Attendance

When classes are in session, **ALL** students are expected to be in their assigned classroom. Students are not to leave the room unless given a pass from the teacher.

What do I do if I am absent from school?

All Absences require a written verification from the parent or legal guardian. The note should state the date(s) of absence, the reason, a parent/guardian signature and a phone number. Before school, between classes and at lunch excuses should be taken to Academic Affairs. You have 2 days after your absence to turn in your excuse, otherwise it stays unexcused.

What do I do if I am absent for several days?

Classroom work can be requested through the Counseling Office at 361-3029. When you return please talk with your teachers about missed work. You will be responsible to make up any work missed.

Verified excuses, unexcused and excused absences, what is the difference?

By school board policy a parent can excuse their student ten (10) times per school year. All absences after 10 will be considered unexcused. (431 RULE 1 dc). Parent/guardians please use excused absences sparingly as you have only 10 per year. Verified excuses are signed by the doctor, dentists, legal firm, etc. and returned to school. There is no limit on verified excuses. It should be noted though the more you miss the more difficult it is to keep up and learn.

What are the consequences of not attending class?

The rule is – don't skip class. With our Block Schedule, every class period missed means you have missed 2 classes which puts you further behind. Part of or all five (5) different days unexcused can result in loss of credit, and if continued could result in truancy fines up to \$1,000 per school year.

What if I need to leave school early for an appointment?

Verification in writing or by phone is required by your parent/guardian to be excused for doctor/dental, etc. appointments. Students will only be released to parents/guardians or

others who have been designated in writing by the parent or legal guardian. Remember to get the appointment verified (signed by the receptionist, nurse, doctor, etc.) and return it to Academic Affairs.

What if I am late to class?

Tardiness will be defined as any student who arrives within 15 minutes after the starting bell for each class. Anything over 15 minutes will be considered an absence. Students with a pass will receive no penalty. Students without a pass will be assigned a consequence.

What if I get sick during school?

If during the school day you are not feeling well and feel you need to go home, you will need to go to the Nurse's Office to be excused to leave. The nurse will call your parent or guardian or others authorized on your Emergency Card to inform them of your situation. **IF YOU DO NOT HAVE AN EMERGENCY CARD ON FILE, YOU WILL NOT BE EXCUSED TO GO HOME** with anyone except your parent/guardian. An absence excuse will also be required when you return.

Can the nurse give me Tylenol, Aspirin, Cough Drops, etc if I am not feeling well?

No, the nurse cannot give you any over the counter medication. However, there is a form your parent or guardian can complete to be kept on file in the Nurse's office to allow you to take over the counter medication. Your parent/guardian must provide the medication.

What can the school nurse do?

The nurse is limited in treatments she can provide. She can provide general first aid. She does not provide crutches, splints, wheelchairs or air casts.

Can I use the elevator?

No. The elevator is only for students with physical needs or for those with a physician's request. The school nurse will issue you a pass to use the elevator if the need arises.

If I am in danger of failing a class what do I do?

The minute you need help in a particular class, you should see your teacher or counselor for help. If you do end up failing a class that is a required credit to graduate, you should plan on taking it during summer school or in Knight School.

What if after choosing my schedule I want to change a class?

The rule is "You picked it, you keep it". However, if there is a computer error or you don't meet a prerequisite, you need to see your counselor before the first day of the class. Once you begin the class, it is your responsibility to carry it on to completion.

Lockers

Will I have to share a locker?

The answer to this is NO and we insist that you do not share your locker or combination with anyone. Sharing lockers results in loss and theft of your things. Since sharing a locker is prohibited, if you are caught doing so, discipline for insubordination will result. The locker assigned to you is yours to store your items. Please use magnets and not stickers or tape.

Are locks provided?

The locks are built into the hall lockers at BMHS. You will be issued the same locker for the length of your stay at BMHS. The combination will not change until after you leave. If you are in a PE class or athletic activity, you must purchase a lock from the school only for that locker.

The district does not offer school bus transportation to the high school. City bus routes are available with discounted student passes.
