April 14, 2016

Dear Members of the Huron School Board,

The Huron High School Music Department is seeking permission to create a Club Activity account for the new Tri-M Music Honor Society that was chartered in 2013 and became active in December of 2015.

Tri-M Music Honor Society was founded in 1936 by two music teachers in Illinois and is now an International Honor Society that has 1700 Chapters across 50 states, involving more than 67,000 students in grades 6-12. It is the national program of National Association for Music Education, which focuses on creating future leaders in music education and music advocacy.

Each year, these students contribute more than 750,000 service hours to their school and local communities, and raise nearly \$1 million for causes they care about. NAFME awards more than \$2,000 in scholarship each year to chapters that demonstrate exceptional service and leadership.

The purpose of Tri-M is to strengthen the school and music program by:

- Advocating for the importance and value of music education in shaping the leaders of tomorrow.
- Highlighting the school's music program and establishes credibility within the surrounding community.
- Positively impacting the community through public performances and service projects
- Motivating students to make a difference in their community

Huron's Tri-M Chapter #6692 currently has 28 members in grades 10-12 and their advisors are Laura and Larry Petersen. The group has participated in two fundraising opportunities and would like to create an account to manage these funds and create music awareness and opportunities for younger students.

We would appreciate the Boards consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Laura Petersen".

RE: Worker's Compensation Insurance and Property & Liability Insurance

The District's Worker's Compensation insurance renewal for 2016-2017 is a couple thousand dollars less than the previous year with no changes to coverage.

The District's Property & Liability insurance renewal for 2016-2017 is about \$12,330 more than last year. There are some things to note as follows:

- With the elementary construction and the acquisition of the transportation facility our property values increase about \$23 million. This increase in value pushed our rates up about \$22,000.
- ASBSD is suggesting a local agent fee of \$15,040. Rick Long at American Trust Insurance received \$7500 for his services this year and is willing to be our local agent during 2016-2017 for \$7500.
- Our deductible per claim is being raised from \$500 to \$5000. This change should help keep rates down.
- We don't have too many property damage claims where the increased deductible will come into play, about 4 per year at the \$500 level. Of the 9 claims in the last 2 years, only 2 exceeded \$5000. The broken water pipe and flood at the HS in May, 2015 and the hail on the fleet vehicles in June, 2015. Most of the other claims were in the \$1,000 to \$3,000 range and most of these were minor vehicle damage claims.

I recommend renewing both coverages.

Associated School Boards Workers' Compensation Insurance Fund

Renewal Proposal

Policy Period: July 1, 2016-June 30, 2017

Executive Summary

We appreciate the opportunity to present the Associated School Boards Workers' Compensation Fund renewal to you. The Workers' Compensation Fund performs at a very high level and is very strong financially. The fund typically outperforms commercial carriers and their respective loss ratios.

We currently have 83, which includes 8 Wyoming school districts, participating in the Work Comp Fund.

Risk Pooling 101

ASB Workers' Compensation Fund is a partially self-insured insurance fund. We are partially self-insured because we have a reinsurance carrier in place for claims that exceed our self-insured retention. The reinsurance mechanism transfers risk to the commercial reinsurance carrier and caps our exposure to catastrophic losses.

We use actuaries, auditors, underwriters and other service providers to ensure the fund is staying strong financially. We look like and use the same methodologies as a commercial insurance carrier, but we are 100 percent owned by our members. We have no profit margin or commission goals to meet. Any excess equity is retained by the fund.

We have mechanisms built in to help smooth yearly increases to keep the cost of insurance affordable and predictable.

ASBPT's Broad Service Platform

While focusing on the specific areas mentioned above, the proposal also contains details describing the ASBPT's extensive service platform – a platform which we believe was created with our district members in mind.

Our services have continually evolved over our 25 year history, and are regularly enhanced based on direct feedback from our members. Each service has been created to address one or all of the following:

- Eliminate administrative costs to your school district
- Reduce or eliminate the potential for claims or losses
- Reduce the amount of reserves on your claims
- Provide financial protection for areas of exposure

ASBPT keeps business local to South Dakota

ASBPT recognizes the importance to keeping business local to South Dakota. ASBPT is administrated by *Associated School Boards of South Dakota* and our office is located in Pierre, SD.

