraordinary circumstances.

BHS ATTENDANCE PROCEDURE FAQ

Why new attendance procedures?

Faculty and advisors have been working for many years to create attendance procedures more in line with our academic values and our mission. In the broadest philosophical sense the new procedures assert one of our central beliefs: a fundamental part of a Brookline High School education is being present with peers and teachers. Previous practices allowed students many more absences than were necessary or advisable, and as a result, these practices allowed some students to compromise their own learning. The new procedures set reasonable absence limits (with built-in warnings) in order to preserve the coherence and integrity of a student's education. Translated into numbers, the new procedures state that a student must be in class at least 85% of the time.

How will I know when my child is absent from a class?

As before when the student is absent without having previously been excused from class the teacher will mark the student absent thereby triggering a phone call from the school notifying the parent of the AWOL. The same information is also available in the parent portal. In the portal you can also control how you would like to be notified when an absence is reported by a classroom teacher.

What do I do if I can't access the Parent Portal to view my child's attendance?

Parent portal access and connectivity issues should be addressed via e-mail: bhsinfo@Brookline.k12.ma.us

What is a Q/grade?

Q is the signifier grade we are using as a warning that a student is nearing the danger zone for number of absences in that course.

Will there still be contracts to make up time?

We will no longer be writing attendance contracts. Students and parents work with the student's administrator once reaching the warning level grade of "Q" in order to take action that will prevent loss of credit in the class.

Can absences and tardies impact a student's grade?

Teachers establish their own grading criteria in classes and publish these criteria in their course expectations in September. Excessive unexcused absences or tardies may negatively impact a grade.

What is the meaning of an N on a transcript?

The grade of N signifies that no credit is given because of excessive absence from class.

How is an N calculated in the GPA?

N and Q grades are not calculated in GPA.

How much does a tardy/absent count toward the total absent limit?

Students who are more than 20 minutes late for class are counted as having missed that class for the day just as any other absence would be counted.

Can a parent excuse a single absence in the middle of the school day?

If a student needs to be excused for a mid-day absence for a doctor's appointment, etc., that will continue to be allowed. However, excusing a student who remains in the building is no longer permitted.

Whom do I call if my child is having health problems that might result in frequent absences?

Please discuss this matter with your child's administrator and/or guidance counselor.

What do I have to do to appeal an N Grade?

Such a process would begin with the student's administrator. Appeals will be rare and only granted in extraordinary circumstances.

If a student is unexcused absent, can they still make up that day's work?

The determination is made by the classroom teacher.

Does this mean that there is no making up Health and Fitness classes missed?

Yes. The attendance procedure applies to all classes/subjects at Brookline High School.

Why do field trips count?

Field trips are a vital part of the educational experience of being a student at Brookline High School. This past year we visited the Freedom Trail, France, Mexico, the Medical Area, and dozens more. All of these are important parts of the educational experience. However, the philosophy behind the new attendance procedures is that the paramount educational activity is the experience students get in a classroom with their peers and teachers. So we expect students to begin to become aware of how many specific individual classes they are missing in a given year. For example, a student who gets the flu, has a death in the family, gets sick a few times, and is nearing 15 absences in his or her science class should think twice about going on a field trip. It is the student's choice. However some students, some of the time, may decide that they can't afford to miss another science class, math class, English class, cooking class, etc. because they have missed too many over the course of the year. Remember Brookline High School is about freedom and responsibility, and student choice. The school is not saying that you can't go on field trips -- the school is trying to set up a system where students take the responsibility for understanding that first comes class and then come other extensions of class such as field trips.

BROOKLINE HIGH SCHOOL

DEBORAH HOLMAN, HEADMASTER
HAL MASON, ASSISTANT HEADMASTER

OFFICE OF THE ASSISTANT HEADMASTER

Welcome to the Family Portal
<https://sis.brookline.k12.ma.us/x2sis>

What is The Family Portal?

The Family Portal is part of a secure, web-based school information management system (SIMS) called X2 Aspen. The system manages all facets of student data – including attendance, schedules, and grades. The Public Schools of Brookline have been using the X2 Aspen system since 2008 as our student information system. We are now implementing the Family Portal so parents, teachers, and administrators can work together and communicate more effectively and efficiently.

What information can I access through the Family Portal?

Parents and guardians use one login to securely access the information for your children from just about anywhere. With Aspen, you can access:

- ◆ Academic information including your child's schedule and courses
- ◆ Interim Progress Reports (IPRs) and Report Cards.
- ◆ Attendance
- ◆ Family contact and emergency information
- ◆ Links to school-related websites

Your personal log-in information:

9th Grade parents will receive their portal access info by mail the first week in September.

10th, 11th and 12th grade parents will use the same account info as in the past.

Name: First Last (i.e., John Smith)

Login ID: last first initial (i.e., smithj)

Password: xxxxxxxx (random 12 digit code)

Please note that both the user name and the password are case sensitive.

How do I use Aspen?

After you log in you will be in your portal home page, with three tabs across the top to access the three areas of the portal. After you click a tab, side-tabs appear on the left side of the page. Click the side-tabs to view detailed information.

What if I need more help with Aspen?

Aspen is easy to navigate. The data is secure and view only. Feel free to explore. If you have a question about how to do something, go to the **Help** menu for the following options:

- ◆ **Online Help:** Click to open online help, then click **Using the Student and Family Portal**. A table of contents, index, and search feature make it easy to find the information you need.
- ◆ **User Guides:** Click to open, download, and print a PDF version of *Using the Family Portal*.
- ◆ If you still have questions, contact the Dean's office

Is my child's information secure?

