Requirements:

❑ Treat 2021 like it's a person. Write DIRECTLY to 2021 (Be honest-tell 2021 exactly what it did right, wrong, and why you are moving on.)

❑ 3 paragraphs including salutation (greeting and closing)

      Paragraph 1-positives of 2021

      Paragraph 2-what you are leaving behind in 2021

      Paragraph 3-goals/looking forward to 2022

❑ Avoid text lingo (text message words) and use appropriate spelling, grammar, and sentence structure.

❑ Transition from one sentence to the next and explain your reasons and ideas.

❑ This should not read like a list.

❑ Most importantly, let your personality shine through and be CREATIVE!

❑ You will type your letter in a Google doc, therefore you have access to a spell checker. You can also use Google to look up the spelling of words.

❑ This is due at the end of class today, and it is for a grade. Do your best work and have fun with it.

2021, You've taught me....

(list things you have learned about life or yourself in 2021)