Our third-party claims administrator is *Claims Associations, Inc.* based in Sioux Falls, SD. Lastly, *Tieszen Law Office, LLC* is the Trust's legal counsel and is based in Pierre, SD.

2016-2017 Renewal Information

The fund is projecting a decrease in expected claims, but the fund also implemented a more equitable premium allocation methodology and the exciting enhancement of expanded Employers Liability coverage from \$1 million to \$2 million by Safety National, our reinsurance company, **for no additional cost.**

Finally, we are excited to announce a new partnership in Alliant Insurance Services effective July 1, 2016. Alliant Insurance Services will bring innovative and fresh ideas to our program.

Each district's Experience Modification is generated by our actuaries and we capped Experience Modification changes for 2016-2017 at +/-20 percent.

In addition to the capped Experience Modification, we held the premium changes to a range of -35 percent to +5 percent for the entire pool. The purpose of the fund is to smooth out peaks and valleys for our members.

We do recognize investment revenue and apply the discount accordingly. The investment yields are recognized on an offset of expected claim expense provided by our actuaries. We then use your experience modification, claim history and estimated payroll exposure to calculate premium.

The ASB Worker's Compensation Fund is projecting a **decrease** in expected claims for 2016-2017. The fund is in outstanding financial position and it allowed us to provide a decrease in projected premium and minimal increases to districts as we transition into the new premium allocation methodology.

We appreciate your participation in ASB Workers' Compensation Fund. We are excited for the future as we strive to continue to provide competitive, affordable and transparent Worker's Compensation Benefits to our member school districts.

Cordially yours,

Matt Flett

2.1. The TRUST will pay promptly when due those sums that the MEMBER becomes legally obligated to pay on account of compensable injuries or damages to an employee up to the limits set forth herein and only as required by the Workers' compensation laws of South Dakota.

2.2. The TRUST will defend any proceeding against the MEMBER seeking compensation on account of a work-related injury and will defend or prosecute any such action before the Department of Labor involving the MEMBER, and any appeal therefrom, either seeking compensation or alleging damages or injuries, even though such claim or proceeding is determined to be groundless, false, or fraudulent. The TRUST may make such investigation, negotiation, and settlement of any claim or action as it deems appropriate and expedient, subject to approval by the MEMBER. Should the MEMBER'S governing board refuse to approve such settlement, such MEMBER will be solely and individually liable for any amount, ultimately awarded, including defense costs above the settlement amount, as a result of such claim, and such MEMBER shall indemnify and hold the TRUST harmless for any such amount in excess of the Settlement Amount.

2.3. The TRUST will pay all expenses incurred by the TRUST, all costs taxed against a MEMBER in an administrative proceeding, and all interest accruing after entry of judgment, until the TRUST has paid, tendered payment, or deposited in the court all or part of such judgment that does not exceed the limits of liability established herein. This obligation is subject to the limitations of Section 2.1 and 2.2.

2.4. Benefits payable by the TRUST pursuant to this Participation Agreement apply only to losses and liability arising under the Workers' compensation laws and personal injury for claims within the scope of coverage as defined in the Master Contract while the MEMBER is a participating member of the ASB Protective Trust Workers' Compensation Fund and coverage provided pursuant to this Participation Agreement is in effect.

In addition to claims filed during the coverage period, a notice of injury served upon a MEMBER pursuant to SDCL ch. 3-21 or SDCL 62-7-10 and received from the MEMBER by the TRUST prior to the expiration of coverage under this Agreement constitutes a claim under this Agreement.

2.5. Any change in classification, rates, or rating plans that is or becomes applicable to any coverage under this Participation Agreement as a result of a change in any law regulating such coverage or because of any amendment affecting the benefits provided by the Participation Agreement shall commence upon the effective date thereof. Each MEMBER shall maintain records of all information necessary for handling of any claim, suit, or contribution computation of a MEMBER, and shall provide such information to the TRUST at any such time during or after the benefit period as the TRUST may direct.

