

Breakout Room Discussion

Elements & Principles of Art & Design

Instructions :

The person in the breakout group whose birthday is closest to today will get to speak first, then, whomever is next will follow suite.

Start by choosing which art work to study and discuss.

Name the Element or Principle of art & design
that you see as playing a major role in the impact of the image.

Continue the discussion by opening up the floor to each other to...

Explore & share your thoughts on :

- How the effect of these choices helps to create an affect.

- ... an impact emotionally or creates a mood

- ... how the image is arranged (composition)

- & using the physical space of the (rectangle or square) of the picture(s)

Then, as you finish that discussion...

The next person may have the floor.

Select another image & identify which Element or Principle of Design seems to be playing an important role and continue the discussion as previously explained.

See the SELECTED images below...