All Aspen users only have access to information they need, and nothing more. The system protects your student's information with the same type of technology a bank uses to protect financial accounts. The system is configured the system to ensure that your student's information is confidential and can only be retrieved by you – the parent/guardian – and authorized school personnel. You can only view, not edit your child's demographic data. If you find that it is outdated or incorrect, notify BHS to correct any errors.

How do I access the system?

You can log on to Aspen's Family Portal from any computer that connects to the Internet. This lets you access the system from anywhere – your home and your office.

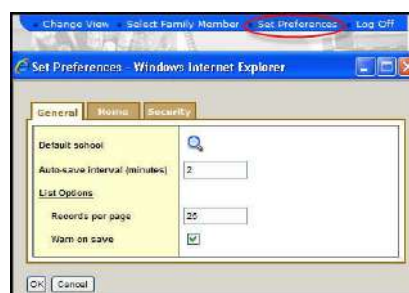

1. Open your browser to connect to the Internet.
2. Go to <https://sis.brookline.k12.ma.us/x2sis>
3. Enter your **Login ID** and **Password**.

How do I change my password or email address?

From any page, click **Set Preferences** in the upper-right corner of the screen.

Here you can set several of your user preferences, including:

- ◆ Password
- ◆ Email address
- ◆ Appearance of your Home page
- ◆ Notification Options

Link for Family Portal: <https://sis.brookline.k12.ma.us/x2sis>

It can also be found on the BHS Website: <http://bhs.brookline.k12.ma.us>

BROOKLINE HIGH SCHOOL OPEN CAMPUS

Open Campus at Brookline High School provides some discretionary time during the school day for students who demonstrate the ability to use this time productively. Our graduates tell us that the freedom at BHS prepared them well for their responsibilities after high school.

FREEDOM AND RESPONSIBILITY!

Open Campus rewards responsible students and motivates less responsible ones to work hard to earn this privilege. Open Campus is neither automatic nor a right to which students are entitled.

TO QUALIFY STUDENTS MUST:

- Have a G.P.A. of 2.0 (C) or better;
- Complete Naviance Learning Style Inventory and obtain your guidance counselor's signature that you have done so.
- Have no outstanding Hold Slips, ie. You can't owe a book or an item to the school.
- Submit the Open Campus Application which includes parental permission and indication of study halls to be dropped.
- Obtain approval from your Dean, based on a completed application, 2.0 GPA, and a record of good citizenship and good attendance;
- Maintain these standards of academic achievement, good citizenship, and good attendance

Freshmen who have one or more study halls may request Open Campus instead of these study halls up to a maximum of 4 open blocks. If you have a full schedule with no study halls, Open Campus will not change your schedule.

PROCEDURE:

- 1.) Obtain an Open Campus Application from your advisory teacher - available in February.
- 2.) Have your parent/guardian sign the section indicating that they give permission for you to have Open Campus.
- 3.) Write on the form which studies you are requesting to drop, ie. Monday G-block, Wednesday A-block, etc. Remember, you may not exceed the maximum total of 4 study halls.
- 4.) Log on to Naviance Family Connection, click on the left side: My Learning Style, answer all questions. Have your counselor sign the form indicating you have completed this.
- 5.) Sign the form yourself, indicating your commitment to be responsible with this new freedom.
- 6.) Submit the O.C. application to Ms. McIntosh in Room 317. Deans Mims, Butchart, and Thomas will review your GPA, attendance, and discipline records to determine final approval. Good citizenship at BHS is required.
- 7.) If your application is approved, you will receive a copy of your new schedule in homeroom.
YOU MUST FOLLOW YOUR CURRENT SCHEDULE UNTIL YOU RECEIVE A NEW ONE.

PERSONAL ELECTRONICS USE

RULE 1.4: The Policy on Personal Electronic Devices

Brookline High School recognizes the pervasiveness of technology in today's world. We also highly value a school culture that prioritizes human interaction and the establishment of strong human relationships. To account for both of those realities, we believe in SMARTS:

Students: Students may use technology at BHS

Manners: Students will graduate from BHS with good manners around technology

Availability: Students must be available to others

Respect: Students must be respectful when using technology

Teachers: Teachers decide if and how technology is used in their classrooms

Silence: All use of technology must be silent

A personal electronic device is a wireless and/or portable piece of equipment that is capable of storing, processing, or transmitting information. These devices include, but are not limited to, cell phones, pagers, smartphones/PDAs, computers/tablets, MP3 players and other handheld entertainment systems, and AV recording devices or cameras.

The use of technology and personal electronic devices is a privilege and should not disrupt the flow of school nor affect the learning in the classrooms. Therefore, to adhere to the respectful use of technology, here are the limits:

CELL PHONES: NO talking on phones anywhere in the building, including in the quad. This rule is in effect from 8:15 to the end of the school day. Talking on cell phones is only permitted in the vestibule outside the atrium at the main entrance.

HEADPHONES: Students may not wear headphones (on neck or in ears) in the building, including in the quad. Headphones are allowed in classrooms only when a teacher or librarian has given permission for their use. This rule is in effect from 8:15 to the end of the school day.

CLASSROOM ELECTRONICS USE: Students will be informed, in writing, of each teacher's policy on technology as part of the class syllabus or class expectations. In addition, the **SMARTS poster** shall be displayed in a visible place in every classroom.

Inappropriate or unlawful use of electronic equipment will result in school consequences and/or referral to the police. This includes use of electronic equipment in a way that violates a student, staff, or faculty member's privacy, or that amounts to harassment or malicious defamation. Any misuse of electronic equipment, including using such technology to cheat, plagiarize, or secretly record the communications of another shall result in immediate confiscation of the equipment in addition to other consequences beyond those listed below.

Consequences

Progressive discipline will be applied to students who fail to follow the new policy. Additional consequences, including suspension, are possible if students do not respond to reasonable requests from staff members (ie, giving their names or their administrators' names).