SECTION III TRUST OBLIGATIONS

The Trust shall manage and administer the TRUST. The management and administration of the Trust shall be performed by the Trust or its designee upon the direction and advice of the Trust Board and shall include the following authority and obligations, including but not limited to:

- 3.1. Evaluation and establishment of reserves for claims.
- 3.2. Investigation and adjusting of claims.
- 3.3. Auditing claim losses and expenses incurred prior to making final payment.
- 3.4. Making payment of compensable benefits as required under the Workers' compensation laws, the Master Contract or the Bylaws.

- 3.7. Monitoring claims for subrogation and undertaking recoveries when economically feasible and advisable.
- 3.8. Maintaining monthly reports identifying MEMBERS' claims by category, payments made, and reserves of claims. Such reports are available to each MEMBER and each Trustee as required by policies adopted by the Trust Board.
- 3.9. Providing such reports and documentation as required by any Master Contract.
- 3.10. Preparing and filing reports required by the state or federal government or agencies thereof.

- 3.11. Providing or contracting for loss control education and developing and disseminating a loss control program.
- 3.12. Monitoring frequency and severity of claims' performance of MEMBERS.

- 3.15. Developing programs for TRUST expansion.
- 3.16. Determining and recommending to the Fund's Board, the distribution of excess reserves, if any, to MEMBERS, based upon performance of the Fund.

- 3.19. Costs for administrative services provided to MEMBERS will be based upon a percentage of contribution earned and to include local agent fees, if any, and will be charged to the loss fund in an amount not to exceed ten percent (10%) per coverage year.

SECTION IV MISCELLANEOUS

4.1. MEMBER'S Contribution. MEMBERS' contributions will be individual, based upon the budgeted employee payroll. Annually, at the anniversary of the contract, an audit will be conducted to determine the actual payroll and contribution for each MEMBER. Adjustments to projected contributions will be based upon the audit.

Contribution rates approved by the TRUST will be used to determine standard contributions for each MEMBER. In a MEMBER'S initial year, such MEMBER'S experience modification, as established by the Midwest Council on Compensation Insurance, will be used. If no modification rate has been established, the Claims Administrator will provide an experience modification factor.

4.2. Membership. Membership in the TRUST is subject to approval pursuant to policies of the Trust Board and subject to the provisions of the Trust Bylaws.

SECTION V WITHDRAWAL AND TERM

5.1. A MEMBER may withdraw from membership at any time during the coverage year by giving notice in writing not less than sixty (60) days prior to the effective date of termination of coverage. Failure of a MEMBER to provide written notice of its intention not to renew coverage for a subsequent coverage year, **no later than May 31 of any coverage year**, shall constitute a binding commitment on the part of the MEMBER to renew membership for another year at the contribution rate established by the Trust Administrator prior to the renewal date. In the event of early withdrawal, the TRUST shall advise the MEMBER of the short rate cancellation contribution required for the coverage period already provided. This rate shall be based upon the MEMBER'S experience rating and the total TRUST experience. Any contribution in excess of the short rate cancellation rate shall be returned to the MEMBER at the termination of coverage. In the event compensation is being paid on any of the MEMBER'S claims at the time of notice of withdrawal, the short rate cancellation contribution shall be equal to the MEMBER'S entire contribution for the coverage year. Early termination of coverage shall constitute abandonment of the MEMBER'S right to any future distribution of excess reserves.

5.2. A MEMBER may be terminated from membership as set forth in the Trust Bylaws. In addition, failure or refusal of a MEMBER to cooperate, participate, and assist in the defense of a claim or proceeding against the MEMBER shall constitute grounds for termination of membership, subject to review by the Trust Board. Failure to cooperate, participate, and assist in the defense of any claim shall also void coverage if such failure to cooperate is not rectified upon written notice.

SECTION VI ENTIRE AGREEMENT

6.1. This Participation Agreement, together with the Trust Fund Bylaws, the applicable Master Contracts, if any, as limited by SDCL tit. 62, constitute the entire agreement between the parties and may not be changed or altered, except in writing approved by all signatories to this Participation Agreement

6.2. This Participation Agreement shall be construed under the laws of the State of South Dakota, notwithstanding the conflict of law provisions as enunciated by the South Dakota Supreme Court or enacted by the Legislature.

