

Mrs. Bergquist's 2nd Grade Class News

Week of:
Nov. 7th —Nov. 11th

What's Happening This Week?

While reading *Birdhouse For Rent*, we will focus on author's point of view, sequencing and personification (giving nonhuman objects human qualities). As usual, we will work on making predictions, asking questions about what we are reading and clarifying information. We will discuss articles and adjectives this week in language. In math, we will continue working with fractions: Wholes and Parts, Comparing Fractions, and fractions of a set. Our chapter 9 test will be on Friday.

- They've extended our coin harvest by one day so you can still send more pennies by Monday morning!
- Thank you to everyone who volunteered to send something for our Thanksgiving feast! We still need a few items so send in your forms if you haven't done so. Also, don't forget to send your \$2 for the ham and turkey.
- Parent teacher conferences are Monday, Nov. 7th. Please arrive on time with a list of questions or items you would like to discuss. We must stick to our 15 min. schedule so everyone is able to make it to their other scheduled conferences.
- There will be no school on Tuesday, Nov. 8th for Election Day.
