

BRYJA-BLYSTONE SCHOLARSHIP 2024

The Bryja-Blystone Scholarship is now offered to graduating seniors who plan to major in secondary education with certification either in mathematics or a science related content area. This scholarship is funded by the Bernie Blystone Family and is in honor of Mr. Walt Bryja, former science teacher at Apollo-Ridge High School who was valued for his enthusiasm and impact on the learning of students. The scholarship award is a total of \$1,000, which will be awarded upon completion of the recipient's freshman year of college and verification that the student has maintained a minimum 3.0 grade point average. The awarded student must submit a copy of their transcripts to the Superintendent upon receipt for verification to the scholarship sponsor.

To apply for this scholarship, please complete the information below and submit to the Guidance Office on or before Thursday, May 2, 2024. In addition, please attach a brief essay (500 word max) detailing why you have chosen to pursue mathematics/science education as a career.

Name: _____

Address: _____

College/University that you will attend: _____

Major: _____