SECTION VII MEMBERS' OBLIGATIONS

Each MEMBER agrees to be bound by all of the terms of the Trust Bylaws, as amended from time to time, and to abide by the rules, regulations, and policies promulgated by the Trust Board for administration of the TRUST. In addition, each MEMBER shall:

7.1. When a work-related injury to an employee covered by this Participation Agreement occurs, the MEMBER shall IMMEDIATELY complete the EMPLOYER'S First Report of Injury form, promulgated by the South Dakota Department of Labor, and file the form with the Department of Labor and provide a copy to the Claims Administrator. Failure of the EMPLOYER to provide First Report of Injury as required by this Section and SDCL 62-6-2 shall void coverage under this Participation Agreement as to such injury.

7.2. Provide employees with a form for notifying the EMPLOYER of the occurrence of an injury. The EMPLOYER shall notify all employees, in a manner calculated to come to their attention, of the requirement that the employee provide notice to the EMPLOYER of work-related injury within three (3) business days after its occurrence. **Failure of the employee to give the notice may result in no coverage under the Workers' compensation laws of South Dakota.**

7.3. Initiate and maintain a loss control program and follow recommendations of the TRUST, its Claims Administrator, Trust Administrator, and Risk Manager, if any, to promote the general welfare of its employees and the safety of their working environment. Each MEMBER remains solely and individually responsible for all decisions concerning its safety program and practices, and may not rely upon the evaluation of TRUST agents, if any, in making final decisions concerning the MEMBER'S safety programs and risk management practices.

7.4. If any notice of employee injury or claim is made or other proceeding is brought against the MEMBER under the Workers' compensation laws of South Dakota, the MEMBER shall IMMEDIATELY transmit to the Claims Administrator and Trust Administrator any demand, notice of injury, summons, or other process received, and prepare such claim forms as may be required by the Workers' compensation laws of South Dakota, the TRUST, or the Claims Administrator to process such proceeding, or claim. Failure of the MEMBER to provide a copy of any summons or complaint or a petition for or notice of hearing before the South Dakota Department of Labor received by the MEMBER within ten (10) days of service thereof, or within ten (10) days of admitting service thereto, shall void coverage under this Participation Agreement.

7.5. The MEMBERS shall cooperate with the TRUST and the assigned attorneys and, upon request, shall attend hearings and trials and shall assist in effectuating and implementing settlements, securing and giving evidence, providing documents, gaining the attendance of witnesses, and otherwise fully cooperate in the conduct of hearings or proceedings. The MEMBER shall not, except at its own cost which shall not be reimbursed by the TRUST, voluntarily make any payment, assume any obligation, or incur any expense other than for immediate emergency medical services, unless such expenditure shall have been preapproved by the TRUST, the assigned attorney, or the Claims Administrator.

7.6. Each MEMBER shall make prompt payment of all contributions and assessments as required by this Participation Agreement and the Trust Bylaws.

7.7. The MEMBER does hereby appoint the Trust Administrator as agent to act on the MEMBER'S behalf to file reports, confess judgment, or to arrange for payment of claims, medical expenses, and other costs and to do all things required or necessary insofar as they affect the MEMBER'S liability, subject to Section 2.2 herein. The MEMBER hereby appoints the attorney designated by the Executive Director of the ASBSD or his designee to represent the MEMBER in any proceeding for which a defense or prosecution is undertaken.

7.8. The MEMBER agrees that upon payment of any loss or the incurring of any expense or liability by the TRUST under this Participation Agreement, the TRUST is subrogated to the extent of such payment or liability to all rights of the MEMBER against any person or other entity legally responsible for such damages or losses. The MEMBER agrees to execute a specific subrogation agreement as necessary, and to render all reasonable assistance, other than pecuniary assistance, to affect recovery under the rights of subrogation transferred herein and shall refrain from any act or omission which will likely impair such right of subrogation.

