

CENTRAL INTELLIGENCE AGENCY

URGENT.

The US is switching back to a gold standard of currency, and our country's gold is not safe. We have gotten word that [REDACTED] is trying to steal the last of the unclaimed gold. It is hidden in a box at [REDACTED]. You must crack the code to unlock the box. The following codes will help you:

- [REDACTED]
- [REDACTED]
- [REDACTED]

Use your surroundings to get further information. Anything around the box could be a clue.