TESTS FOR COLLEGE BOUND STUDENTS

As part of the college admission process, students need to take a number of tests in their junior and senior years. The Guidance Department recommends the following testing schedule:

PSAT/NMSQT	Junior year (Registration is completed through the Main Guidance Office, Room 162, in early October)
SAT or ACT	Junior and Senior years
SAT Subject Tests	Taken at the time the student completes the course or the course sequence. (i.e. the SAT Subject Test in Chemistry may be taken at the end of the sophomore year.

TOEFL (Test of English as a Foreign Language) Best taken in the senior year

Advanced Placement (AP) tests usually taken in Junior and Senior years after the course

PSAT/NMSQT

The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is a practice test for the SAT, evaluating both verbal and mathematical abilities. The National Merit Scholarship Program uses the PSAT to identify academically exceptional students to compete for Merit Scholarships.

Scholastic Aptitude Test (SAT)

The Scholastic Aptitude Test is taken twice by most students: Spring (March, May or June) of junior year and Fall (October, November, or December) of senior year. Scores range from 200 to 2400.

American College Testing Program (ACT)

The ACT is an alternative to the SAT college admissions test. It is more subject based than the SAT.

SAT Subject Tests

Subject Tests are used for admission decisions by the more selective colleges. Many colleges request the writing test plus two from the following: Literature, U.S. History, World History, Mathematics Level I or 2, Latin, French, Russian, German, Spanish, Hebrew, Biology, Chemistry, and Physics.

All registration booklets are available in the College and Career Center, Room 163. A photo identification is required at the time the student is taking each of these tests.

Important Numbers for the SAT I and SAT II

22-240 Test Center for Brookline High School
220445 School Code for Brookline High School
25021 Norfolk County Code

The telephone number for ETS (Educational Testing Service) in Princeton, New Jersey is: 1-609-771-7600 and is in service from 8:30 a.m. - 9:30 p.m., or students may sign on to www.collegeboard.com

Services for Students with Disabilities (SSD)

The College Board is committed to serving students with disabilities by providing services and reasonable accommodations appropriate to the student's disability and the purpose of the exam. Services for Students with Disabilities (SSD) provides AP, PSAT/NMSQT and SAT testing accommodations for students who have documented disabilities. Students should see their guidance counselor, special education teachers, or Mr. Libenzon for further information.

Test of English as a Foreign Language (TOEFL)

The TOEFL will be administered by computer at special test centers. Computer-based tests will be offered worldwide at Sylvan Technology Centers, computer test centers at specified universities, and ETS field offices.

Testing is available year-round and will make appointments either by calling a toll-free number, a local test center, or an international regional registration center.

Please refer to the **Bulletin of Information for TOEFL and TSE for additional information regarding registration procedures.** For additional information please call TOEFL, Monday-Friday, 8:00 a.m. - 9:45 p.m. at 609-771-7100

Brookline High School Advisory Program

Advisory is a program that gives BHS students a chance to meet in a non-academic setting with peers and a faculty advisor once a week. The program was created for students to:

- learn more about Brookline High School and a student's role in the school community;
- appreciate and explore the diversity within a group of peers over the course of four years;
- participate in community service;
- have a regular, consistent place to connect with an adult and older peer mentors in the high school;
- have a time to reflect on academic and social goals with the faculty advisor as students journey through high school.

Time spent in Advisory is low-stress and does not involve assignments. Most Advisory blocks are spent conversing with your peers and faculty advisor on school-wide or grade-specific topics, going to class assemblies, or meeting one-on-one with your advisor. Assemblies have focused on topics such as cyber-citizenship, environmental citizenship, substance abuse prevention, community-building, school policies and culture. Work with the faculty advisors has focused on topics such as cultivating a growth mindset, linking effort with success, owning one's own learning, responsible use of technology, and problem-solving. Advisory is also a place where "play" happens, an often under-valued aspect of learning during the high school day. Advisory is graded on a pass/fail basis, and it is the only class that a student will have with the same kids for their entire career at BHS.

Health Services

The Mission of the School Health Program is to foster the growth, development and educational achievement of all students by promoting health and wellness by

- providing first aid, emergency treatment, intervention and referral for physical, psychological, social-emotional and behavioral issues
- administering direct care for special medical needs
- monitoring health status and administering screening programs to identify health concerns
- building partnerships to ensure referral to quality services that are effective, culturally appropriate and responsive to the diverse and changing needs of our students and their families.

The Massachusetts Department of Public Health requires the following to support a Comprehensive and Coordinated School Health Program:

- Each parent/guardian must provide documentation of their child's completed immunizations *before* entry to school. A translated immunization record is requested.
- New students must provide a copy of a completed physical exam by a US physician within one month of entry. A physical dated within one year prior to entry is acceptable.
- All students entering grade 10 must provide documentation of a recent physical (within 1 year). Immunization records are reviewed by the nurses at this time. Please check with your PCP to make sure your child has received the required boosters. (BHS athletes, who participate in interscholastic sports, are required to have yearly physicals per MIAA regulations).
- Each parent/guardian is required to complete and return the **Health and Medical Emergency Contact Information** in the Back-to-School packet. Please complete the **Health History** on the back of the card.

PARENTS, OF STUDENTS WHO RECEIVE DAILY OR EMERGENCY MEDICATION SHOULD MEET WITH THE NURSE(S) TO INITIATE/RENEW DOCUMENTATION FOR THE ADMINISTRATION OF MEDICATION AT SCHOOL. STUDENTS MAY CARRY THEIR OWN INHALERS, EMERGENCY MEDICATIONS AND ONE DOSE OF A REGULARLY SCHEDULED MEDICATION FOR SELF-ADMINISTRATION IF APPROPRIATE AND CONSISTENT WITH MEDICATION PROCEDURALGUIDELINES.

