

Black History II

Final Web Page project

June 2019

This project is technically your final, but really a reflective piece that is designed to show me and others what you have learned over the last 10 weeks together.

The first thing you need to do is to go to the website: [webs.com](https://www.webs.com) and register for the use of the free web site creator. (if you don't like this platform you can try [weebly.com](https://www.weebly.com))

Assignment:

1. You must summarize four of the lessons that we have gone over: After summarizing the lesson (a paragraph or two) you must explain to the reader two things: The general significance of the lesson, and how the lesson impacted the way you thought about the subject.
2. Each of the 4 articles must be accompanied with an illustration/photo/video clip that is explanatory, or symbolic of the learning that you experienced.
3. Thirdly, you must write an overview of the course and what benefit in general the course provided for you educationally.

Lessons:

1. Race and Science
2. Rousseau and Slavery
3. The slave rebellions/resistance (Deal with at least 4)
4. Ben Banneker's letter to Jefferson
