

Beginndergarten Information Night

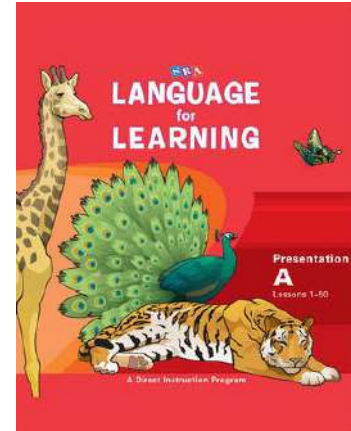

Marysville

Public Schools

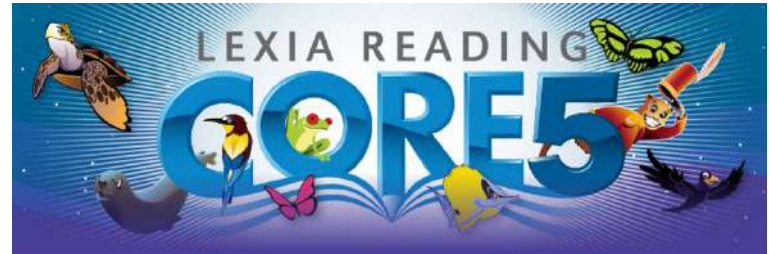

Language for Learning

- ★ This program helps develop the listening, speaking, and thinking skills that will help your child do well in school.
- ★ Your child will learn to listen carefully, speak clearly, and follow directions accurately.

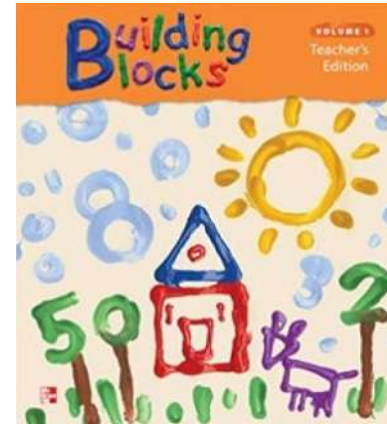

Lexia Core5

- ★ Lexia Core5 Reading is a comprehensive technology -based literacy program that personalizes learning for students in the six areas of reading instruction.
 - Phonemic Awareness
 - Phonics
 - Vocabulary
 - Fluency
 - Comprehension
 - Writing

Building Blocks for Math

- ★ Building Blocks for Math embeds mathematical learning in children's daily activities, ranging from designated math activities to circle and story time, with the goal of helping children relate their informal math knowledge to more formal mathematical concepts.

What can you do at home?

- ★ Read every day
- ★ Label items in the house at eye level
- ★ Turn closed captioning (CC) on the television; turn down the volume
- ★ Use as many words as possible to describe things
- ★ Talk and listen
- ★ Count
- ★ Sort activities
