Biking is great for getting around, and it's also great exercise.

But bike injuries are common, so it's important to follow the rules of the road and bike laws set by your community. Smart kids and teens wear helmets whenever they ride bikes. A bike helmet should fit tightly and should not be tilted. When you buy a bike helmet, you should make sure it has a CPSC sticker.

Everyone should wear bright clothes and sneakers when they ride bicycles.

Bike riders should stay on the right side of the road and go the same direction as traffic. Bike riders also need to stop at all stop signs and obey traffic laws. Bike riders should use the correct hand signals and never change directions or lanes without looking behind themselves.

Smart kids and teens never text or listen to music while they're riding bikes so they don't get distracted.
