## **Attendance**

In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17<sup>th</sup> birthday. If a child is not six years of age on or before the first day of September in a particular school year, parents and guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.

In accordance with the South Carolina Compulsory School Attendance law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of a school day.

All absences beginning with the first shall be approved or disapproved by the board's designee, the building principal. In making this decision, the principal shall be guided by the procedures as presented herein. Decisions regarding approval of absences and eligibility for credit may be appealed in accordance with district policy.

Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a healthcare professional, for all absences within two (2) days of the student's return to school. The written excuse should include the reason for and the date of absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. School will use the criteria below when deciding whether an absence is lawful or unlawful.

### **Lawful Absences**

- Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within two (2) days of the student's return to school.
- Absences due to an illness or death in the student's immediate family verified by a statement from the parent within two (2) days of the student's return to school.
- Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.
- Absences for students whose parents/guardians are experiencing a military deployment. Specifically absences when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or legal guardian relative to such leave or deployment of the parent or legal guardian.
- Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

### **Unlawful Absences**

- Absences of a student without the knowledge of his or her parents
- Absences of a student without acceptable cause with the knowledge of his or her parents
- Suspension is not to be counted as an unlawful absence for truancy purposes

## **Absences**

For students in grades K-12, principals shall promptly approve or disapprove any student's absence in excess of ten (10) days, whether those absences are lawful, unlawful, or a combination of the two. A student does not exceed the 10 day absence limit until the student has reached his or her 11<sup>th</sup> unlawful absence. Furthermore, a

student does not exceed the 5 day absence limit for a 90 day course until the student has reached his or her 6th unlawful absence.

### **Truancy**

Although the state requires students to only attend 170 of the 180-day school year, parents and students should be aware that SC Code of Regulations-Chapter 43-274 stipulates that a child ages 6 to 17 year is considered truant when the child has three consecutive unlawful absences or a total of five unlawful absences. For purposes of this section (truancy and compulsory attendance), a parent may provide up to 10 parent notes excusing a student's absence, 5 parent notes in a 90-day course, and 3 parent notes in a 45-day course. However, in order for any subsequent absence related to an illness to be lawful it must be supported by a physician statement/medical note.

### **Student Behavior Code**

The District expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. This requirement refers to their actions toward other students and teachers, their language, their dress and their manners.

Students have a responsibility to know and respect the policies, rules and regulations of the school and District. Violations of such policies, rules and regulations will result in disciplinary actions. The school directs students to the District's Behavior Code set forth in [Policy JCDA](#) and this handbook. Schools are authorized to incorporate the use of electronic devices, including cell phones, tablets and other similar devices, into the school environment when appropriate to enhance learning and student achievement. Schools will establish rules and expectations for student use of electronic devices, and students will be disciplined in accordance with this policy for any inappropriate or unauthorized use of a device. School authorities are authorized to employ probation and suspension and to recommend expulsion, if necessary, to enforce this policy.

It is the philosophy of the District to handle all student disciplinary matters at the lowest supervisory level possible and in the most reasonable manner possible. Disciplinary action will be taken in accordance with appropriate procedural rights being afforded to students and their parents/guardians as provided by State law, State Board of Education regulation, and/or the policies of this District.

The Board and the administration offer the following listing of offenses and the required or recommended dispositions for the information of students, parents/legal guardians and school personnel.

These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities and/or action by the Board.

Whenever a student is engaging or has engaged in activities including, but not limited to, one of the acts specified below, while on school property or at a school sanctioned or sponsored activity which a principal or his/her designee has reason to believe may result, or has resulted, in injury or serious threat of injury to a person or to his/her property, the principal or his/her designee is required to notify law enforcement officials.

Students should dress for the educational setting and not the recreational one. The principal may create further guidelines regarding student dress which are consistent with the guidelines below.

Repeated violations of the dress code will be treated as disruptive behavior in violation of the District's Behavior Code.

## **Transportation**

### **Discipline**

In order to ensure the safety of all students riding buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is an extension of the classroom and should be considered part of the school day. The issue of safety requires students to be on their best behavior while on school buses or vehicles. Violations of school bus rules will be addressed in the manner listed below.