7.9. The Trust Board, its designee, the Claims Administrator, or the Trust Administrator, and any of their agents, servants, employees, or attorneys are permitted at all reasonable times to inspect the MEMBER'S workplaces, plants, works, machinery, buildings, records, and appliances relating in any manner to the subject of this Participation Agreement, and shall be permitted, within three (3) years following closure of any claim, to inspect any contract, document, or other record which shows or would tend to show or verify contributions which are payable or were paid to the TRUST. So long as a claim is pending against a MEMBER and being defended by the Trust, the obligation to cooperate and assist in the defense shall remain in force regardless of whether membership continues.

7.10. The MEMBER by adoption of this Participation Agreement; hereby elects to treat officials of the district, including school board members, as employees per SDCL 62-1-2 for the purposes of Worker Compensation coverage while in the performance and scope of their duties.

SECTION VIII MAXIMUM COVERAGE LIMITATIONS

As to any COMPENSABLE INJURY under this Agreement as specified in the Master Contract, pursuant to the Workers' compensation laws of South Dakota, the maximum liability undertaken by the TRUST for any single occurrence is:

8.1. For work-related injury, One Million Dollars (\$1,000,000).

8.2. For work-related disease, One Million Dollars (\$1,000,000).

8.3. For employer liability, when an election is made by an employee under SDCL 62-4-38 or otherwise, One Million Dollars (\$1,000,000).

The coverage amounts in this Section may not be accumulated in any manner to exceed One Million Dollars (\$1,000,000).

SECTION IX CONTRIBUTION AND TERM OF COVERAGE

The projected contribution payable for coverage under this Participation Agreement is as set forth in the Adoption and Renewal Motion, attached hereto and incorporated herein by this reference, if duly executed by an authorized representative of the TRUST and approved by the MEMBER'S governing board. Coverage is on an annual basis or such shorter period of time as specifically identified in said Adoption and Renewal Motion. RE: Worker's Compensation Insurance and Property & Liability Insurance

The District's Worker's Compensation insurance renewal for 2016-2017 is a couple thousand dollars less than the previous year with no changes to coverage.

The District's Property & Liability insurance renewal for 2016-2017 is about \$12,330 more than last year. There are some things to note as follows:

- With the elementary construction and the acquisition of the transportation facility our property values increase about \$23 million. This increase in value pushed our rates up about \$22,000.
- ASBSD is suggesting a local agent fee of \$15,040. Rick Long at American Trust Insurance received \$7500 for his services this year and is willing to be our local agent during 2016-2017 for \$7500.
- Our deductible per claim is being raised from \$500 to \$5000. This change should help keep rates down.
- We don't have too many property damage claims where the increased deductible will come into play, about 4 per year at the \$500 level. Of the 9 claims in the last 2 years, only 2 exceeded \$5000. The broken water pipe and flood at the HS in May, 2015 and the hail on the fleet vehicles in June, 2015. Most of the other claims were in the \$1,000 to \$3,000 range and most of these were minor vehicle damage claims.

I recommend renewing both coverages.

Another change members will experience this year is an increase in property deductible. We acknowledge a \$500 deductible is outdated and raising it allows us to be more flexible in the overall program and gave us the ability to add the enhancements above. For school districts with a "Total Insured Value" (TIV) over \$25 million a \$5,000 per claim property deductible will be enforce and for districts with less than \$25 million in TIV a \$2,500 deductible per claim will be enforced starting July 1, 2016. Your respective property deductible will apply to building, auto, and content losses. All other deductibles remain the same.

With feedback from the ASB Property/Liability Fund Advisory Committee consisting of superintendents and business managers a new premium allocation formula has been introduced for 2016-2017. Each district's rate is based on claims

experience with specific parameters in place. We feel the new formula allows for a greater level of equity among member school districts.

With all the program enhancements the range of increases to school district premium in the fund was a minimum of 2% and a maximum of 9%.

We are planning webinars to roll out all of these changes in the near future. Detailed information on the webinars will come in separate communications.

ASBPT's Broad Service Platform

We have created a broad, competitive program specifically with South Dakota School Districts in mind. Our services have continually evolved over our 25 year history, and are regularly enhanced based on direct feedback from our school leaders and our Property/Liability Advisory Committee that meets throughout the plan year.

