

Black Friday Price Shopping Project

Item TODAY	Price TODAY	Black Friday Price	CM Price (do Monday)	Savings (do Monday)
EX: 55" TV	\$399.99	\$349.99	\$369.99	\$50.00

November 25 - Directions:

1. You are preparing to go shopping and take advantage of the crazy deals and sales offered on Black Friday. Create a list of 5 things you will be looking for in the stores and record them in column 1. Be sure to choose **specific items** (Google Home Hub, Fitbit Versa, Nintendo Switch, etc.).
2. Write down the BEST price you can find it **TODAY** online in column 2.
3. Write down the BEST price you can find it for on **BLACK FRIDAY** in column 3

Helpful Websites:

- [Black Friday Website](#)
- Official store websites: (ex: [Walmart](#), [BestBuy](#), [Target](#), etc.)

1. What are some advantages and disadvantages of shopping on Black Friday?

2. Why do you think some stores would choose to open their stores on Thursday night, as opposed to Friday morning?

December 2 - Directions (you CANNOT do these until next week)

4. Write down the BEST price you can find it for on **CYBER MONDAY** in column 4.
5. How much money would you **SAVE** by purchasing it this time of year?