The School District Behavior Code (Board Policy JCDA) is in effect for all students at all times when being transported on school buses to and from school or school activities. ## **Procedures for Transporting 4k, 5k and 1st Grade Students**

For safety reasons, all K4, K5 and 1st grade students will receive a numbered ID tag from the school prior to boarding the bus in the afternoon. The tag must be visible to the driver. As the student departs the bus in the afternoon, the driver will collect the student's identification tag. The driver will retain the tag and deliver all tags to the school the following morning. The school will distribute the tags to the respective teacher or staff member so the tags can be put on the student before afternoon bus dismissal.

Each 4K, 5K and 1st grade student must wear a bus tag while being transported from school for the entire school year. The student tag shall include the following information:

Front:	Back:	
Student Name	Student address	unique number
[ ] Student designee name (4th grade or above)		
Route number		

### **Parent Responsibilities:**

The parent/guardian is responsible for properly registering their student(s) at the designated school and ensuring that all information provided on required forms is accurate and current. The parent/guardian is responsible for updating this information at the school whenever changes occur.

The parent/guardian must be present at the regular bus stop both during the morning pickup and afternoon drop-off of their 4K, 5K or 1st grade child. The parent/guardian will be given four (4) numbered cards to distribute to any designee to be at the bus stop in their place. The designee may be another adult or student designee (4th grade or higher). A Bus Tag Application is to be furnished by the school, completed and returned by the parent/guardian to the school before the student rides the bus. One person may serve as designee for multiple children. The parent/guardian is ultimately responsible for the safety and conduct of his/her child at the regular school bus stop.

If a 4K, 5K or first grade student is preparing to depart the bus at their assigned stop, whether alone or in a group, and the parent/guardian/designee with the numbered card is not present at the bus stop, the student will be returned to his/her elementary school. When a student is returned to the elementary school, school staff will contact the parent/guardian. If the parent/guardian cannot be located, the matter could be referred to Greenville County Schools Law Enforcement Division, appropriate local Law Enforcement Agency, and/or the Greenville County Department of Social Services (DSS).

Incidents of the parent/guardian/designee with the numbered card not being at the bus stop for afternoon drop-off will result in all transportation services being discontinued according to the following schedule:

- First Incident: Warning to parent by school with review of future consequences
- Second Incident: 3 days off the bus
- Third Incident: 5 days off the bus
- Fourth Incident: 10 days off the bus
- Fifth Incident: Removal from bus for the remainder of school year

The school administration will implement the above schedule without a bus driver referral and notify the appropriate bus center of the effective dates of loss of bus transportation services. Only the Superintendent or his or her designee may make exceptions to the provisions contained in this administrative rule.

## **Anti-Bullying and Safe Schools**

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. In order to create and maintain an atmosphere that promotes learning and prevents disruption, the District has implemented the following procedures to address student concerns, complaints, and grievances in regards to bullying, discrimination, harassment, intimidation or misconduct as provided in Board Policy and Administrative Rule JCDAAG. All formal complaints of any allegation of bullying, discrimination or harassment will follow the below process, except for complaints filed on the basis of sex (Title IX), which will follow the procedures contained in that Section II below.

### **Reporting Bullying, Harassment & Discrimination**

Any student who believes that he/she has been subject to harassment, intimidation, bullying or misconduct by other students, employees of the District or third parties in the school setting should immediately inform the school's administration and may also file a formal complaint under Board Policy and Administrative Rule JCDAAG.

All complaints should be filed with the principal or his or her designee within sixty days of the date of the alleged incident using the Complaint Form attached to Rule JCDAAG. Complaints may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Ombudsman. Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV pertaining to staff and adult interactions with students. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

### **Investigation**

Complaints will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions to end the harassment, intimidation, or bullying and prevent such misconduct from occurring again. A meeting will be scheduled within ten working days of the complaint with the complainant to discuss the complaint. The student and his/her parent(s) shall be informed in writing of the outcome of the investigation but all discipline of students and staff will remain confidential. The written notice will also outline the complainant's right to appeal.

