Spring Season 2021-2022

Mike Galimberto, Athletic Director

### **SPRING SPORTS UPDATE**

**HS BASEBALL:** Good Evening, hopefully everyone is enjoying the start of spring/summer weather this week. The baseball season is coming to a close with one more game against Bronaugh tomorrow. We are not playing in districts this year due to not having enough players on the team. Both teams tomorrow will play a 8 versus 8 game. Bronaugh is in the same boat we are. This year we have focused on the basic understandings of baseball. The 8 boys who are left have managed that and are enjoying it. We haven't won a game yet but hope to end this year on a high note. Thank you for the continued support! Also I would like to say thank you for giving me the opportunity to be a para, substitute teacher, baseball coach, basketball coach and everything in between. Thank you for letting me work in this amazing school district and I will be forever grateful for all that I have learned since being here. I have loved every second of being able to do what I love. And always GO PANTHERS!!

**HS TRACK/FIELD:** On Saturday May 7th, the track team traveled to Skyline High School for the Class 1 District 7 track meet. Overall the meet was a big success with several athletes qualifying for Sectionals that will take place this Saturday May 14th at School of the Ozarks. Kim Colbert placed 1st in both the 100mh and 300mh set new school records, Maddy Garren placed 3rd in the 400m setting a new school record, Maddy also set a new record in the 800m, The girls placed 1st in the 4x100 relay and 2nd in the 4x200 relay setting new school records in both of those events, and finally the boys placed 2nd in the 4x200 relay. I am so very proud of this team and what they have accomplished, they have worked so hard and made the best of every opportunity they have been given and it's paying off. I couldn't ask for a better group of athletes and I'm excited for this weekend.