ASBPT keeps business local to South Dakota

ASBPT recognizes the importance to keeping business local to South Dakota. *Associated School Boards of South Dakota*, the administrator of the Protective Trust is located in Pierre, SD. Our third-party claims administrator is *Claims Associates, Inc.* based in Sioux Falls and Rapid City, SD. Lastly, *Tieszen Law Office, LLC* is the Trust's legal counsel and is located in Pierre, SD.

Risk Pool Protection

By being a member of Associated School Boards Protective Trust you have the protection of being a member of a Governmental Risk Pool. Your district will share risk from catastrophic losses with over 50 other South Dakota school districts. The Protective Trust is built on serving only South Dakota school districts and their interests. We differ from commercial insurance carriers because we do not have a profit margin to meet. Any "profits" the property/liability fund earns over time stays with the fund to help offset future potential premium increases.

Our only goal is to provide comprehensive, stable, efficient and affordable insurance coverage to our member districts.

Professional Affiliations

Associated School Boards Protective Trust is either a member, partner or sponsor with the following professional organizations:

- Association of Governmental Risk Pools (AGRIP)
- School Administrators of South Dakota (SASD)
- South Dakota Association of School Business Officials (SDASBO)
- South Dakota School Superintendents Association (SDSSA)
- South Dakota Council of School Attorneys (COSA)

We hope you see our coverages and policy limits are unmatched as well as our competitive premium. We also hope you notice our dedication to serving school districts and how this program is tailored directly to serving school districts and trying to mitigate any exposure to claims the district may have.

Thank you for the opportunity to allow the Protective Trust to serve you and to enjoy our affordable, comprehensive insurance program tailored solely for South Dakota School Districts.

Please do not hesitate to contact me with any and all questions on your ASB Property/Liability Fund renewal.

Cordially yours,

Additional Property/Liability Program Benefit Enhancements

- The Protective Trust has a strong partner in Associated School Boards of South Dakota. Because of this we can offer very competitive and unique risk management opportunities that commercial carriers cannot match. That is why we offer the following benefits to members of ASB Property/Liability Fund:
 - 1 **FREE** registration to the School Law Seminar hosted annually by COSA.
 - 1 **FREE** registration to the Collective Bargaining Workshop hosted annually by ASBSD.
 - 1 **FREE** registration for your district's new superintendent to attend the Aspiring Superintendent Workshop sponsored by SASD.
 - 1 **FREE** registration for your district's new business manager to attend the Debit/Credit Workshop sponsored by SDASBO.
- Boiler Inspections
 - Inspections are scheduled on behalf of school districts and performed by Hartford Steam Boiler.
- Roof Inspections
 - Tremco is contracted to provide inspections and the reports for school districts assists them in planning and budgeting for future capital outlay projects based on the remaining life expectancy of their roofs.
- Building Appraisals and Values
 - Participating members receive, on a three year cycle, an updated appraisal and value of their building and contents at no charge.
 - ASP Property/Liability Fund **does not** have a coinsurance provision, that means if a building is insured for \$15,000,000 and a cover peril completely destroys a building, and it costs \$18,000,000 to replace, the fund will still pay full replacement cost.
 - We feel it is an important provision to give school administrators a sense of peace knowing their buildings are completely covered.

In consideration of timely payment of the MEMBER'S contribution, as described in this Participation Agreement, the TRUST agrees:

2.1. The TRUST will pay promptly, when due, those sums that the MEMBER becomes legally obligated to pay as damages, **other than punitive or exemplary damages**, because of personal injuries or property damage caused by an occurrence **as defined and limited by the applicable Master Contract** which defines coverage and this Participation Agreement. Copies of the applicable Master Contracts are available to all participating MEMBERS at the office of the Trust Administrator.