### **Appeals**

An appeal related to disability discrimination or harassment should be made to the District's Section 504 coordinator. An appeal regarding color, race, or national origin discrimination or harassment should be made to the District's Title VI coordinator. The email contact information for the Section 504 Coordinator and Title VI Coordinator is [Section504@greenville.k12.sc.us](mailto:Section504@greenville.k12.sc.us) and [TitleVI@greenville.k12.sc.us](mailto:TitleVI@greenville.k12.sc.us). Both may also be contacted by mail at Post Office Box 2848, Greenville SC 29602 or by phone at 864-355-3100.

The appeal shall state the reasons for which the complainant is appealing the initial decision. The coordinator will examine the evidence presented by all the parties, and may conduct a meeting with both the complainant and the school principal or designee if needed. The coordinator must provide a written decision to the complainant within 10 working days of receiving the complainant's written appeal. The coordinator shall inform the complainant of the right to appeal to the Superintendent or his/her designee. If a coordinator or the Superintendent or his/her designee is alleged to be involved in the complaint, the District will appoint an objective and impartial administrator to address the complainant's appeal at that level.

If a student or parent/guardian is dissatisfied with the action or decision of the Coordinator, they may appeal the decision to the Superintendent or his/her designee within 10 working days of the decision of the Coordinator. The appeal shall be in writing and shall state the reasons for the appeal. The superintendent or designee, in his or her discretion, may choose to have a meeting with the complainant and the coordinator. The Superintendent or designee shall provide a written determination to the complainant and take appropriate action within 10 working days after the receipt of a written appeal.

## **Title IX Complaints (Sex-Based Discrimination/Harassment)**

The District, as required by Title IX of the Education Amendments Act of 1972 and its corresponding regulations ("Title IX"), does not discriminate on the basis of sex in its education program or activities. Title IX prohibits sex-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex even if those acts do not involve conduct of a sexual nature. The District prohibits discrimination and harassment on the basis of sex in all of its programs and activities by its employees, students or third parties.

### **Reporting**

Any student (or parent/guardian of student) who believes they have been the subject of sex-based harassment or discrimination should contact the school's administration immediately. A formal complaint may be filed in accordance with Administrative Rule JCDA. Even if a formal complaint is not filed related to a Title IX concern, the District must still conduct a thorough review into the concern and implement appropriate supportive measures and disciplinary consequences and provide a written summary to the student/parents related to its efforts and actions.

### **Investigation**

A school's Assistant Principal or other appointed school administrator (investigator) will initiate an investigation of any formal complaint of alleged sex discrimination, sexual harassment, sexual violence, or inappropriate conduct of a sexual nature reported to them in consultation with the District's Title IX Coordinator following the detailed process outlined in Administrative Rule JCDA. The school's Principal will then separately review the findings of that investigation and render a determination as the decision-maker. If an allegation is made against a non-student, including an employee, the District Employee Relations Representative will serve as the investigator and a director in the District's Human Resources Department will serve as the decision-maker. A parent or legal guardian or Title IX Coordinator may also file a complaint on behalf of the student. If, for any reason, the student prefers not to share the complaint with the Assistant Principal, he or she may submit a complaint with the Principal. The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Additional information pertaining to Title IX, including contact information for the District's Title IX Coordinator, training received by District employees, and the process for appeals can be found at

## **Homework**

When homework is given, assignments shall reflect the following guidelines:

Homework shall include one or more of the three generally recognized types of homework:

Practice: reinforces newly acquired skills taught in class

Preparation: helps students prepare for upcoming lessons, activities, or tests

Extension: provides challenging, often long-term opportunities for enrichment that parallel class work

Homework shall be carefully planned and explained to the students. Content and duration of homework shall be personalized to accommodate the age, grade, ability, and readiness of the students. Homework shall be assigned with awareness of the home resources available to the student and the family and alternative options offered, where necessary. If homework is graded, the homework shall count no more than 10% of the overall quarterly grade at the middle school and high school levels.

Because they require a greater amount of time and effort than daily assignments, grades for long- range assignments shall not count as part of the homework percentage, but should be considered in the time allocated for homework.

Parents and students shall be informed at the beginning of the school year and at the beginning of second semester, if appropriate, of the district homework policies and classroom homework expectations.

Students are encouraged to spend some time each day reading a variety of materials independently.

