Attendance

In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17th birthday. If a child is not six years of age on or before the first day of September in a particular school year, parents and guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.

In accordance with the South Carolina Compulsory School Attendance law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of a school day.

All absences beginning with the first shall be approved or disapproved by the board's designee, the building principal. In making this decision, the principal shall be guided by the procedures as presented herein. Decisions regarding approval of absences and eligibility for credit may be appealed in accordance with district policy.

Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a health care professional, for all absences within two (2) days of the student's return to school. The written excuse should include the reason for and the date of absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. School will use the criteria below when deciding whether an absence is lawful or unlawful.

Lawful Absences

- Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within two (2) days of the student's return to school.
- Absences due to an illness or death in the student's immediate family verified by a statement from the parent within two (2) days of the student's return to school.
- Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.
- Absences for students whose parents/guardians are experiencing a military deployment. Specifically absences when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or legal guardian relative to such leave or deployment of the parent or legal guardian.
- Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

Unlawful Absences

- Absences of a student without the knowledge of his or her parents
- Absences of a student without acceptable cause with the knowledge of his or her parents
- Suspension is not to be counted as an unlawful absence for truancy purposes

Absences

For students in grades K-12, principals shall promptly approve or disapprove any student's absence in excess of ten (10) days, whether those absences are lawful, unlawful, or a combination of the two. A student does not exceed the 10 day absence limit until the student has reached his or her 11th unlawful absence. Furthermore, a student does not exceed the 5 day absence limit for a 90 day course until the student has reached his or her 6th unlawful absence.

Carnegie Credit

The school year consists of 180 school days. To receive credit, high school students or students in middle school taking courses for graduation credit must attend at least 85 days of each 90-day semester course and at least 170 days of each 180-day course, as well as meet all minimum requirements for each course.

In order to receive high school credit after the 10th unlawful absence, "seat time recovery" is required for every subsequent absence that is unlawful. (Note: the 10 unlawful absence limit applies to each 180-day course and should be considered 5 days for each 90-day course and 3 days for each 45 day course.) A student may have up to 10 absences excused by a

parent note in each 180-day course and 5 days excused by a parent note in each 90-day course. Parent notes in excess of 10 in a 180-day course, and 5 in a 90-day course, will be considered unexcused and will count towards the unlawful absences a student has in the respective course. A student must attend the majority of a class session during a school day to receive credit for that class.)

Truancy

Although the state requires students to only attend 170 of the 180-day school year, parents and students should be aware that SC Code of Regulations-Chapter 43-274 stipulates that a child ages 6 to 17 year is considered truant when the child has three consecutive unlawful absences or a total of five unlawful absences. For purposes of this section (truancy and compulsory attendance), a parent may provide up to 10 parent notes excusing a student's absence, 5 parent notes in a 90-day course, and 3 parent notes in a 45-day course. However, in order for any subsequent absence related to an illness to be lawful it must be supported by a physician statement/medical note.

Student Behavior Code

The District expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. This requirement refers to their actions toward other students and teachers, their language, their dress and their manners.

Students have a responsibility to know and respect the policies, rules and regulations of the school and District. Violations of such policies, rules and regulations will result in disciplinary actions. The school directs students to the District's Behavior Code set forth in [Policy JCDA](#) and this handbook. Schools are authorized to incorporate the use of electronic devices, including cell phones, tablets and other similar devices, into the school environment when appropriate to enhance learning and student achievement. Schools will establish rules and expectations for student use of electronic devices, and students will be disciplined in accordance with this policy for any inappropriate or unauthorized use of a device. School authorities are authorized to employ probation and suspension and to recommend expulsion, if necessary, to enforce this policy.

It is the philosophy of the District to handle all student disciplinary matters at the lowest supervisory level possible and in the most reasonable manner possible. Disciplinary action will be taken in accordance with appropriate procedural rights being afforded to students and their parents/guardians as provided by State law, State Board of Education regulation, and/or the policies of this District.

The Board and the administration offer the following listing of offenses and the required or recommended dispositions for the information of students, parents/legal guardians and school personnel.

Criminal conduct is defined as those activities engaged in by students (whether or not they result in criminal charges) that result in violence to themselves or to another's person or property or which pose a direct and serious threat to the safety of themselves or others in the school or to the security of District resources. These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities and/or action by the Board.

Whenever a student is engaging or has engaged in activities including, but not limited to, one of the acts specified below, while on school property or at a school sanctioned or sponsored activity which a principal or his/her designee has reason to believe may result, or has resulted, in injury or serious threat of injury to a person or to his/her property, the principal or his/her designee is required to notify law enforcement officials.

Acts for which principals must recommend students for expulsion include, but are not limited to, the following:

- threatening to take the life of or inflict bodily harm upon a school employee or member of their immediate family
- ganging ("Ganging" or participating as a member of a gang and inflicting a violent act of bodily harm, however slight, upon another person will not be tolerated. A "gang" shall consist of two or more persons acting together for and with the purpose of committing an act of violence against another person. "Participation" also includes any act that interferes with or hinders a staff member from stopping the infliction of bodily injury that is the objective of the gang.)

The principals must recommend students for expulsion if they have committed offenses which are underlined above. If a student commits an offense that is not underlined, the principals may recommend the student for expulsion when the circumstances warrant it. The administration may apply sanctions in cases of criminal conduct which may include, but are not limited to, the following:

Personal appearance of students should promote health and safety, contribute to a climate conducive to teaching and learning and project a positive image of the District to the community. Students should dress for the educational setting and not the recreational one. The principal may create further guidelines regarding student dress which are consistent with the guidelines below.

- Clothing and/or hair should not be so extreme or inappropriate to the school setting as to disrupt the education process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive will not be permitted.

In the event the administration determines a student's dress is inappropriate for school in accordance with this policy, the administration will either require the student to change or will inform the student not to wear the garment to school again. Repeated violations of the dress code will be treated as disruptive behavior in violation of the District's Behavior Code.

Transportation

Discipline

In order to ensure the safety of all students riding buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is an extension of the classroom and should be considered part of the school day. The issue of safety requires students to be on their best behavior while on school buses or vehicles. Violations of school bus rules will be addressed in the manner listed below.

The School District Behavior Code (Board Policy JCDA) is in effect for all students at all times when being transported on school buses to and from school or school activities. Discipline of Students with Disabilities

Students with disabilities will be disciplined in accordance with federal and state law including the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act, as set forth in the procedures developed by the administration.

Procedures for Transporting 4k, 5k and 1st Grade Students

For safety reasons, all K4, K5 and 1st grade students will receive a numbered ID tag from the school prior to boarding the bus in the afternoon. The tag must be visible to the driver. As the student departs the bus in the afternoon, the driver will collect the student's identification tag. The driver will retain the tag and deliver all tags to the school the following morning. The school will distribute the tags to the respective teacher or staff member so the tags can be put on the student before afternoon bus dismissal.

