Greetings,

Hopefully, March will consistently bring us the warmer spring temperatures that are no doubt the better alternative to what we had in February. Also, warmer weather tends to bring back dress code concerns so please make sure you know what your Bronco is wearing to school each day. Our dress code is posted on our website and located in every student's agenda as a reference. Thank you in advance for helping us monitor what kids wear to school each day.

Dr. Wilcox, CMS Superintendent, announced earlier this week that the district will waive the 3rd make-up day on March 29 so students will begin their Spring break as planned with 3rd quarter ending on March 28. March 29 will revert back to the originally scheduled teacher workday!

Attention 8th grade families! Our 8th Grade promotion Ceremony will be held **June 7, 2018 at The Park Church**, located at 6029 Beatties Ford Rd, Charlotte, North Carolina 28216. Doors will open at 5:00 pm and the program will begin promptly at 6:00 pm so don't be late! ***Seating is limited to a total of four guests per student to ensure ample seating for every family. This is a semi-formal event so shorts are not permitted.***

Kudos to our Broncobots Robotics Team for taking first place in the category of "Teamwork" this past weekend at their tournament. Members of the team attending were: Nathan Schneider, Samantha Mell, Megan Wentz, Riley Bogart, Ethan Morton, Will Klemp, and Tara Penman.

Shout-out to the students listed below for their proactive response to being a leader in subtle ways and through larger acts within Mrs. Reiss' art class. They were recognized on her "Leaders Leave A Mark" tree for being standouts in their class.

September - Shkayla Brice-Carr and Kaitlyn Kosicki

October - Racheal Lorenz

November - Carson Cameron

December - Roxy Boardman and Racheal Lorenz

January - Keira dittenHoefer

February - Jeffrey Albano

Social Media Tip-of-the-Week

Fake news has become quite the catalyst for kids and adults to kneejerk, repost, or discuss something from a headline they saw that may or may not even be real. Talk to students about Habit # 5..."Seek first to understand, then be understood"...get all the facts about something or someone before voicing your opinion on social media.

Create a great day,

Chad O. Thomas
Principal