2.2. The TRUST will defend any proceeding against the MEMBER seeking damages on account of personal injuries, property damage, or errors and omissions, and will defend any such suit against the MEMBER alleging damages or injuries, within the scope of coverage of the Master Contract, even though such proceeding or suit is determined to be groundless, false, or fraudulent. The TRUST may make such investigation, negotiation, and settlement of any claim or suit as it deems appropriate and expedient. Should the MEMBER'S governing board refuse to approve such settlement, such MEMBER will be solely and individually liable for any amount ultimately awarded, including defense costs in excess of the settlement amount, as a result of such claim, and such MEMBER shall indemnify and hold the TRUST harmless for any such amount in excess of the Settlement Amount.

2.3. The TRUST will pay all expenses incurred by the TRUST, all costs taxed against a MEMBER in a proceeding or suit, and all interest accruing after entry of judgment, until the TRUST has paid, tendered payment, or deposited in the court all or part of such judgment that does not exceed the limits of liability established herein. from the MEMBER by the TRUST, prior to expiration of coverage under this Agreement, constitutes a claim made under this Agreement.

2.5. Any change in classification, rates, or rating plans that is or becomes applicable to any coverage under this Participation Agreement as a result of a change in any law regulating such coverage or because of any amendment affecting the benefits provided by the Participation Agreement shall commence upon the effective date thereof. Each MEMBER shall maintain records of all information necessary for contribution computation and shall provide such information to the TRUST at any time during or after the benefit period as the TRUST may direct.

SECTION III EXCLUSIONS

3.3. In the event a court of competent jurisdiction were to finally conclude that SDCL 13-24-20 is unconstitutional and void, Section 3.2 shall be without effect and, in that event, coverage, if any, shall be as provided in the applicable Master Contract.

3.4. No underinsured motorist or uninsured motorist coverage is provided for the benefit of any employee of a MEMBER.

4.20. Entering into an Administrative Services Agreement with a third party delegating the responsibilities and authorities of management of the Trust Obligations upon the approval and advice of the Trust Board.

SECTION V MISCELLANEOUS

5.1. Coverage Cost. The coverage year shall run from July 1 through June 30 of each year. At least sixty (60) days prior to the end of the coverage year, the Trust Administrator shall calculate and determine each MEMBER'S contribution for the ensuing year and shall notify each MEMBER of said amount. General rating policies may be established by the Trust Board to determine contributions for new MEMBERS. Thereafter, each MEMBER'S loss/claim experience, any other cost associated with coverage's or services to that MEMBER, as well as the total TRUST experience, will be used to establish each MEMBER'S individual contribution.

5.2. Contribution. Each MEMBER'S contribution to the TRUST for a coverage year shall be the amount established by the Trust Administrator and provided to the MEMBER upon invoice. This contribution is subject to assessment in the manner provided in the Trust Bylaws. Membership shall be for one (1) year on an annual basis, provided however, that a new MEMBER may join on a prorated basis for any coverage year at a contribution level established by the Trust Administrator.

5.3. Membership. Membership in the TRUST is subject to approval by the Trust Board and is subject to the provisions of the Trust Bylaws.

SECTION VI WITHDRAWAL AND TERMINATION

6.1.a. A MEMBER may **withdraw** from membership **at any time** during the coverage year by giving notice in writing not less than sixty (60) days prior to the effective date of termination of coverage. In the event of early withdrawal by providing the sixty (60) day notice established in this section, the MEMBER shall be entitled to the return and refund of seventy-five percent (75%) of its current contribution prorated to the date of withdrawal. Early termination of coverage shall constitute abandonment of the MEMBER'S right to any future distribution of excess reserves.

6.1.b. **Failure of a MEMBER to provide written notice of its intention not to renew coverage for a subsequent coverage year no later than May 31 of any coverage year shall constitute a binding commitment on the part of the MEMBER to renew membership for another year at the contribution rate established by the Trust Administrator prior to the renewal date.**

6.2. A MEMBER may be terminated from membership as set forth in the Trust Bylaws. In addition, failure or refusal of a MEMBER to cooperate, participate, and assist in the defense of a claim or proceeding against the MEMBER shall constitute grounds for termination of membership, subject to review by the Trust Board. Failure to cooperate, participate, and assist in the defense of any claim shall also void coverage if such failure to cooperate is not rectified upon written notice.