Each 4K, 5K and 1st grade student must wear a bus tag while being transported from school for the entire school year. The student tag shall include the following information:

Front:	Back:
Student Name	Student address unique number
[] Student designee name (4th grade or above)	
Route number	

Parent Responsibilities:

The parent/guardian is responsible for properly registering their student(s) at the designated school and ensuring that all information provided on required forms is accurate and current. The parent/guardian is responsible for updating this information at the school whenever changes occur.

The parent/guardian must be present at the regular bus stop both during the morning pickup and afternoon drop-off of their 4K, 5K or 1st grade child. The parent/guardian will be given four (4) numbered cards to distribute to any designee to be at the bus stop in their place. The designee may be another adult or student designee (4th grade or higher). A Bus Tag Application is to be furnished by the school, completed and returned by the parent/guardian to the school before the student rides the bus. One person may serve as designee for multiple children. The parent/guardian is ultimately responsible for the safety and conduct of his/her child at the regular school bus stop.

If a 4K, 5K or first grade student is preparing to depart the bus at their assigned stop, whether alone or in a group, and the parent/guardian/designee with the numbered card is not present at the bus stop, the student will be returned to his/her elementary school. When a student is returned to the elementary school, school staff will contact the parent/guardian. If the parent/guardian cannot be located, the matter could be referred to Greenville County Schools Law Enforcement Division, appropriate local Law Enforcement Agency, and/or the Greenville County Department of Social Services (DSS).

Incidents of the parent/guardian/designee with the numbered card not being at the bus stop for afternoon drop-off will result in all transportation services being discontinued according to the following schedule:

- First Incident: Warning to parent by school with review of future consequences
- Second Incident: 3 days off the bus
- Third Incident: 5 days off the bus
- Fourth Incident: 10 days off the bus
- Fifth Incident: Removal from bus for the remainder of school year

The school administration will implement the above schedule without a bus driver referral and notify the appropriate bus center of the effective dates of loss of bus transportation services. Only the Superintendent or his or her designee may make exceptions to the provisions contained in this administrative rule.

Anti-Bullying and Safe Schools

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. In order to create and maintain an atmosphere that promotes learning and prevents disruption, the District has implemented the following procedures to address student concerns, complaints, and grievances in regards to bullying, discrimination, harassment, intimidation or misconduct as provided in Board Policy and Administrative Rule JCDAg. All formal complaints of any allegation of bullying, discrimination or harassment will follow the below process, except for complaints filed on the basis of sex (Title IX), which will follow the procedures contained in that Section II below.

Reporting Bullying, Harassment & Discrimination

Any student who believes that he/she has been subject to harassment, intimidation, bullying or misconduct by other students, employees of the District or third parties in the school setting should immediately inform the school's administration and may also file a formal complaint under Board Policy and Administrative Rule JCDAg.

All complaints should be filed with the principal or his or her designee within sixty days of the date of the alleged incident using the Complaint Form attached to Rule JCDAg. Complaints may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Ombudsman. Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV pertaining to staff and adult interactions with students. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigation

Complaints will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions to end the harassment, intimidation, or bullying and prevent such misconduct from occurring again. A meeting will be scheduled within ten working days of the complaint with the complainant to discuss the complaint. The student and his/her parent(s) shall be informed in writing of the outcome of the investigation but all discipline of students and staff will remain confidential. The written notice will also outline the complainant's right to appeal.

Appeals

An appeal related to disability discrimination or harassment should be made to the District's Section 504 coordinator. An appeal regarding color, race, or national origin discrimination or harassment should be made to the District's Title VI coordinator. The email contact information for the Section 504 Coordinator and Title VI Coordinator is Section504@greenville.k12.sc.us and TitleVI@greenville.k12.sc.us. Both may also be contacted by mail at Post Office Box 2848, Greenville SC 29602 or by phone at 864-355-3100.

The appeal shall state the reasons for which the complainant is appealing the initial decision. The coordinator will examine the evidence presented by all the parties, and may conduct a meeting with both the complainant and the school principal or designee if needed. The coordinator must provide a written decision to the complainant within 10 working days of receiving the complainant's written appeal. The coordinator shall inform the complainant of the right to appeal to the Superintendent or his/her designee. If a coordinator or the Superintendent or his/her designee is alleged to be involved in the complaint, the District will appoint an objective and impartial administrator to address the complainant's appeal at that level.

If a student or parent/guardian is dissatisfied with the action or decision of the Coordinator, they may appeal the decision to the Superintendent or his/her designee within 10 working days of the decision of the Coordinator. The

appeal shall be in writing and shall state the reasons for the appeal. The superintendent or designee, in his or her discretion, may choose to have a meeting with the complainant and the coordinator. The Superintendent or designee shall provide a written determination to the complainant and take appropriate action within 10 working days after the receipt of a written appeal.

Title IX Complaints (Sex-Based Discrimination/Harassment)

The District, as required by Title IX of the Education Amendments Act of 1972 and its corresponding regulations ("Title IX"), does not discriminate on the basis of sex in its education program or activities. Title IX prohibits sex-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex even if those acts do not involve conduct of a sexual nature. The District prohibits discrimination and harassment on the basis of sex in all of its programs and activities by its employees, students or third parties.

Reporting

Any student (or parent/guardian of student) who believes they have been the subject of sex-based harassment or discrimination should contact the school's administration immediately. A formal complaint may be filed in accordance with Administrative Rule JCDAG. Even if a formal complaint is not filed related to a Title IX concern, the District must still conduct a thorough review into the concern and implement appropriate supportive measures and disciplinary consequences and provide a written summary to the student/parents related to its efforts and actions.

Investigation

A school's Assistant Principal or other appointed school administrator (investigator) will initiate an investigation of any formal complaint of alleged sex discrimination, sexual harassment, sexual violence, or inappropriate conduct of a sexual nature reported to them in consultation with the District's Title IX Coordinator following the detailed process outlined in Administrative Rule JCDAG. The school's Principal will then separately review the findings of that investigation and render a determination as the decision-maker. If an allegation is made against a non-student, including an employee, the District Employee Relations Representative will serve as the investigator and a director in the District's Human Resources Department will serve as the decision-maker. A parent or legal guardian or Title IX Coordinator may also file a complaint on behalf of the student. If, for any reason, the student prefers not to share the complaint with the Assistant Principal, he or she may submit a complaint with the Principal.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Additional information pertaining to Title IX, including contact information for the District's Title IX Coordinator, training received by District employees, and the process for appeals can be found at

Homework

When homework is given, assignments shall reflect the following guidelines:

Homework shall include one or more of the three generally recognized types of homework:

Practice: reinforces newly acquired skills taught in class

Preparation: helps students prepare for upcoming lessons, activities, or tests

Extension: provides challenging, often long-term opportunities for enrichment that parallel class work

Homework shall be carefully planned and explained to the students. Content and duration of homework shall be personalized to accommodate the age, grade, ability, and readiness of the students. Homework shall be assigned with awareness of the home resources available to the student and the family and alternative options offered, where necessary. Since involvement in extracurricular activities is encouraged and valued, homework assignments that are lengthy shall be scheduled as far in advance as possible.

Because homework at the high school level varies according to a student's course load and schedule, high school students should spend sufficient time on homework to master the content of the subject matter. Completed homework assignments are to be reviewed by the teacher or designee; appropriate instructional follow-up shall occur.

