Saturdays

April 1, 8, 22, 29 & May 6

8:45 AM to 12:00 PM

Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the Sachem Central School District, is pleased to introduce an exciting Saturday Enrichment Program for elementary school students. We are delighted to be able to offer this program to your children in the hope of providing them with enriching ways to expand their learning while having fun.

The program will be held on five Saturday mornings. The dates are: April 1, 8, 22, 29 & May 6. The courses will run from 8:45 a.m. - 10:15 a.m. and 10:30 a.m. - 12:00 p.m. Please complete the attached registration form or register online by **Friday, March 17th**.

Again, we are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,
Marie O'Doherty
Program Director

SATURDAY ENRICHMENT COURSES

Session 1: 8:45 a.m. - 10:15 a.m.

Session 2: 10:30 a.m. - 12:00 p.m.

AROUND THE WORLD

Have you ever wondered how to say hello in Spanish or Chinese? Or what holidays are celebrated in Italy or Mexico? Grab your passport because this class will take you on a “field trip” to interesting countries all over the world! We will read about customs and traditions, learn about common children’s songs, and play school games. If you are open-minded and interested in learning about different places across the globe, this class is the one for you!

Course #1 - Session 1 - Grades 3-5

Course #2 - Session 2 - Grades K-2

ARTISTIC EXPLORATION

Do you like to paint, draw, and build things out of clay? In this class we will explore different cultures and artists around the world. We will create fun and innovative projects that inspire imagination and creativity. If you love art and enjoy learning new things, then this is the class for you! We might get messy, so don’t forget to bring your smock!

Course #3 - Session 1 - Grades K-2

Course #4 - Session 2 - Grades 3-5

CODING FOR KIDS!

Do you enjoy playing video games and using apps? Would you like to know how they are made? Join our class and learn the basics of computer programming. You will learn how to code so you can begin designing your own games and apps!

Course #5 - Session 1 - Grades K-2

Course #6 - Session 2 - Grades 3-5

CRAZY SCIENTISTS

Science is experimental, exploratory and exciting! It's about the **"Aha!" moments** in life, like when you figure out how something works or when you're amazed by the result of an awesome experiment. You will have the opportunity to learn about science through our interactive and hands-on science activities that will be sure to spark your imagination! So c'mon and get messy! Let the discovery and exploration begin!

Course #7 - Session 1 - Grades 3-5

Course #8 - Session 2 - Grades K-2

NO BAKE N' SNACK

Do you enjoy making tasty foods and snacks? Join us as we explore recipes from snacks and sauces to dips and desserts. In this class the students are the chefs. The chefs will prepare and taste fun snacks, and learn how to work safely and be responsible in the kitchen. The chefs will also create and design their very own cookbook from the recipes we used in this course. This class is a tasty place to learn and have fun! Bon appétit!

Course #9 - Session 1 - Grades 3-5

Course #10 - Session 2 - Grades K-2

SPORTS AND FITNESS FUN

Run a wacky race, toss bean bags at targets, play basketball and much more. Have loads of fun with your friends while improving physical fitness and teamwork skills. Enjoy the benefits of a healthy, active lifestyle while learning cooperation skills through physical fitness activities and sports. Leave behind the T.V. and video games and come join in the action! THE FUN IS HERE!