## **Uniform Grading Scale**

"Student education records" include any records maintained by a school or the district that are directly related to the student. These rights are:

- The right to inspect and review a student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should write a letter to the school principal and identify the record(s) they wish to inspect. The principal will make arrangements for access to those records and will notify the parent or eligible student of the time and place where they may inspect them.
- The right to request an amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students may ask the school to amend an education record that they believe

is inaccurate or misleading by writing the school principal. In that letter, they should not only clearly identify the part of the record they want changed, but also specify why they believe it is inaccurate or misleading. They should also provide any evidence to support their claim. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a district-level hearing regarding the request for amendment. The school will provide additional information regarding the district's hearing procedures when they notify the parent or eligible student of the decision. After the hearing, if the district still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his/her view about the contested information.

- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows the district to disclose education records to school officials with a legitimate educational interest in the information contained in the record without consent from the parent or eligible student. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health and law enforcement staff); a person serving on the School Board; and a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor or therapist). A school official has a legitimate educational interest if that official needs to review an education record in order to fulfill his or her professional responsibility. Upon request and without consent, the district forwards and discloses education records to officials of another school district in which a student seeks/intends to enroll, specified officials for audit or evaluation purposes, appropriate parties in connection with financial aid, organizations conducting certain studies for the school, accrediting organizations, to comply with a judicial order or lawfully issued subpoena, to appropriate offices in cases of health and safety emergencies, and to state and local authorities within a juvenile system.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

The name and address of the federal agency that administers FERPA is as follows:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5920

\*An eligible student is defined as a student who reaches 18 years of age or attends a post-secondary school.

### **Directory Information**

Information that the District has designated as "directory information" regarding a student may be released to outside organizations without prior written consent from the parent/eligible student. The District defines directory information as a student's name, address, telephone number, photograph, grade level, school to which he/she is assigned, years of attendance at that school, awards received, participation in officially recognized activities and sports, and weight and height of athletic team members. Outside organizations requesting directory information include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the No Child Left Behind Act requires that local high schools must provide military recruiters, upon request, access to secondary school students' names, addresses, and telephone listings. If you do not wish for the District to disclose directory information from your child's education records without your prior written consent, you must notify the School in writing no later than 30 calendar days after the first day of school.

## **Student Speakers at School-Sponsored Activities**

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

## **School Insurance**

Student accident insurance is offered as a service to parents. The available insurance coverage includes school-only or 24-hour coverage. Coverage, cost, and enrollment information is provided on the District's website at <https://www.greenville.k12.sc.us/Parents/main.asp?titleid=faqinsurance>

Voluntary student accident insurance is different from athletic insurance, which is required.

## **Parent's Right to Know**

As the parent or family of a student enrolled in Greenville County Schools, you have the right to know the professional qualifications of the classroom teachers and instructional assistants who instruct your child. Federal law allows you to ask for the following information about your child's classroom teachers and requires the District to give you this information in a timely manner:

- whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;

If you would like to receive this information, please call the Human Resources Department.

## **Student Use of Technology**

Students must use school technology in an appropriate manner and in accordance with Board Policy and Administrative Rule EFE. This school technology includes District email, network, equipment, and assigned devices to students, and the District in accordance with applicable law may monitor all school technology. Students will be disciplined in accordance with the District's Behavior Code (JCDA) for any misuse of school technology. While the District implements filters and safeguards for school technology, the District cannot guarantee that these measures will detect or prevent inappropriate use of technology by students. Parents and students should immediately contact the student's school with any concerns pertaining to the use of technology.

## **Board Policies and Administrative Rules**

All current policies of the Greenville County School District Board of Trustees and administrative rules can be found on Board Docs on the District's website at: <https://go.boarddocs.com/sc/greenville/Board.nsf/Public>

## **Food and Nutrition Services**

Please use this link for menu information from the GCS Food and Nutrition Website. [GCS FANS](#)

## **CHANGE OF ADDRESS AND/OR PHONE NUMBERS**

It is necessary that we have your current address and phone numbers at all times. This information is especially important in cases of emergency. Please notify the school immediately upon changing your address or telephone number and bring in proof of residence when you relocate. In addition to notifying the school, please keep all information up to date in GCS Backpack for Parents.