If homework is graded, the homework shall count no more than 10% of the overall quarterly grade at the middle school and high school levels.

Because they require a greater amount of time and effort than daily assignments, grades for long- range assignments shall not count as part of the homework percentage, but should be considered in the time allocated for homework.

Parents and students shall be informed at the beginning of the school year and at the beginning of second semester, if appropriate, of the district homework policies and classroom homework expectations.

Students are encouraged to spend some time each day reading a variety of materials independently.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents (including legal guardians) and students over 18 years of age (eligible students) certain rights with respect to students' education records. "Student education records" include any records maintained by a school or the district that are directly related to the student. These rights are:

- The right to inspect and review a student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should write a letter to the school principal and identify the record(s) they wish to inspect. The principal will make arrangements for access to those records and will notify the parent or eligible student of the time and place where they may inspect them.
- The right to request an amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students may ask the school to amend an education record that they believe is inaccurate or misleading by writing the school principal. In that letter, they should not only clearly identify the part of the record they want changed, but also specify why they believe it is inaccurate or misleading. They should also provide any evidence to support their claim. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a district-level hearing regarding the request for amendment. The school will provide additional information regarding the district's hearing procedures when they notify the parent or eligible student of the decision. After the hearing, if the district still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his/her view about the contested information.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows the district to disclose education records to school officials with a legitimate educational interest in the information contained in the record without consent from the parent or eligible student. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health and law enforcement staff); a person serving on the School Board; and a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor or therapist). A school official has a legitimate educational interest if that official needs to review an education record in order to fulfill his or her professional responsibility. Upon request and without consent, the district forwards and discloses education records to officials of another school district in which a student seeks/intends to enroll, specified officials for audit or evaluation purposes, appropriate parties in connection with financial aid, organizations conducting certain studies for the school, accrediting organizations, to comply with a judicial order or lawfully issued subpoena, to appropriate offices in cases of health and safety emergencies, and to state and local authorities within a juvenile system.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

The name and address of the federal agency that administers FERPA is as follows:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

*An eligible student is defined as a student who reaches 18 years of age or attends a post-secondary school.

Directory Information

Information that the District has designated as "directory information" regarding a student may be released to outside organizations without prior written consent from the parent/eligible student. The District defines directory information as a student's name, address, telephone number, photograph, grade level, school to which he/she is assigned, years of attendance at that school, awards received, participation in officially recognized activities and sports, and weight and height of athletic team members. Outside organizations requesting directory information include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the No Child Left Behind Act requires that local high schools must provide military recruiters, upon request, access to secondary school students' names, addresses, and telephone listings. If you do not wish for the District to disclose directory information from your child's education records without your prior written consent, you must notify the School in writing no later than 30 calendar days after the first day of school.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

School Insurance

Student accident insurance is offered as a service to parents. The available insurance coverage includes school-only or 24-hour coverage. Coverage, cost, and enrollment information is provided on the District's website at <https://www.greenville.k12.sc.us/Parents/main.asp?titleid=fajinsurance>

Voluntary student accident insurance is different from athletic insurance, which is required.

Parent's Right to Know

As the parent or family of a student enrolled in Greenville County Schools, you have the right to know the professional qualifications of the classroom teachers and instructional assistants who instruct your child. Federal law allows you to ask for the following information about your child's classroom teachers and requires the District to give you this information in a timely manner:

- whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;

If you would like to receive this information, please call the Human Resources Department.

Student Use of Technology

Students must use school technology in an appropriate manner and in accordance with Board Policy and Administrative Rule EFE. This school technology includes District email, network, equipment, and assigned devices to students. Students will be disciplined in accordance with the District's Behavior Code (JCDA) for any misuse of school technology. While the District implements filters and safeguards for school technology, the District cannot guarantee that these measures will detect or prevent inappropriate use of technology by students. Parents and students should immediately contact the student's school with any concerns pertaining to the use of technology.

Board Policies and Administrative Rules

All current policies of the Greenville County School District Board of Trustees and administrative rules can be found on Board Docs on the District's website at: <https://go.boarddocs.com/sc/greenville/Board.nsf/Public>

SCHOOL BUS CONDUCT AND SAFETY INSTRUCTIONS

Safety Instructions and Behavior Rules for School Bus Riders

According to South Carolina Department of Education guidelines, riding a school bus to and from school is a privilege, not a right. The safety and welfare of student riders depends on proper behavior and observance of the following rules and regulations. Students riding buses are held to the same standards of conduct that apply to the school or class room setting. Safety concerns dictate that passengers on school buses and school district operated vehicles display their best behavior at all times.

Students are required to obey school bus rules and to respect the authority of drivers and other school personnel. Failure to do so constitutes a disciplinary offense. Students are to refrain from unnecessary conversation with the driver.

The District's Student Behavior Code is in effect for all students at all times when being transported on school buses to and from school or school activities. Thus, all students will be held accountable for complying with the District's Student Behavior Code, as well as the safety instructions and behavior rules set forth below.

- A. Be on time at the bus stop or loading station. The bus will not wait for those who are tardy. Never run after the bus if you are late. Drivers have been instructed not to stop for anyone running after the bus due to traffic and safety concerns.
- B. Wait for the bus to come to a complete stop before trying to board or depart. If you must cross the road, wait for the driver to signal you across with his/her hand when he/she has determined all traffic has stopped. Always cross at least ten (10) feet in front of the bus, whether boarding or departing.
- C. After boarding the bus, sit down and remain seated until the bus reaches your stop or your school. If the driver assigns seats, students are required to sit in the seats assigned to them.

Violation of any of the above will result in suspension from the school bus and also result in a recommendation for expulsion.
- F. Smoking, possession or use of tobacco products and smoking paraphernalia on the school bus is prohibited.
- G. Profane and vulgar expressions (oral, written, or nonverbal e.g., gestures), including those communicated or displayed on clothing, are forbidden on the school bus.

Consequence: Student will be suspended from the bus indefinitely and recommended for expulsion.

CAFETERIA BREAKFAST AND LUNCH PROGRAM

The cafeteria staff provides a nourishing, well-balanced meal each day. While students are encouraged to eat the lunches prepared at school, they may bring a lunch from home. Students will have 25 minutes for lunch.

The Community Eligibility Provision (CEP) is a school meal funding option from USDA that enables a school to provide free meals to all students, without the necessity of completing applications for individual eligibility. CEP status is determined by the percentage of students from households receiving public benefits.

All GCS schools currently offer Universal free breakfast. Allowing All students may eat breakfast at no cost. For the 2023-24 school year, Brushy Creek will be a CEP school, offering free lunches to all students. There is a four-year eligibility guarantee, which means Brushy Creek may remain in the program at least through the 2026-27 school year. Students at Brushy Creek may receive free breakfast and lunch daily.

Students are not to bring carbonated drinks for snack or for lunch.

Students may purchase special sale items, i.e. juice, chips, etc., with money they have on account provided parents have given written permission to the cafeteria manager. Parents are requested to put money in an envelope with the child's name, amount and name of teacher on the front. This will aid the lunchroom staff in crediting the proper account. Parents may send money to be put on the child's account at any time during the week.

