

Bryson Pickerell Memorial Scholarship

From the time Bryson entered this world, he had a love for the outdoors. Bryson was full of adventure and fun. His love for riding 4-wheelers started at a very young age. Riding 4-wheelers was always his passion. He loved popping wheelies and doing donuts. He would get a smirky smile on his face every time he did it. If he wasn't riding 4-wheelers, he was fishing or hunting. Anyone that knew him, loved him! He had one of those personalities that everyone is drawn to. On October 14, 2021, his life was cut short at just 12 years old. During those 12 years, he lived his life to the fullest, he was fearless! It's difficult to lose a friend or family member, there is no easy way to deal with the loss and grief. We are pleased to honor a MCHS graduate a memorial scholarship to help continue the legacy of our beloved, Bryson Pickerell.