## **EARLY DISMISSAL**

When it is necessary for your child to be dismissed early, a note indicating the reason must be sent to the teacher. Students will be called by the office staff when parents come to pick them up. A parent must sign his/her child out for an early dismissal. This procedure is for the protection of your child. If anyone other than the parent or legal guardian is picking up the child, it must be stated in writing to the teacher and their name must appear on the sign out form. EARLY DISMISSALS MUST BE PRIOR TO 1:45 P.M.

## **CLOSING SCHOOL (INCLEMENT WEATHER)**

The closing of school due to severe weather or emergency will be announced on all radio and television stations in Greenville County and on the school district website, as well as GCS social media accounts. Please discuss with your child in advance the procedures you will follow in getting your child home early. If the child's teacher doesn't have a note from the parent, the child will follow the same procedure he or she does on a daily basis. If GCS announces an eLearning Day, your child's teacher will communicate with you the procedures for the school day. Chromebooks should be brought home each night.

## **LEGAL GUARDIANSHIP**

If a single parent has a court order in the school record as proof of custody and the school is notified each year, the school will do its best to honor the request of the parent concerning who has authority to pick up the child. The school must be informed in writing as to who is authorized to pick up the child. Inform your children of the persons authorized to pick them up, and instruct them not to go with anyone else. Without proof of custody in the child's permanent record, the school has no recourse but to dismiss the child to either parent.

## **STUDENT RECEIPTS**

All receipt of school funds is done electronically. When a student pays for any activity—field trips, insurance, activity fees, pictures—the student will receive a printed receipt. If you have any questions about a receipt or if you have already paid for an activity, call the school secretary at 355-4700

## **PARKING DURING SCHOOL HOURS**

Visitor parking spaces are provided near the front entrance of the school. If these are all full, additional parking is available in the large parking area. **Please do not park in the driveway at the front of the school. This is the fire lane and must be kept clear at all times.**

## **TRANSFERS**

When a child is to be transferred from Brook Glenn to another school, please notify our school office at least two days in advance. A transfer form will be prepared, which the child will bring home on the last day of attendance. You will need this form to register your child in another school. School records will be forwarded to the new school upon request from that school provided all books have been returned and all fees have been paid.

## **FIELD TRIPS**

Field trips are an extension of the instructional program. The Brook Glenn teachers spend many hours planning and preparing for an exciting and enriching experience for our students. Students are expected to fulfill their responsibilities (i.e. homework, behavior, classwork, monetary obligations) in order to participate. Students are required to have a signed permission slip from their parents or legal guardian. If there is a monetary reason keeping a child from participating in a field trip, please call your child's teacher and/or the principal to discuss alternatives that would make the field trip possible for your child.

## **HEALTH ROOM**

A Student Emergency Information Form must be completed for each child. The information on this card helps the school contact parents in the event of an emergency. It is most important that you make your child's teacher and the school aware of any SPECIAL HEALTH PROBLEMS. Please inform the school office in writing if there are any changes in your address, phone number at work or home, and/or persons to contact in the event of an emergency. Confidentiality will be maintained.

The Health Room is open daily and under the supervision of an RN. Our Health Room number is 355-4707. Minor first aid will be administered for injuries and for illnesses occurring at school. The purpose of the Health Room is to provide short term care in the event a student becomes sick/injured at school. It is not intended to take the place of a physician's office. If our nurse or your child indicates he or she is too ill to remain at school, every effort will be made to contact you. If parents cannot be reached, the school will follow directions on the student's Emergency Information Form. In the event of a serious situation when no one can be reached who can assume responsibility for the child, EMS will be called. The parent will be responsible for any cost incurred.

## **MEDICATIONS**

1. All medications must be administered by the school nurse or school staff as authorized by the principal. Students are not allowed to give themselves medication at school.

2. Students are NOT to transport any medication to or from school. If necessary for a student to have medicine at school it must be handed to the school nurse or front office staff by the parent or legal guardian. This is for the safety of our students. Only the amount of medicine needed at school should be brought or arrangements must be made for an adult to pick it up at the end of the day. Students found with medication at school are subject to disciplinary measures.

3. Medications must be in original containers with the student's name on it.

4. DUE TO CHANGES IN SOUTH CAROLINA POLICIES GOVERNING THE ADMINISTRATION OF PRESCRIPTION MEDICATION WE WILL NO LONGER HAVE A 10 DAY GRACE PERIOD BEFORE WRITTEN PHYSICIAN AUTHORIZATION IS REQUIRED FOR ALL PRESCRIPTION MEDICATIONS.