Parents are invited to have lunch with their children **only** on Grade level designated days. Parents are encouraged to be aware of the exact time their child eats lunch. Upon arriving, please **SIGN IN at the office and get a VISITOR'S BADGE**. If parents arrive early, please wait in the lobby area rather than going to your child's room. The microwave in the cafeteria is for teachers use only.

Visitors' tables are provided when you are having lunch with your child. Due to limited seating at this table, only your child will be allowed to join you for lunch. Your child needs to return with his class at the end of his lunch time. Parents are asked to say good-bye to the child in the cafeteria.

* All students may eat breakfast and lunch at no cost.

CHALLENGE PROGRAM

The school district provides programs for gifted and talented students to challenge them with rigorous, complex classwork and research. Gifted students may demonstrate high performance ability or potential in academic and/or artistic areas. Administrators, parents, teachers, and students may make referrals for students to be screened.

Identification in academic areas will be made using multiple criteria. Students who meet the criteria in two of the three dimensions are eligible for placement. All students currently in the program will continue to be served.

Students may qualify automatically with an extremely high aptitude or IQ score at 96th percentile composite or higher for their age group. If students do not qualify solely on aptitude, they will be screened by this process:

In Dimension A – Reasoning Abilities:

Students must demonstrate high aptitude (93rd national age percentile or above) in one or more of these areas: verbal, non-verbal, quantitative and/or a composite of the three.

In Dimension B – Academic Achievement:

Students must demonstrate high achievement (94th national percentile and above or advanced status) in reading and/or math as measured nationally normed or SC statewide assessment instruments.

In Dimension C – Intellectual/Academic Performance:

Students must demonstrate a high degree of interest in and commitment to academic and/or intellectual pursuits, or demonstrate intellectual characteristics such as curiosity/inquiry, reflection, persistence/tenacity in the face of challenge and creative, productive thinking. An elementary student must earn four points on a five-point scale that contains specific performance criteria.

Results of private testing will not be accepted for placing students in the Challenge program.

CHANGE OF ADDRESS AND/OR PHONE NUMBERS

It is necessary that we have your current address and phone numbers at all times. This information is especially important in cases of emergency. Please notify the school immediately upon changing your address or telephone number and bring in proof of residence when you relocate.

CHANGE OF TRANSPORTATION

In order to ensure the safety of your child, changes in transportation should be submitted as a hand-written note to your student's teacher. We will not accept e-mail notifications or phone calls for change of transportation.

CLOSING SCHOOL (INCLEMENT WEATHER)

The closing of school due to severe weather or emergency will be announced on all radio and television stations in Greenville County and on the school district website, as well as GCS social media accounts. Please discuss with your child in advance the procedures you will follow in getting your child home early. **If the child's teacher doesn't have a note from the parent, the child will follow the same procedure he or she does on a daily basis.**

COUNSELING PROGRAM

Our school counselors work closely with the school staff to provide a program of activities designed to enhance the personal, social and emotional development of our students. In addition to the classroom counseling program, the counselors work with individuals and small groups. They are also available for conferences with parents. **To schedule an appointment, please call 355-5404.**

DISCIPLINE

Brushy Creek Elementary School will be an orderly, disciplined school where students are responsible and accountable for their actions. Students are expected to act with respect for each other and for the staff. Most discipline can be handled between the teacher and the student. If the offense is serious or if inappropriate behavior persists, the student will be referred to the principal/assistant principal. Appropriate disciplinary measures will be determined by the administration. Parents will be informed of the inappropriate behavior in writing, by phone or a parent conference.

Discipline policies included in this publication are based on information at time of printing. District discipline policies are outlined in Parent Express, the Greenville County Schools' parent newsletter, which will be mailed in early August. Parents are encouraged to discuss the discipline code and classroom expectations with their children.

If a disciplinary offense occurs which requires the student to be sent to the principal/assistant principal, a specific course of action will be followed. However, it is at the professional discretion of the school administration to use his/her judgement on how best to respond to individual disciplinary cases.

1. **Written Referrals**—Principal/assistant principal will conference with the child to discuss the problem and help the student see how his/her behavior can be improved. The referral will be sent home with the child. It must be signed by the parent and returned to the principal the next day. Depending on the infraction, consequences such as lunch and/or recess detention, in-school suspension, and out-of-school suspension may be assigned.
2. Students may lose the opportunity to participate in the next special event such as field trips, programs and/or other student privileges as a result of their misbehavior.
3. Additional referrals will require consequences for which options include multiple days of out-of-school suspension.
4. Infractions which will result in more severe punishment could include the following: fighting, cursing, stealing, cheating, sexual actions, refusal to cooperate, disrespectfulness toward a staff member or physical aggressiveness.

DISCIPLINE CODE FOR THE SCHOOL DISTRICT OF GREENVILLE COUNTY

Philosophy

Most discipline problems should be handled between the teacher, student and parent. While discipline is an individual matter, the School District is unequivocally committed to the principle that disorderly and disruptive behavior should not be permitted to interfere with the right of other students to pursue an education; nor will improper conduct be tolerated. All students will be required to conduct themselves at all times in a manner that will be in the best interest of the school

and its students. Every reasonable effort will be made to keep students within the school's sphere of influence, using suspension and/or expulsion only as a last resort.

Removal of Students from School

Disruptive or disorderly student conduct may result in removal from school.

A. Suspension

SUSPENSION IS THE TEMPORARY REMOVAL OF A STUDENT FROM SCHOOL OR CLASS in order to: 1) relieve a tense situation, 2) obtain a parent conference, and 3) correct unacceptable behavior. Students may not be suspended as punishment for more than ten (10) consecutive days for any one offense unless expulsion is recommended.

A suspended student may be readmitted on probation as determined by the principal and/or area assistant superintendent on terms set down in writing.

B. Expulsion

EXPULSION IS THE REMOVAL OF A STUDENT FROM SCHOOL until readmitted by the Board of Trustees.

Only the Board of Trustees may expel a student. Students who have been expelled may petition the Board for readmission. Students who otherwise qualify may be enrolled in certain other programs of the School District with board permission.

Elementary School Principals are required to refer a student to the superintendent's designee for the following offenses:

1. Unauthorized possession on school grounds, school bus, or other school property of any kind of weapon or object used to inflict bodily injury upon another. "Weapon" includes, but is not limited to, guns, knives, brass knuckles, blackjacks, razors and box openers.
2. Possession, sale or distribution of alcoholic beverages, illegal drugs/narcotics, or toxic substances.

Infractions for which the principal may recommend expulsion and may refer to police:

1. Fighting
2. Threatening to or inflicting bodily harm, however slight, upon another person.
3. "Ganging" or participating as a member of a gang in threats to inflict or the infliction of bodily harm, upon another person. A "gang" shall consist of two or more persons. "Participation" shall include watching as the threats or infliction of bodily injury take place.
4. Use of any alcoholic beverage, illegal drug, or toxic substance, as evidenced by scent or actions, prior to coming onto school property at any time.

