Greenview PTA Annual Report Summary

Ever wonder where the money goes that we raise every year at Greenview? Or why we even need a PTA? Ready to hear some amazing numbers???

Volunteer Hours – We logged over **700 VOLUNTEER HOURS** last year. This only represents those hours reported at PTA meetings. It does not include parent time spent in the classrooms or volunteering in the school.

Fundraising – We raised over **\$11,000** this year. Granted this year's fundraising program had some bumps and we continue to look for suggestions for future fundraisers. We don't want to sell stuff you don't want to buy. All the activities we support cannot happen without these funds.

Members – **122**; half of which were staff – thank you staff!!! Please consider joining – your support matters. Even if you can't make meetings membership means you will receive the monthly newsletter as well as other email blasts.

Seasonal Treats – **2,700** treats handed out to students for Halloween/Fall, Winter and Valentine's Day!

Activities supported during the school year:

Greenview Tailgate
Back to School Night
Science Assembly
Reflections Art Program
Scholarship Program (2- \$500)