Parents are required to bring prescription medication to school and provide form Med-1 before any prescription medication may be left at the school.

If your child must self-administer medication at school form Med-2 is required before medication is brought to the school.

A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using form Med-3.

All Health Services procedures and guidelines and these forms are available at

<http://www.greenville.k12.sc.us/Departments/main.asp?titleid=pershealth>

Students may now carry & administer sunscreen as long as the over-the-counter form is filled out.

5. Parents are responsible for knowing the expiration date of any medication brought to school. School nurses will not administer expired medication.

6. If your child forgets a morning dose of medication, school nurses are not allowed to give a missed dose.

All medications must be age appropriate. For example, Tylenol and/or Motrin should be Children's or Jr. strength. Even if your child takes 1 tablet of the adult form at home, please send in only Children's or Jr. Strength for school. This is to comply with school district policy.

Your child's health is very important to us and it is felt that this safeguard will help to ensure their well-being.

### **SPECIAL HEALTH PROBLEMS**

Please make your child's teacher and the school nurse aware of any SPECIAL HEALTH PROBLEMS. A statement of the nature of the special health problem is required in writing. A doctor's statement is required to outline procedures that need to be taken in the event your child requires any special attention.

Herbal/Alternative medicinal products are not regulated by the FDA. Thus, the quality and effectiveness of these products may vary. Employees of GCSD will not administer Herbal/Alternative medicinal products. day to gather the assignments. You may pick up these assignments in the front office after 2:30 p.m.

### **COUNSELING PROGRAM**

Our school counselor works closely with the school staff to provide a program of activities designed to enhance the personal, social and emotional development of our students. In addition to the classroom counseling program, the counselor works with individuals and small groups. The school counselor is also available for conferences with parents. To schedule an appointment, please call 355-4704.

### **MEDIA CENTER**

The school library functions as an integral part of the whole school program. The library exists to support the curriculum of the school and to help provide the needs of the wide range of students within the school through the variety of its material and the flexibility of its program.

### **A MOMENT OF SILENCE**

South Carolina state law mandates that all schools shall provide for a minute of mandatory silence at the beginning of each day. Brook Glenn will have a minute of silence after our Pledge of Allegiance.

**PARENT-TEACHER CONFERENCES** Teachers will schedule conferences throughout the year as needed to share information about a child's progress. Parents are encouraged to initiate conferences at any time by writing a note or calling the school office for an appointment with the child's teacher. When teachers observe the need for additional parent-teacher conferences, they will request that parents come in for special conferences. Teachers at each grade level will explain the homework policy. We encourage parents to aid if needed but to expect their child to be responsible for the assigned work. If your child is spending more than an hour per night on homework on a consistent basis, it is advisable to contact the teacher to discuss this matter with your child's teacher and/or the principal.

### **PARTIES AND BIRTHDAY TREATS**

Classroom celebrations are an exciting time for all children. To ensure that we are following district policy below are some simple guidelines:

- Teachers may have three celebrations in their classrooms during the year: **December Holiday**, **Valentine's Day**, and an **End of the Year** to be held during the last week of school.
- **No balloons/flowers** will be delivered to classrooms. Recipients will be called to the office at the end of the day. Please remember that these items may not be carried on the bus.

Parents and students are not allowed to bring party invitations to school and/or distribute them. Also, the office cannot provide students' addresses or phone numbers to parents or students. This rule not only protects the feelings of students not invited to parties and confidentiality, but also ensures that our office and communication systems are used exclusively for educational purposes. All food brought in must be store bought and not homemade.

## **SPECIAL SERVICES**

Special Education services are available to students who qualify according to South Carolina and federal criteria. Psychological evaluation, speech, hearing and vision testing is provided at no cost to the parent. If you feel that your child could benefit from these services, which are available without charge, contact his/her teacher or the principal. It is important to understand that the school is required to follow a specific process in referring students for special services. This is a lengthy process which may extend throughout the school year.