SECTION VII ENTIRE AGREEMENT

7.1. This Participation Agreement, together with the Trust Bylaws and the applicable Master Contracts, constitute the entire agreement between the parties and may not be changed or altered, except in writing approved by the MEMBER and the Trust.

7.2. This Participation Agreement shall be construed under the laws of the State of South Dakota, notwithstanding the conflict of law's provisions as enunciated by the South Dakota Supreme Court or enacted by the Legislature.

SECTION VIII MEMBERS' OBLIGATIONS

Each MEMBER agrees to be bound by all of the terms of the Trust Bylaws, as amended from time to time, and to abide by the rules, regulations, and policies promulgated by the Trust Board for administration of the TRUST. In addition, each MEMBER shall:

8.1. Each MEMBER remains solely and individually responsible for all decisions concerning its safety programs and practices, and may not rely upon the evaluation of TRUST agents, if any, in making final decisions concerning the MEMBER'S safety programs and risk management practices.

8.2. If any claim or suit is made or other proceeding is brought against the MEMBER, the MEMBER shall IMMEDIATELY transmit to the Trust Administrator **and** the Claims Administrator any demand, notice of injury, summons, or other process received, and prepare such claim forms as may be required by the Trust Administrator or the Claims Administrator to process such proceeding, claim, or suit. **Failure of the MEMBER to provide a copy of any summons and complaint received by the MEMBER within fifteen (15) days of service thereof, or within fifteen (15) days of admitting service thereto, shall void coverage under this Participation Agreement and any Master Contract.**

8.3. The MEMBERS shall cooperate with the TRUST and the assigned attorneys and, upon request, shall attend hearings and trials and shall assist in effectuating and implementing settlements, securing and giving evidence, providing documents, gaining the attendance of witnesses, and otherwise fully cooperate in the conduct of suits, hearings, or proceedings. The MEMBER shall not, except at its own cost which shall not be reimbursed by the TRUST, voluntarily make any payment, assume any obligation, or incur any expense other than for immediate emergency first aid, unless such expenditures shall have been preapproved by the TRUST, the assigned attorney, or the Claims Administrator.

8.4. Each MEMBER shall make prompt payment of all contributions and assessments as required by this Participation Agreement and the Trust Bylaws. **Failure to make timely payment of a contribution voids coverage under this Participation Agreement.**

8.5. The MEMBER does hereby appoint the TRUST as agent to act on the MEMBER'S behalf to file reports, confess judgment, or to arrange for payment of claims, medical expenses, and other costs, and to do all things required or necessary insofar as they affect the MEMBER'S liability, subject to Section 2.2 herein. The MEMBER hereby appoints the attorney designated by the Executive Director of the ASBSD or his designee to represent the MEMBER in any proceeding for which a defense is afforded.

8.6. The MEMBER agrees that upon payment of any loss or the incurring of any expense by the TRUST under this Participation Agreement, the TRUST is fully subrogated to the extent of all such payment to all rights of the MEMBER against any person or other entity which is or may be legally responsible for such damages or losses. The MEMBER agrees to execute a specific subrogation agreement as necessary, and to render all reasonable assistance, other than pecuniary assistance, to affect recovery under the rights of subrogation transferred herein and shall refrain from any act or omission which will likely impair such right of subrogation.

8.7. The Trust Board, its designee, the Claims Administrator, or the Trust Administrator, and any of their agents, servants, employees, or attorneys are permitted at all reasonable times to inspect the MEMBER'S workplaces, plants, works, machinery, buildings, records, and appliances relating in any manner to the subject of this Participation Agreement, and shall be permitted, within three (3) years following any claim, to inspect any contract, document, or other record which shows or would tend to show or verify contributions which are payable or were paid to the TRUST. So long as a claim is pending against a MEMBER and being defended by the Trust, the obligation to cooperate and assist in the defense shall remain in force regardless of whether membership continues.

SECTION IX MAXIMUM COVERAGE LIMITATIONS

9.1 As to any PROPERTY LOSS, as that term is defined in the current applicable Master Contract, the maximum liability undertaken by the TRUST for any single occurrence is replacement cost of the property, \$250,000,000 limit.