Throughout the school year, the school nurses will administer several MDPH mandated programs including hearing, vision, scoliosis screening in Grade 9 and height/weight/ BMI measurement in Grade 10. Scoliosis screening will be completed collaboratively with the Physical Education staff.

Your partnership with Health Services will help to ensure a safe and healthy learning environment for your child. Please contact your school nurse, if your child has any health concerns or recent history of illness or injury, emotional issues, special needs or scheduled procedures. This will inform your school nurse of any restrictions or accommodations that your child may require. All information will be kept confidential and shared with individual staff members on a *need to know* basis only. If you are in need of health insurance for your child, your school nurse will be able to assist you.

DAY	FIRST SEMESTER	SECOND SEMESTER
Monday	Art Career Education Math	Performing Arts Social Studies
Tuesday	Health & Fitness Science	World Languages
Wednesday	English	Art Career Education Math
Thursday	Performing Arts Social Studies	Health & Fitness Science
Friday	World Languages	English

A student who has three or more tests or major quizzes on the same day has the right to postpone the test or quiz which is in violation of the test day schedule. Any assessment that carries the same weight as a test is considered a test/major quiz for test day purposes. The student must notify the teacher at least two days before the test or major quiz and arrange an alternative time to take it. The teacher may request that it be taken within 48 hours of the scheduled time.

In addition to tests and major quizzes, a paper which the student has fewer than seven calendar days to complete and carries the same weight as a test is considered a test/major quiz for test day purposes. A student who has a paper of this nature due on the day he or she has two tests and/or major quizzes, has the right to postpone the due date of the paper for one day if the due date is in violation of the test day schedule.

Brookline High School Library

Dear Parents,

The BHS Library/Information Technology Program provides critical resources and expertise to teachers and students in a comfortable, welcoming atmosphere. Our mission is to empower students to be critical thinkers, enthusiastic readers, skillful researchers, and ethical users and creators of information.

Students are welcome to check out books for leisure reading and to support classroom assignments. Students also regularly drop in for help with research projects, suggestions for outside reading books, or to work on assignments. We look forward to helping all students excel during the coming school year.

Sincerely,
BHS Librarians

The BHS PTO is a registered 501(c)(3) non-profit organization, taxpayer ID number 61-1429117. Email addresses provided here will NOT be added to any PTO-maintained email list (go to bhs-pto.org to subscribe to email lists) but will simply be forwarded to the appropriate committee.

The Brookline High School PTO communicates in several forms to parents to keep them informed and connected to BHS. We host topical meetings to keep parents engaged in the wonderful offerings at BHS and we provide a variety of grants to enhance learning and enrich the BHS experience for every student.

Our PTO brings together the parents and families of our diverse student body in a way that's both enriching and enjoyable. We invite you to become active in the BHS PTO community by taking advantage of our many educational, cultural, and fundraising offerings.

The Brookline High School Parent Teacher Organization is a valuable liaison between BHS faculty/staff and parents. It sponsors a variety of events each year designed to show our support of the school and to keep parents informed about how to help children make the most of their high school experience. Some of these activities include:

- ❖ Back to School Night
- ❖ Faculty/Staff Breakfast & Luncheon
- ❖ Annual PTO Handbook
- ❖ Student Phone Directory
- ❖ *News & Views* Newsletter
- ❖ Freshman Barbecue
- ❖ International Orientation
- ❖ Guest Speakers
- ❖ Athletics Handbook
- ❖ Performing Arts Handbook
- ❖ Performing Arts Newsletter
- ❖ After the Prom Party
- ❖ Conversazione
- ❖ Graduation Ceremony

The money raised from PTO fundraising goes toward the operating expenses for the above mentioned activities and towards special projects each year. Our aim is to help you be informed about BHS, so that you may be able to help your high school student during these important years. In turn, we hope that being aware of how you may be of service to BHS will encourage you to support the school in ways that are possible for you. The opportunities for service include: your financial support, participation on committees, being a Class Parent, helping with the newsletter, tutoring a student, sharing your expertise with students, and countless other possibilities. If you are interested in finding out more about participation, contact any board member. *News & Views* also provides an excellent way of keeping up with events at BHS and finding out about opportunities for participation.

INNOVATION INSPIRATION EXCELLENCE

The Brookline High School 21st Century Fund is a catalyst and incubator for innovation that fosters academic success for all students. The Fund supports faculty-led program initiatives, and energizes BHS faculty by creating a learning lab for what works best in public education. Most importantly, programs supported by The Fund inspire students to dream, to think, to explore and to create a better 21st century.

Over the past 15 yrs. the 21st Century Fund has invested nearly \$9 million of privately raised funds to launch and sustain 17 programs. We are currently funding: Medical Interpretation, the Content Reading Initiative, A Human Math Experience, the Global Leadership Academy, and Drawing for Understanding in Field Science.

BROOKLINE EDUCATION FOUNDATION

Supporting Excellence in Teaching & Love of Learning in Our Schools

In the last five years, over 165 BHS educators have participated in Brookline Education Foundation (BEF) grants. These grants involve all BHS departments and contribute to the academic achievement of every student.

In the 2013-14 school year, several BEF grants will address Brookline's technology needs. One funds attendance by a dozen Brookline educators at the acclaimed *Building Learning Communities Education Conference*. Participants will determine the best ways technology can be used to improve student learning in Brookline.

A second BEF grant funds a *Tech Talk Seminar Series*, where educators will share ways they use technology in the classroom – thereby spreading innovative practices throughout our school system.