**Speech, Hearing and Vision Testing:** Screening programs for vision, speech and hearing are provided in the school. Speech and hearing testing and therapy are available to children with special needs. **Any child may be tested, if requested by the parent or teacher.**

**All students** in the following grades will be screened for vision and hearing:

**Vision – 5K, grades 1, 3 and 5**

**Hearing – 5K, grades 1, 2 and 3**

These screenings will take place as early in the school year as possible.

**Resource Teacher:** The Resource Specialist of Special Education assists the regular teacher in the selection of approaches, methods and materials that will help pupils with special needs.

## **STANDARDIZED TESTING PROGRAM**

Brook Glenn Elementary follows the district and state testing programs. Standardized achievement and aptitude tests are administered and test results are available to the parents. Standardized test data are used to identify those areas in which students show academic strength or weaknesses and to help us improve our instructional program. Parents will receive a copy of their child's test results. Our administrators are always available to answer any questions or provide explanation about your child's test scores.

## **Personalized Learning:**

All students will receive a Personalized Learning Device. These devices should be brought home nightly to complete assignments and to be prepared in case we have an eLearning day. It is our goal that all children will have the opportunity to be involved in the use of many new technologies that will enhance their educational experience. Brook Glenn teachers have been and will continue to be involved in many training experiences to enrich students' technology experiences in the classroom.

## PTA BOARD MEMBERS

**AUGUST 2023, ISSUE 01**

# Meet Your PTA Board

A BRIEF INTRODUCTION TO YOUR 2023/2024 PTA BOARD MEMBERS

**Jenn: President**

With her third child starting his BGE journey, our PTA is in good hands! Jenn believes in making elementary school a magical time for students, parents, and teachers and works hard to accomplish that goal. When she's not swamped with her PTA duties, she runs her own business, Happy Healing 4U.

**Stephanie: Vice President**

With a daughter going into the 4th grade, Stephanie joined the PTA to be as involved as possible in her kid's school. You may recognize her as a regular sub or as a teacher in the EDP. Fun fact: She has excellent taste in pet names with a fish named Swim Shady, a cat named Darla, and two hermit crabs named Clawdia and Clawrice.

**Stacy: Treasurer**

Stacy has that eye for numbers that keeps our PTA strong! With two girls in BGE, she works hard to make their school an amazing place to be. When you get those fundraiser forms, think of her.

**Amber: Secretary**

Amber joined the PTA because she heard there would be snacks, but she stuck around because she loves working closely with her kids' school. She's published 7 books and if you drop by on the right day, you may find her helping Ms. Tarr in the BGE library.

**Whitney: Reflections**

Even though she wanted to be a Broadway star as a kid, Whitney became a content creator and seller of Avon. With experience on other PTA boards, she's excited to make a difference at BGE and throughout our amazing community. Welcome, Whitney!

**Cass: Committee Chair**

Cass is proof you don't have to be a parent to be on the PTA! She joined to make an impact in her niece's school. You may spot her in the classrooms as one of BGE's favorite substitute teachers. Despite being a twin, she's truly one-of-a-kind and the PTA is excited to have her!

**Nate: Community Outreach**

With an eye for what the community needs, Nate is our onboard sponsorship specialist. When he's not working hard making his daughter's school a more amazing place, he works with local charity Upstate Kids First.

**This Could Be You!**

While our board for 2023-2024 may be set, you can still be involved in the school as a PTA member and get to see firsthand how everything works. Maybe next year, you can join us here on the board!

Thanks, PTA, for your continued support to make Brook Glenn an exciting place to learn. The PTA renders a number of valuable services to the school and sponsors several fund-raising projects during the year. You are

encouraged to become actively involved in supporting PTA activities. Announcements about meetings will be sent home with the children prior to each meeting.

PTA Membership dues are \$5.00 per person. Parents, grandparents and other family members of Brook Glenn are invited to join PTA.

## **SCHOOL IMPROVEMENT COUNCIL**

SIC meets monthly. All meetings are open to anyone who would like to attend. Please let us know if you are interested in joining our SIC.

### **OBJECTIVES:**

- To gain knowledge concerning the purpose and goals of the school.
- To disseminate information to other parents and citizens within the community and to clarify information concerning school programs.
- To offer suggestions concerning program improvements with respect to student needs and program operations within the individual schools.