5. Other offenses that disrupt the educational process and operation of a school, such as stealing, obscene language or gestures, disobedience, unauthorized walk-outs, blackmail, destruction of property, repeated offenses of any degree, and other similar offenses.
6. Conduct away from school that is detrimental to the best interest of the school.

Non-students on School Grounds

Persons who are expelled or suspended and those who are not students shall not be allowed to come on school grounds or loiter around schools, to interfere with students and/or teachers, or to disturb the school in any way.

Corporal Punishment – is not administered in District Schools.

POSSESSION OF ITEMS THAT RESEMBLE WEAPONS

To insure the safety of everyone it is important to remind your child that no items resembling a weapon (toy guns, knives, Chinese stars, etc.), will be allowed at school for any reason. If your child has a “real” or “toy” weapon in his/her possession, he or she will be suspended from school. Any items of this nature will become the property of the School District of Greenville County.

DRESS CODE

The dignity of our school will be reflected in the dress and manners of our student body. Students are required to wear shoes at all times. **FLIP FLOPS ARE NOT ALLOWED. All sandals must have a back.** On the days that your child has physical education, please be sure he/she is wearing tennis shoes and appropriate attire for physical exercise. Clothing should be such that the child is comfortable, warm/or cool and appropriate for a learning environment. Clothing must cover stomach, midribs and hips. **See through material, fish net shirts, short shorts, tank tops, spaghetti straps, and halter tops are not acceptable.**

The administration will make the final judgment on the appropriateness of clothing and/or appearance and reserves the right to prohibit students from wearing any articles of clothing or other items which lead to or may foreseeably result in the disruption of or interference with the school environment. In the event the administration determines a student's dress is inappropriate for school in accordance with this policy, the administration will either require the student to change or will inform the student not to wear the garment to school again. Repeated violations of the dress code will be treated as disruptive behavior in violation of the District's Behavior Code.

PERSONAL ELECTRONIC DEVICES

Student personal devices are not necessary during the instructional day and are encouraged to remain at home. In the event families elect for children to have personal devices for communication with families before or after school they may have them on campus and kept in their bookbags. Should a child need to communicate with their parent/guardian during the school day they may use the phone in the classroom or in the front office with staff permission.

EARLY DISMISSAL

When it is necessary for your child to be dismissed early, **a note indicating the reason** must be sent to the teacher. Students will be called by the office staff when parents come to pick them up. **A parent must sign his/her child out for an early dismissal.** This procedure is for the protection of your child. If anyone other than the parent or legal guardian is picking up the child, it must be stated in writing to the teacher and their name must appear on the sign out form. **EARLY DISMISSALS MUST BE PRIOR TO 1:45 P.M.**

EXCUSES FROM RECESS OR PHYSICAL EDUCATION

Sometimes, after a serious illness, a parent may wish to have his/her child excused from physical education and/or recess. **Please send a note to the teacher stating the reason for this request. If this request is for more than three days, a doctor's statement is needed.**

FIELD TRIPS

Field trips are an extension of the instructional program. The Brushy Creek teachers spend many hours planning and preparing for an exciting and enriching experience for our students. **Students are expected to fulfill their responsibilities (i.e. homework, behavior, classwork, monetary obligations) in order to participate. All students are required to have a bag lunch for the day of the field trip.** This allows the teachers to be certain that food is packed appropriately and expedite the departure time. Students are also required to have a signed permission slip from their parents or legal guardian. If there is a monetary reason keeping a child from participating in a field trip, please call your child's teacher and/or the principal to discuss alternatives that would make the field trip possible for your child.

GRADING STUDENTS

***If a parent or student has a concern/question regarding a grade on an assessment, they have 5 (five) days to bring the question to the attention of the child's teacher. After 5 (five) days, grades will be permanently stored.

Students must have all A's and B's in graded subjects to make the Honor Roll.

REPORT CARDS

Report cards will appear in Backpack. This report will grade children in reading, language, spelling, handwriting, mathematics, social studies, science and health, art, music, physical education and habits and attitudes. Parents are encouraged to get their Parent Backpack information from the front office.

STUDENT EMERGENCY FORM

A Student Emergency Information Form must be completed for each child. The information on this card helps the school contact parents in the event of an emergency. It is most important that you make your child's teacher and the school aware of any SPECIAL HEALTH PROBLEMS. Please inform the school office in writing if there are any changes in your address, phone number at work or home, and/or persons to contact in the event of an emergency. Confidentiality will be maintained.

NUT ALLERGIES

Brushy Creek Elementary is a **nut-awareness school**. We are aware of the fact that some of our students are allergic to peanut butter and/or nut products. Several students have serious life-threatening allergies to peanut/nut foods. We request that you refrain from sending snacks or lunches to school containing nuts.

It is our goal to make sure Brushy Creek provides the safest environment possible for all of our students. We appreciate your help to make this goal a reality.

HEALTH ROOM

The Health Room is open daily and under the supervision of an RN. **Our Health Room number is 355-5407.** Minor first aid will be administered for injuries and for illnesses occurring at school. The purpose of the Health Room is to provide **short term** care in the event a student becomes sick/injured at school. It is not intended to take the place of a physician's office. If our nurse or your child indicates he or she is too ill to remain at school, every effort will be made to contact you. If parents cannot be reached, the school will follow directions on the student's Emergency Information Form. In the event of a serious situation when no one can be reached who can assume responsibility for the child, EMS will be called. The parent will be responsible for any cost incurred.

MEDICATIONS

1. All medications must be administered by the school nurse or school staff as authorized by the principal. Students are **not allowed** to give themselves **medication** at school.
2. **Students are NOT to transport any medication to or from school.** If necessary for a student to have medicine at school it must be **handed to the school nurse or front office staff by the parent or legal guardian.** This is for the safety of our students. Only the amount of medicine needed at school should be brought or arrangements must be made for an adult to pick it up at the end of the day. Students found with medication at school are subject to disciplinary measures.
3. Medications must be in original containers with student's name on it.
4. **DUE TO CHANGES IN SOUTH CAROLINA POLICIES GOVERNING THE ADMINISTRATION OF PRESCRIPTION MEDICATION WE WILL NO LONGER HAVE A 10 DAY GRACE PERIOD BEFORE WRITTEN PHYSICIAN AUTHORIZATION IS REQUIRED FOR ALL PRESCRIPTION MEDICATIONS.**

Parents are required to bring prescription medication to school and provide form Med-1 before any prescription medication may be left at the school.

If your child must self-administer medication at school form Med-2 is required before medication is brought to the school.

A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using form Med-3.

All Health Services procedures and guidelines and these forms are available at <http://www.greenville.k12.sc.us/gcsd/depts/stuserv/health.asp>

5. **Medications containing aspirin (salicylates) will require a doctor's order before school staff may administer this product.** For many years, aspirin has been contraindicated for children with chicken pox due to the risk of developing Reye's Syndrome, a serious potentially fatal condition. Recently, many doctors have recommended excluding any product containing salicylates for any viral illness. As you know, viral illnesses are often very difficult to identify, and for this reason we must implement this requirement.