The BEF also is funding the LAUNCH OF AN E-LIBRARY for all Brookline schools. Watch for more information about this exciting development in the fall.

We could not offer these opportunities, which benefit every Brookline student, without the generosity of our donors. Gifts to support the BEF may be made in honor of teachers and other individuals. Donors also may support the BEF by participating in our annual spring Trivia Bee fundraiser.

For more information, please visit www.BrooklineEducation.org or call 617/232-3846.

CURRENT USERS

Tips for the beginning of the school year:

- Login to the site at least one week before the beginning of the school year.** Check that your credit/debit card on file has not expired, your email address is updated, and that your automatic payment plan's stop date has not expired.
- Forgot Password:** If you previously registered with PayPAMS but forgot your password, click on the 'Forgot Password' link on the home page of PayPAMS.com. If you were unable to retrieve your password through the 'Forgot Password' link, contact customer support from the 'Contact Us' page. Do not register again. Note: passwords are case sensitive.
- Balance Transfer from Year to Year:** Any remaining student meal account balance will automatically transfer to the next school year.
Important note: If your child moved from one school to another within the same school district, it may take a day or two from the beginning of the school year to transfer the remaining balance from the old school to the new school. During that time period, the balance on PayPAMS may show as \$0.00. If you are not sure if your child's account had a remaining balance from the previous school year, we recommend you make a payment.
- Refunds:** PayPAMS processes refunds only for the exact payment amount. If the student has already used some of the money, or has graduated, please contact the school district.
- Moved to a different school district:** If you moved to a different school district, you can keep the same username and password information. Login to your account, go to Help/Contact Us and select subject 'Moved from District'. Do not register again. Note: PayPAMS cannot transfer money from one school district to another. Contact your previous school district for refunds.

NEW USERS

Register Now:

- Go to PayPAMS.com and click on the **'Register Now!'** button on the home page.
- Select **your state**, then select your **school district**.
- Create a username and password** and enter your contact information.
- Add children** to your account.
- Make payments or set up automatic payments** based on low balance.

HELPFUL TIPS

When Registering:

- Username:** Create a unique username. If the system indicates that the username is taken, select a different username.
- Duplicate Accounts:** If the system indicates that an account already exists with the same phone number or email address, contact customer support from the 'Contact Us' page.
- Meal Account Balance and Cafeteria Purchases:** It takes 1-2 school days before balances and cafeteria purchases information for new registrants can be displayed. However, you can make payments immediately upon registration. If you cannot view balances two days after you added the student to the account, contact customer support from the 'Contact Us' page.

Helpful Tips for using www.paypams.com

PAYMENTS

- Posting Payments:** It takes one to two school days for a payment to replenish your child's account at the school cafeteria. Your balance on PayPAMS website will reflect your recent payment only after the school cafeteria confirms receipt of payment.
- Payment Confirmation:** When a payment is processed, a confirmation number will be displayed and an email will be sent verifying that the payment was processed. If a confirmation number is not displayed, the payment was not processed.
- Declined Payments:** If your payment is declined, verify that all billing information is correct. If all information is correct and payment is still declined, contact the issuing credit card company for further information. Reasons a card can be declined: insufficient credit/funds in account, incorrect billing information entered, closed credit card account, or credit card expiration date.
- Payments for the same student from two separate accounts:** To prevent duplicate accounts, PayPAMS allows associating a student to only one account. If both parents/guardians cannot share the same username and password, contact customer support from the 'Contact Us' page.
- Convenience Fees:** Depending upon the school district, a nominal convenience fee may be charged to cover the cost of processing payments and maintaining the website. To check if your school district charges a convenience fee, please click 'RegisterNow!' on the PayPAMS homepage, then select your state and school district.
- Credit Card Types:** PayPAMS accepts both credit and debit cards. When registering, please check which cards your district accepts.
- Credit Card / Bank Statement:** PayPAMS payments will show up on your credit card/bank statement as payments to 'PayPAMS.com', or 'PAMS-<your school district> CO'.
- Payments at the School Cafeteria:** For questions regarding cash or check payments submitted directly at the school cafeteria, please contact the school cafeteria directly. Do not contact PayPAMS.

NEED ASSISTANCE?

Please visit
PayPAMS.com and
click '**Help**' to navigate
to PayPAMS Help Center!

LOW BALANCE EMAIL NOTIFICATIONS

- Email Notifications:** To make sure emails from PayPAMS are not blocked, add customerservice@paypams.com to your address book and safe list.
- Change of Email address:** If you change your email address be sure to update your user profile on PayPAMS.

LOW BALANCE AUTOMATIC PAYMENTS

- Low Balance Automatic Payments Trigger:** PayPAMS recommends triggering automatic payments when the student meal account balance falls below \$12.00. Having a lower 'minimum balance' when setting up Automatic Payments may not allow enough time to replenish your child's account.
- Automatic Payment Confirmation:** If you sign up for Automatic Payments, you will receive an email confirmation of the payment, including current balance.
- Declined Automatic Payment:** Your automatic payment will not be processed if the card was updated, declined, expired, or if the 'Stop Date' that was set initially has passed.

COMO REGISTRARSE

- En PayPAMS.com haga clic el botón de 'Registrar Ahora!' en la Pagina de Inicio.
- Seleccione su estado y distrito escolar
- Cree un Usuario y contraseña e introduzca su información de contacto
- Añadir niños a su cuenta

¿PREGUNTAS?

