# Purpose

---

- As we shift from learning at school to learning at home, we want to ensure that we give each and every student the opportunities to be successful.
- Quite frankly, this may become the norm in education.

# Virtual Learning Plan - Canvas

---

- Canvas will be the platform that both students and parents can go online to view students assignments, deadlines, and grades.
- Canvas helps teachers create lessons and resources that engage students and deliver personalized learning.
- It automates routine administrative tasks and communication with parents.

# Virtual Attendance

---

- Teachers will take attendance daily, but the meaning of attendance changes – virtual learning attendance is more about ENGAGEMENT than physical presence.
- Active Time spent in Canvas – in Canvas, you will be able to tell how active a child is during their class time.
- Attendance will be taken during a student Homeroom period each morning.