Some of the products frequently administered to students that contain aspirin (salicylates) are aspirin tablets, Bismuth Liquid (Pepto Bismol) and combination products often given for colds, allergies and pain.

All medications must be age appropriate. For example, Tylenol and/or Motrin should be Children's or Jr. strength. Even if your child takes 1 tablet of the adult form at home, please send in only Children's or Jr. Strength for school. This is to comply with school district policy.

Your child's health is very important to us and it is felt that this safeguard will help to ensure their well-being.

SPECIAL HEALTH PROBLEMS

Please make your child's teacher and the school nurse aware of any SPECIAL HEALTH PROBLEMS. A statement of the nature of the special health problem is required in writing. A doctor's statement is required to outline procedures that need to be taken in the event your child requires any special attention.

HOMEWORK/CLASSWORK

Homework is an integral part of the learning process and includes opportunities for students to reinforce, synthesize, and extend classroom learning. Homework should be meaningful and engaging, should purposefully support the curriculum, and should help students develop responsibility and good work habits. Homework is a natural extension of the school day and an important part of a student's educational experience. Homework should be designed to be completed independently. The three generally recognized types of homework are practice, preparation, and extension. Practice homework reinforces newly acquired skills taught in class. Preparation homework helps students prepare for upcoming lessons, activities, or tests. Extension homework provides challenging, often longer-term, opportunities for enrichment and extension that parallel class work. Students should be taught study techniques, including the wise scheduling and use of time for both daily and long-range assignments. Within five days of a student's return from an excused absence, the student must work out provisions for making up missed work with the teacher(s). The principal must approve the make-up of work missed during an unexcused absence after consultation with the teacher(s). Recommended time for homework by grade levels are:

Grades K – 2	30 minutes/day
Grade 3	45 minutes/day
Grades 4-5	60 minutes/day

Students should spend some time each day reading independently. This time should not be considered part of homework and should include a variety of types of reading. Research indicates that providing feedback on homework enhances student achievement. Homework should have clear meaning and importance relating to the curriculum.

If your child is ill and unable to attend school, you may arrange to pick up his daily assignments by calling the school office 24 hours prior to picking up missed work. This will enable the teacher to make arrangements throughout the day to gather the assignments. You may pick up these assignments in the front office after 2:30 p.m.

LEGAL GUARDIANSHIP

If a single parent has a court order in the school record as **proof of custody and the school is notified each year**, the school will do its best to honor the request of the parent concerning who has authority to pick up the child. The school must be informed **in writing** as to who is authorized to pick up the child. Inform your children of the persons authorized to pick them up, and instruct them not to go with anyone else. **Without proof of custody in the child's permanent record, the school has no recourse but to dismiss the child to either parent.**

MEDIA CENTER

The school library functions as an integral part of the whole school program. The library exists to support the curriculum of the school and to help provide the needs of the wide range of students within the school through the variety of its material and the flexibility of its program.

A MOMENT OF SILENCE

South Carolina state law mandates that all schools shall provide for a minute of mandatory silence at the beginning of each day. Brushy Creek will have a minute of silence after our Pledge of Allegiance.

PTA NEWSLETTER/BULLDOG BLAST

One way of communicating with parents is through our PTA newsletter and Bulldog Blast. Included in the newsletter and weekly blast will be information about upcoming events at the school. You can become better informed parent by reading the **BULLDOG BULLETIN and BULLDOG BLAST.**

NOTES REQUIRED FROM PARENT OR GUARDIAN

The school requires notes from parents or guardians for explanation of the following:

1. Absence
2. Change of transportation
3. Request for early dismissal
4. Request for excuse from recess or physical education
5. In reply to notes from the teacher or principal
6. For all field trips (If a financial situation arises that would impact your child being able to participate, please inform the teacher or principal.)
7. Authorization to administer medication

BACKPACK FOR PARENTS

Parents are encouraged to sign up for parent backpack. You will need your student's school ID number to add your student once you have enrolled as the parent.

A Backpack for Parents account provides parents, guardians, or contacts with a central place to sign in to do the following:

- View their student's information including demographics, attendance, classes, grades, lunch balances, and test scores
- Apply or register their student to Special Focus schools and programs (Fine Arts Center, Career Centers, etc.)
- Receive alerts and notifications regarding their students
- View their student's school and contact information
- Manage parent and contact information for their students

For additional information, please go to: <https://www.greenville.k12.sc.us/Parents/main.asp?titleid=backpack>

PARENT-TEACHER CONFERENCES

There will be a scheduled conference between the child's teacher and parent at the end of the first 45-day reporting period for all students. Teachers will also schedule conferences throughout the year as needed to share information about a child's progress.

Parents are encouraged to initiate conferences at any time by writing a note or calling the school office for an appointment with the child's teacher.

When teachers observe the need for additional parent-teacher conferences, they will request that parents come in for special conferences.

Teachers at each grade level will explain the homework policy. We encourage parents to provide assistance if needed but to expect their child to be responsible for the assigned work. **If your child is spending more than an hour per night on homework on a consistent basis, it is advisable to contact the teacher to discuss this matter with your child's teacher and/or the principal.**

PARKING DURING SCHOOL HOURS

Visitor parking spaces are provided near the front entrance of the school. If these are all full, additional parking is available in the large parking area. **Please do not park in the driveway at the front of the school. This is the fire lane and must be kept clear at all times!**

PERMANENT RECORDS

A permanent record is maintained in the school office for each student. All information in the permanent record is confidential and is accessible only to the professional staff, and the student's parents or guardian. Please schedule an appointment with the counselor if you desire to review your child's permanent record. When a student transfers to another school outside Greenville County, the records will be forwarded to the new school upon receiving a written request from the new school.

PLACEMENT OF STUDENTS

2024 - 2025 Teacher Characteristic Letters are due Tuesday, March 26th, 2024. The principal works closely with the classroom teachers, guidance counselor, related arts teachers and assistant principal to assign students to a heterogeneous homeroom class. Changes in enrollment at the beginning of school may necessitate assigning students to different classes, but every effort will be made to limit the changes which are made.

PROCESSING END OF YEAR RECORDS

Before a child's record can be processed for the school year, the following must be completed:

1. All fall, spring and group pictures must be returned or paid for in full.
2. All fees for lost/damaged South Carolina textbooks must be paid in full.
3. All activities, materials, etc. that have not been paid for during the year must be resolved.
4. All NSF checks and service charges must be cleared.
5. All library books must be paid for or returned.

PROMOTION/RETENTION POLICY

The Promotion Retention Policy adopted by the School District of Greenville County assures that students reach minimum academic standards at each grade level before they are promoted.

Students must meet the criteria set by the district in order to be promoted. Parent conferences will be requested to inform parents of the academic concerns about their child. Parents will also be notified in writing if there is a possibility that their child may not meet the standards. Parent conferences will be scheduled to discuss the academic progress the child has made and to share ways parents can help their child at home.

PTA SUPPORT

Without the help of the Brushy Creek PTA many special things would not be possible at our school. Last year PTA volunteers gave over 15,000 hours of time in addition to monetary support.