Haga clic en '**Help**' en la página inicial de PayPAMS.com

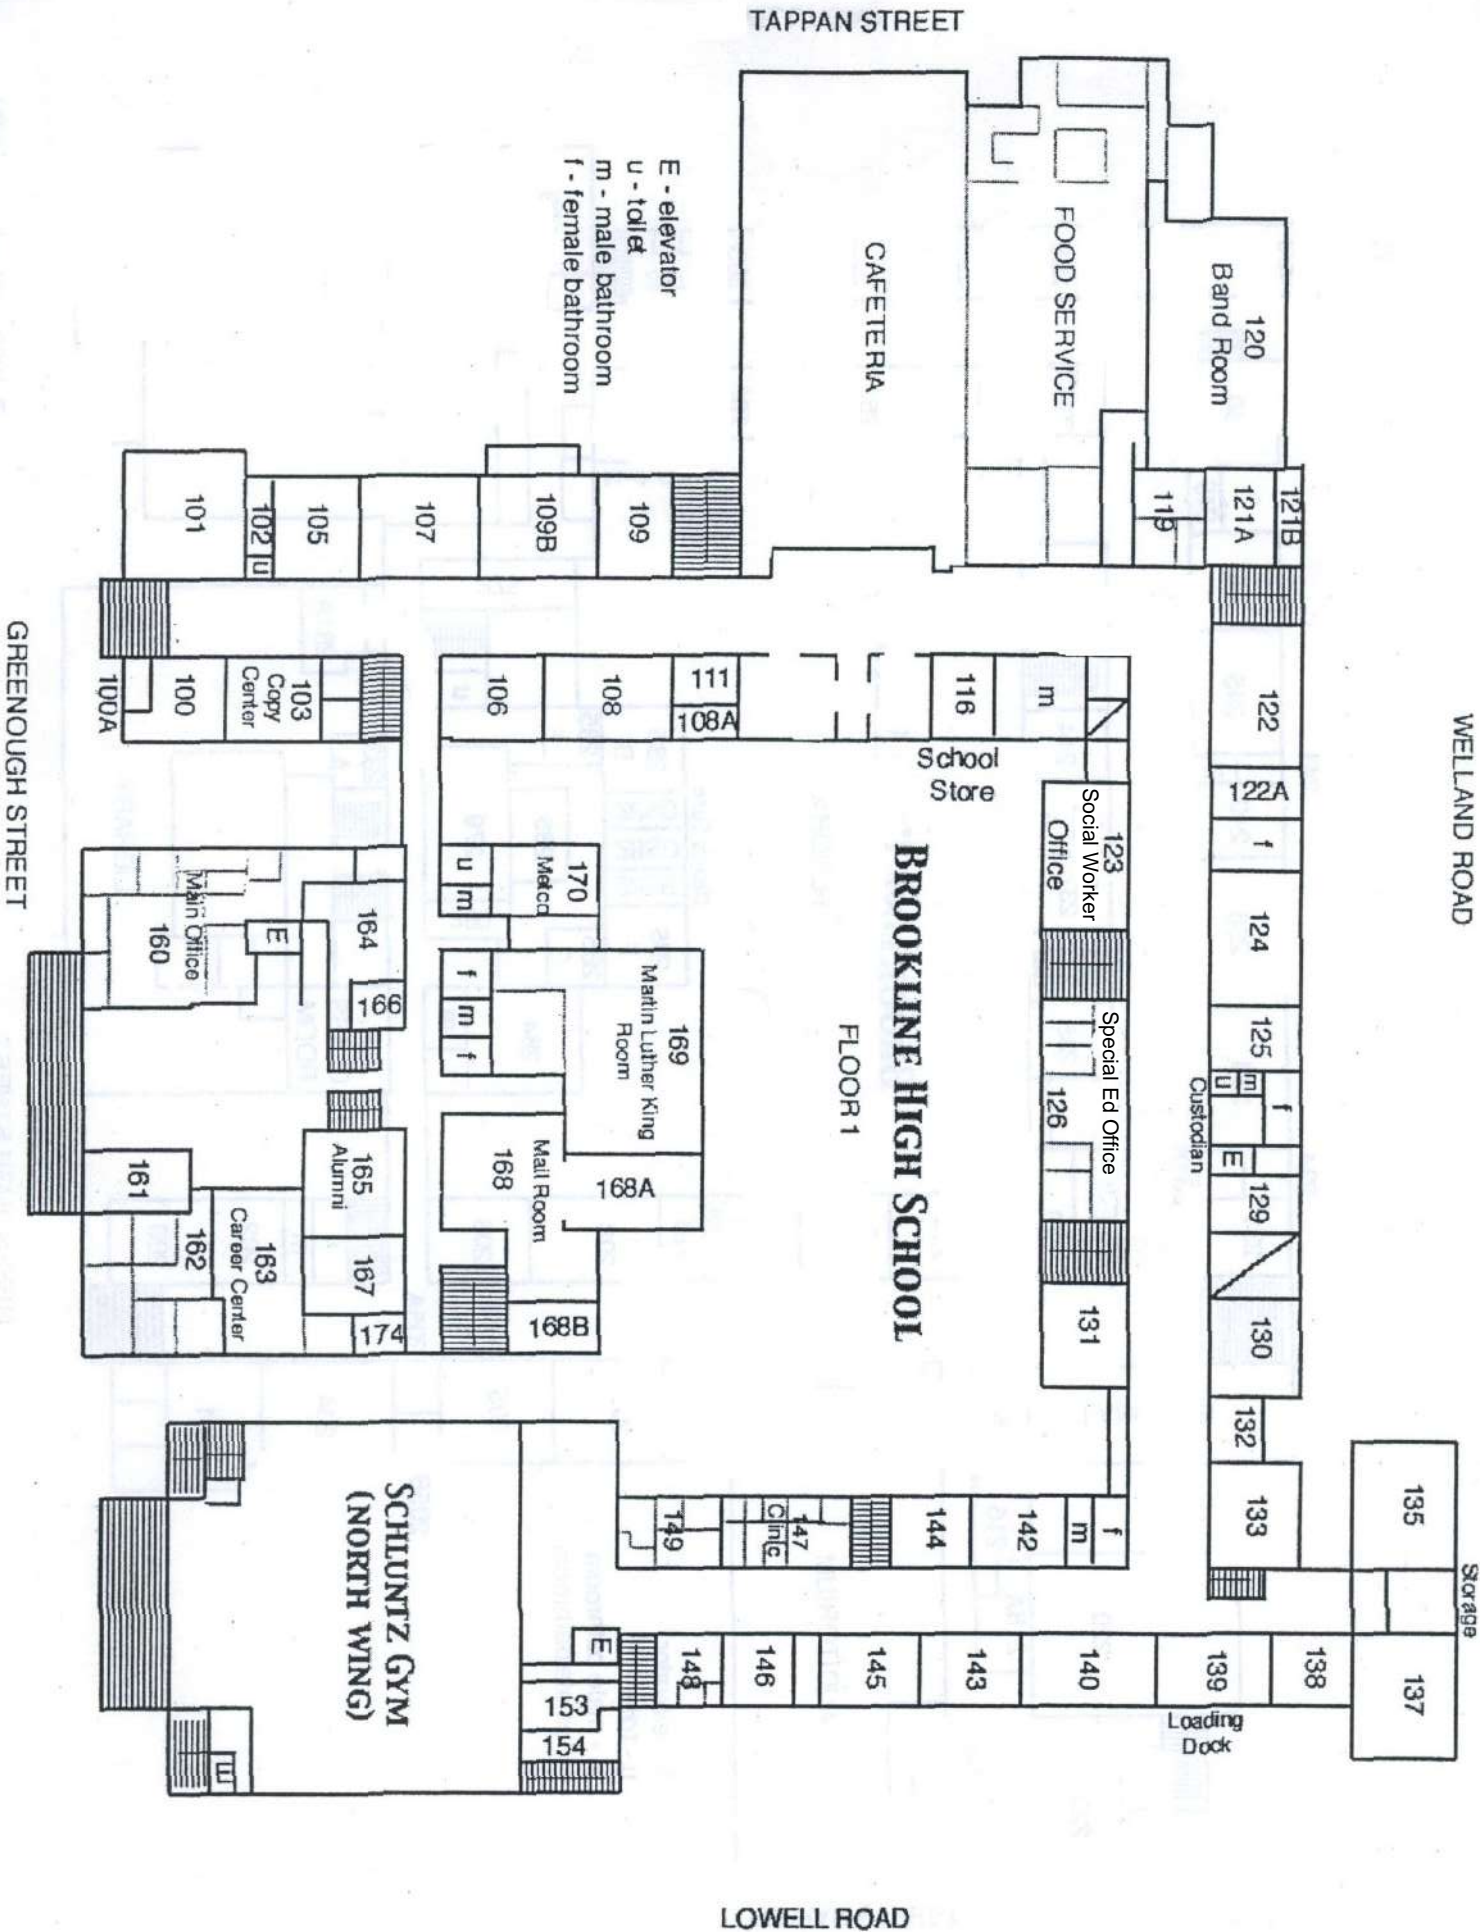

CAFETERIA PURCHASES

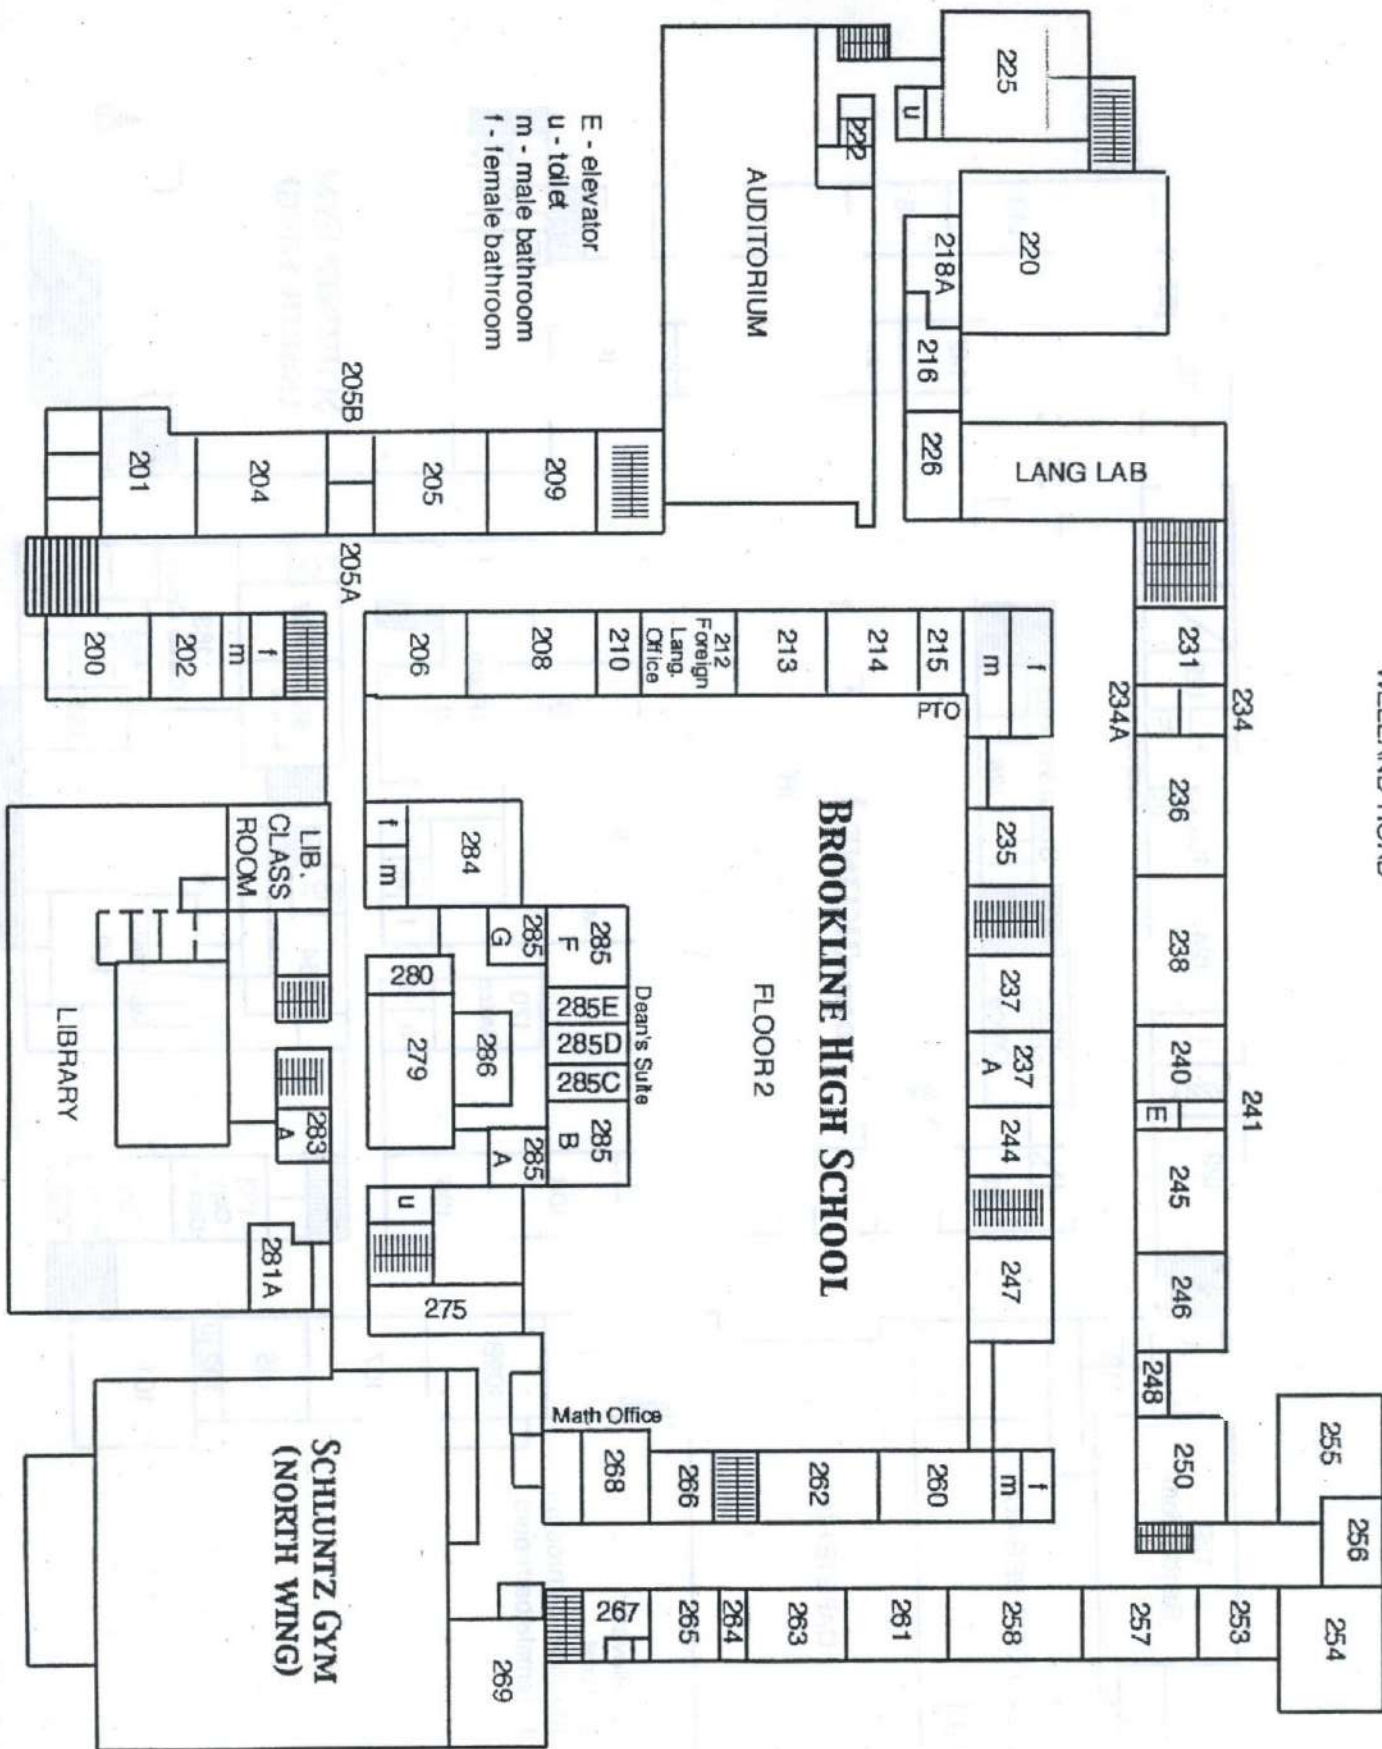

While PAMS displays cafeteria purchases, we do not regulate what the children are purchasing or eating. For questions regarding purchases at the cafeteria, contact the school cafeteria directly. Student Activity is only displayed from the day the student was added to PAMS. Data is available for 90 days.