Thanks, PTA, for your continued support to make Brushy Creek an exciting place to learn. The PTA renders a number of valuable services to the school and sponsors several fund-raising projects during the year. You are encouraged to become actively involved in supporting PTA activities. Announcements about meetings will be sent home with the children prior to each meeting.

PTA Membership dues are \$5.50 per person. Parents, grandparents and other family members of Brushy Creek are invited to join PTA.

Please let our PTA Volunteer Coordinator know the areas in which you would be interested in volunteering. **Please remember that if you have younger children, you will need to make other arrangements for them while you are working in the school. For safety purposes children are not permitted to enter the Teacher's Workroom due to the equipment that is contained in this room.**

*****ALL Volunteers must be cleared as a Level 1 or Level 2 volunteer*****

RETURNED CHECK POLICY

Our school and/or cafeteria is charged a fee when we receive a check that cannot be processed due to insufficient funds. The School Secretary and/or Mrs. Hawkins (food service Manager) will notify anyone whose check is returned for this reason and request that the matter be resolved as soon as possible. **A service charge of \$10.00 will be added to the original amount of the returned check. We do reserve the right to accept cash only in the event that this becomes a frequent problem.**

SCHOOL IMPROVEMENT COUNCIL

SIC meets monthly. All meetings are open to anyone who would like to attend. SIC meetings are listed on the calendar included in this handbook.

OBJECTIVES:

- To gain knowledge concerning the purpose and goals of the school.
- To disseminate information to other parents and citizens within the community and to clarify information concerning school programs.
- To offer suggestions concerning program improvements with respect to student needs and program operations within the individual schools.

SCHOOL STORE

A school store is available for the convenience of the students. **The School Store is opens from 7:15-7:40 a.m.**

SCHOOL PARTIES/BIRTHDAY CELEBRATIONS

There will be two scheduled class parties each year. Teachers will communicate the scheduled party dates with parents through their weekly newsletter.

A child's birthday will be recognized by the classroom teacher but will not be celebrated with a party, cupcakes, balloons, etc., during the school day. **Invitations for private parties may not be passed out in the classroom unless all students are receiving invitations. Also, it is the responsibility of the student to pass out the invitations.** Parents may bring a snack (individually wrapped) to be eaten at lunch time to celebrate a child's birthday. However, the teacher needs to be notified in writing prior to the snack being brought to school. In the event that two children have the same birthday and snacks are brought for both, the teacher will use his or her discretion in when the snacks will be eaten. Items such as flowers, balloons, etc. that are delivered to the front office for a child will be given to the child at the end of the school day. It is strongly encouraged that these kinds of deliveries be made to the home rather than the school.

SCHOOL TRAFFIC

For the safety of the students, the following traffic rules are to be obeyed during the arrival and dismissal of students:

1. Please utilize the main entrance to our school, which is located off Brushy Creek Road, adjacent to Eastside High School. Kindergarten and Grade 1 pick-up should follow the left lane. All others should follow the right lane.
2. **Right Turn Only** – When exiting the campus between 7:00-8:00 a.m. and 2:00-3:00 **ALL** cars are expected to turn right, only.
3. Each child/family has been assigned a number for his/her enrollment at Brushy Creek. This number will be used during after school DISMISSAL ONLY.
4. Parents must display the **original** number tag for the current school year on the front inside rearview mirror. Numbers must be visible at all times during dismissal.
5. All families will receive three carline tags at the beginning of the year. If tags are lost or parents need additional car tags, **a fee of \$1.00 will be charged.**
6. To protect our children, parents will not be permitted to pick up a child without the original number tag and will be required to report to the front office with proper identification.

7. To insure the safety of our children, we load students into cars in groups of ten per car line. As we load our students we ask for all cars to wait until the ten cars have been loaded before driving off.
8. **RECALLS.** If your child is not loaded when the group of ten cars is ready to move, he/she will be considered as a recall and you will be asked to pull into the designated recall area and your child will be escorted out by a staff member.
9. Parents are not permitted to walk to the building to pick-up a child – everyone **MUST** utilize the car line.
10. **Students who are walkers will be escorted by a staff member to the appropriate crosswalk. All car riders must be picked up in the car line.**
11. Students and parents are to cross only in a crosswalk or where there is a school crossing guard or teacher.
12. To insure the safety of our children, please be mindful that the carpool lines are a **“NO PHONE ZONE”** during the hours of 7:00 – 7:45 a.m. and 2:00 – 2:45 p.m.

SMOKING POLICY

The School Board has established a No Smoking Policy in all schools in the district. This policy prohibits the use of any tobacco products in the school or on the school grounds.

SOUTH CAROLINA IMMUNIZATION REQUIREMENTS

All students entering seventh grade must receive or have already received a dose of Tdap vaccine to protect them from pertussis (whooping cough). Parents do not have to wait until their child enters the seventh grade as children as young as seven years old can be vaccinated. Parents will need to provide their child’s school with a SC Certificate of Immunization showing that their child received this newly required Tdap vaccine. Parents, please don’t wait – avoid the rush by making an appointment with your child’s healthcare provider to get the required T-dap vaccine and other vaccines recommended for your child’s protection.

A child cannot be admitted to any school or child development program without a valid State Certificate of Immunization or a valid medical, religious, or special exemption.

Minimum Requirements:

Four (4) doses of any combination of **DTP, DT, DTP-Hib, DTaP, or Td vaccine** with at least one dose received on or after the fourth birthday.

Three (3) doses of any combination of oral or inactivated **Polio vaccine** with at least one dose received on or after the fourth birthday.

One dose of **Rubeola (Measles) vaccine**, received on or after the first birthday.

One dose of **Rubella (German Measles) vaccine** received on or after the first birthday.

One dose of **Mumps vaccine** received on or after the first birthday.

Three (3) doses of **Hepatitis B vaccine** for all students in grades Kindergarten through grade twelve.

One (1) dose of **Varicella (Chickenpox) vaccine** or positive history of disease for all students in Kindergarten – grade 6. For students who have had the chickenpox, a form indicating approximate date or child’s age at onset of chickenpox must be completed with parent signature. These forms are available in the front office.

If your child does not have valid certificate, take all his/her shot records to your physician or the **County Health Department (282-4100)**. A student under 16, requiring shots, must be accompanied by a parent.

New residents may temporarily enroll their children in school for 30 days with a special exemption issued by the school until an immunization certificate can be obtained. If a certificate is not presented to the school at the end of the 30 days, the student will no longer be allowed to attend school.

SPECIAL ACTIVITIES/PROGRAMS

Special activities, plays, programs, field trips, etc. help to make Brushy Creek an exciting place to learn. **Students must earn the privilege of participating in these special extra-curricular events by completing their school work, meeting the expectations and responsibilities established by the classroom teacher and/or principal, and exhibiting good behavior.**

Children are made aware of the expectations for themselves and their responsibilities and are encouraged continuously to do their best to fulfill their responsibilities. **Parents are made aware if and when a child has not fulfilled his or her responsibilities.**

The Brushy Creek staff continuously reminds and encourages students to do their best to fulfill their responsibilities. Some of the things students are responsible for are returning library books, completing homework/classwork, and returning parent correspondence. It is the parents' responsibility to provide the funds for the student to repay borrowed lunch money, return or pay for school pictures, and pay for any lost/damaged books. **Parents will be made aware of responsibilities or expectations that have not been fulfilled before a child loses the privilege of participating in special curricular activities.**

SPECIAL SERVICES

Special Education services are available to students who qualify according to South Carolina and federal criteria. Psychological evaluation, speech, hearing and vision testing is provided at no cost to the parent. If you feel that your child could benefit from these services, which are available without charge, contact his/her teacher or the principal. It is important to understand that the school is required to follow a specific process in referring students for special services. This is a lengthy process which may extend throughout the school year.

Speech, Hearing and Vision Testing: Screening programs for vision, speech and hearing are provided in the school. Speech and hearing testing and therapy are available to children with special needs. **Any child may be tested, if requested by the parent or teacher.**

All students in the following grades will be screened for vision and hearing:

Vision – 5K, grades 1, 3 and 5

Hearing – 5K, grades 1, 2 and 3

These screenings will take place as early in the school year as possible.

Resource Teacher: The Resource Specialist of Special Education assists the regular teacher in the selection of approaches, methods and materials that will help pupils with special needs.

STANDARDIZED TESTING PROGRAM

Brushy Creek Elementary follows the district and state testing programs. Standardized achievement and aptitude tests are administered and test results are available to the parents. Standardized test data are used to identify those areas in which students show academic strength or weaknesses and to help us improve our instructional program. Parents will receive a copy of their child's test results. Our administrators are always available to answer any questions or provide explanation about your child's test scores.

Standardized Testing Schedule

April 30, 2024 SCREADY SCIENCE (4th Grade Only)

May 1, 2024 SCREADY ELA DAY 1 (3-5 Grades)

May 2, 2024 SCREADY ELA DAY 2 (3-5 Grades)

May 7, 2024 SCREADY MATH (3-5 Grades)

STUDENT RECEIPTS

All receipting of school funds is done electronically. When a student pays for any activity—field trips, insurance, activity fees, pictures—the student will receive a printed receipt. If you have any questions about a receipt or if you have already paid for an activity, call the school secretary at 355-5400.

PERSONALIZED LEARNING

Our school is a model school for the use of technology in the School District of Greenville County. It is our goal that all children will have the opportunity to be involved in the use of many new technologies that will enhance their educational experience. Brushy Creek teachers have been and will continue to be involved in many training experiences to enrich students' technology experiences in the classroom.

All students have access to computer technology. The Greenville County Schools Student Acceptable Use Policy for the Internet is an 'opt-out' policy. All students will have permission to use the Internet, unless parents submit a letter to the principal opting out of Internet use. By doing so, your child will not have access to web-based computer programs used in school.

CHROMEBOOK USAGE

All students will receive a Chromebook as a part of the Greenville County Schools' Personalized Learning initiative. As a student-centered district, our priority is to build better graduates. While incorporating devices into our classroom environment does not replace classroom teachers or good instructional practice, it can enhance or even transform student learning experiences. There is an annual Technology Fee each school year. Parents/guardians will need to complete a Chromebook Agreement form for EACH Brushy Creek student in their family. Please note, if your student did not return his/her Chromebook and/or charge cord last school year, he/she will not be issued a new one this year. Parents/guardians must pay the replacement fee in full before a new Chromebook and/or charger is issued. These fees may be paid over time, but full payment is required for a student to receive a new device/charger.

The School District of Greenville County
Student Acceptable Use Policy Agreement

The School District of Greenville County has developed a computer network that connects all schools to each other, the District Office, and the Internet. "Acceptable use" of this network is use that is consistent with the instructional goals of the District. The District takes precautions by using filtering software to keep inappropriate Internet sites out of the classroom. Electronic teaching and learning tools and online access are designed to support your education. If "acceptable use" rules are broken, students may lose the privilege to use both classroom computers and/or the Internet. Further disciplinary and/or legal action may be taken at the discretion of school administration.

*Please note that parents may choose for their child not to have access to the Internet at school; however, students who do not have access to the Internet will not be able to access email or web-based programs that teachers may be using in class. **Your child has agreed to the terms and conditions of this document upon acceptance of the school district handbook. Violation of any of the terms or conditions will result in disciplinary action.***

- **Treat computer equipment with care and respect** – willful destruction of any computer equipment or software will be considered vandalism, and may warrant the involvement of local law officials.
- **Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be education-related and not offensive in any way.**
- **Do not use school computers for illegal activities such as planting viruses or hacking.**
- **Do not use school computers for commercial purposes.**
- **Follow copyright laws at all times** – See District copyright policies for more information. If you have questions about the legality of using software, text, graphics, or music you find online, ask your teacher or media specialist for guidance.
- **Keep your password secret** – You will be held responsible for all computer activities associated with your password. For example, if you share your password with your friend and he/she signs on as you and breaks one of the rules outlined above, you may be held responsible.
- **All online communication must be polite and not threatening or offensive in any way** – All students in grades 3-12 are issued filtered email accounts. The District has the right to review any email sent or received using District equipment and email accounts. Email accounts should be used for educational and district purposes only.
- **Do not give out personal information on the Internet.** Never give out your phone number, social security number, full name, age, home address, or any other personal information.
- **Home directories are provided to students for educational related work.** Students should not store personal or non-school related work in home directories. The District reserves the right to review the contents of student's home directories.

*****Please contact the school if you do not want your child to have access to the Internet and email. *****

TELEPHONE MESSAGES

The school telephone number is 355-5400. Messages will be taken for the teachers, but it may not be possible to deliver them immediately. Only in emergencies will a teacher or student be called to the phone during class time. Students may use the school telephone only for emergencies as deemed necessary by office personnel. **Arrangements for after school activities should be made before a student leaves home.** Forgotten homework, arrangements for after school, etc., are not considered emergencies.

TRANSFERS

When a child is to be transferred from Brushy Creek to another school, please notify our school office **at least two days** in advance. A transfer form will be prepared, which the child will bring home on the last day of attendance. You will need this form to register your child in another school. School records will be forwarded to the new school upon request from that school provided all books have been returned and all fees have been paid.

VISITATION IN THE SCHOOL

All visitors in the building, including parents and school volunteers, must stop by the office first and sign in so that we may know that you are in the building. **Visitors and/or volunteers must wear a Visitor/Volunteer Badge.** This regulation is for your child's protection. Parents are welcome at school any time. Arrangements must be made in advance with the principal and the teacher before visiting or observing in a classroom. **Parents may not visit on our playground during recess time. This is a time that requires a teacher's undivided attention to his/her class. If there is a special need to observe a child's social activity, it must be arranged with the teacher and principal.**

HEALTH AND WELLNESS EDUCATION

Social Emotional Learning is a term used to describe traits students need to be prepared for opportunities in life, education, and employment. GCS has committed to building a better graduate, which includes social and emotional skills like perseverance, integrity, work ethic, and interpersonal skills. These are all skills that the business community has emphasized are needed for our students to become healthy and effective employees. The name of our SEL curriculum for elementary schools is Rethink SEL and it is created by Rethink Ed.
