## Message From the Principal

Welcome to the Buchanan K-1 Center where the Gift of Learning Begins! Our staff is committed to building on our ideal that at Buchanan, *"Everybody IS Somebody."* I look forward to being the new principal at Buchanan, getting to know the students and families, carrying on the great things happening here, and working towards continuous improvement.

I believe that all students and families should feel that they are loved, they matter, and they belong here. I appreciate your collective efforts as we work together for the improvement of our school and students by developing self-discipline, making good choices, respecting others, and accepting responsibility for our actions. Your involvement as a partner in your child's education is vital for a successful school experience.

As you walk through the doors at Buchanan you will see a bright and cheery environment promoting high expectations for all students. You will see enthusiastic teachers individualizing instruction to meet the needs of their students. You will see all staff members committed to one thing and that is your children.

This handbook is designed to help inform you about school policies and procedures and assist you with questions you may have. If you have any additional questions or suggestions, we ask that you contact a teacher or the Buchanan office staff.

Sincerely,

*Heather DeBoer*

Buchanan School was built in 1961, and the Helen Buchanan Wing was added in 1978 with another addition built in 1997. While under the care of our beloved Principal, Peggy Heinz, Buchanan was renovated in 2014 and is now the Buchanan K-1 Center with over 400 students. Over the next 9 years, Principal Heinz added color throughout the building. We are thankful to have a beautiful facility.

All visitors to our school (including parents) are asked to report in at the office upon arrival in the building. If you wish to eat school lunch with your child, **please call the school office (353-7875) before 9:00 AM.**

**Transportation changes should be made before 2:30 PM.**

It is important that the school is able to contact parents/guardians quickly to keep you informed. Please notify the school as soon as possible of any address, email, or phone number changes.

Attendance is critical to the success of your child's education. Please call the school office (353-7875) if your child should need to be absent for any reason. We hope that you make school attendance a priority to ensure a consistent routine and expectation for your child. There are so many aspects of the school day that cannot be replicated due to the atmosphere and positive social qualities of being present in a school building.

## FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend their child's or their education record should write to the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already

enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

*\*Any questions in regard to 504 or the Americans with Disabilities Act should be directed to your child's building administrator.*

## **Rights to Nondiscrimination**

The Huron school district does not discriminate in its employment policies and practices, or in its educational programs or activities on the basis of race, color, creed, religion, age, marital status, gender, disability, national origin, or ancestry.

Questions on Title VI or Title IX may be referred to Mrs. Linda Pietz or Mrs. Jolene Konechne, Coordinators, Huron School District, Huron, SD 57350 (605-353-6992).

- Dates of attendance
- Parents or guardian of student
- Participation in school-recognized activities

- A. to know what charges are against him/her.
- B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so.

Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the school office.

## **Title I**

Title I Schoolwide Schools: Huron School District K – 8

Every Student Succeeds Act (ESSA), Title I, Part A, provides financial assistance to state and local schools with 40 percent or greater low income.

Title I Parents Right to Know

The federal education law put in place by the Elementary & Secondary Education Act (ESEA) requires that all parents in a Title I school be notified and given the opportunity to request information about the professional qualifications of classroom teachers and paraprofessionals instructing their child. You may also request information on the level of achievement and academic growth of the student, if applicable and available, on each of the State academic assessments. If you are interested in this information, you may send your request to the building principal who will provide a timely response.

Title I Notice Requirements

The Elementary and Secondary Education Act is our country's most important education law. On December 10, 2015, the Every Student Succeeds Act (ESSA) became law. It was designed to make changes in teaching and learning that will help your child succeed in school.

Because the Huron School District receives federal funds, we are required by law to provide you with the following information.

❖ Notification of your right to ask schools about the qualifications of your child's teachers. (Found in the handbook)

o We believe that nothing is more important to your child's education at school than

having a well-prepared and highly qualified teacher. As a parent/guardian you have the right to request information about the professional qualifications of your child's classroom teachers.

❖ School/Parent Compact (Found in the handbook) o Positive school/parent relationships are a critical component of your child's education.

It is essential that the school and parent/guardian work together to reach high academic standards for your child. The school/parent compact is a written agreement between teachers and parents. It clarifies what families and the school can do to help children reach high academic standards.

❖ District and School Parent Involvement Policy (Found on the district Website) o This policy details your rights to participate in an annual meeting and the decision-

making process for creating a school-wide Title program. It also details the

commitment to a shared responsibility for academic achievement.

❖ Complaint Policy for Federal Programs (Found on the district Website) o This policy notifies you of your right to address a complaint in writing to the

superintendent, should you have a complaint, regarding the use of federal No Child Left Behind (NCLB) funds that cannot be resolved.

We encourage you to support your child's education and communicate with his or her teacher on a regular basis. You may direct questions about the Title program in your building to your child's teacher, the building administrator, or the Director of Federal Programs. You may also find information about your school's Title I policy on the district website under the FEDERAL PROGRAMS tab. By partnering together-families and educators – we can provide your child with the best education possible.

## Attendance

### **Buchanan School Hours for the K-1 Center 8:15-3:10**

#### **ABSENCE**

Regular attendance is essential in order to benefit from an educational program. Making up homework does not adequately compensate for what has been missed during the class presentations.

When your child will be absent, please contact the school as early as possible. If your child is staying with someone else during your absence from the city, please inform the school.

A child may be excused at 11:30 or after 2:30 for piano lessons if the teacher and principal agree that the child can afford to be away from school at these times.

When it is necessary to pick up your child from school before regular dismissal time, please contact the school as soon as possible.

When your child has been absent because of a contagious disease (measles, mumps, chicken pox; not flu or cold), he/she must have written permission to return to school. You may obtain permission from the school nurse by making an appointment at the Buchanan K-1 Center. You may also get written permission from your doctor or the county health nurse if that is more convenient for you.

Your child will be sent home if they have a fever of greater than 100.0 degrees, and may return to school after 24 hours without a fever. The fever should be less than 100.0 degrees without the use of fever reducing medication for 24 hours.

Please send a note to your child's teacher when he/she is to leave for an appointment or call the office.

#### **ARRIVAL & HOURS**

School doors do not open until **7:30 AM**. No students are allowed to arrive prior to 7:30 AM. Breakfast starts serving at 7:45 AM. **All students go outside at 8:00 AM**. Parents are asked to drop off their students at the front door at arrival time.

All children are urged to return home or to their after-school supervisor immediately after school. This is essential so that parents or after school providers will know where their children will be playing. Parents are asked to encourage their children to do this each day.

## Academics

### School Compact

We feel it is very important to have the school and home working together to ensure your child receives the best education possible. In order to promote that idea, each year we have our students, parents, and staff members sign the following School Compact:

#### **As a Student, I Will:**

- \*believe that I can learn and will learn.**
- \*always do my best in my work and behavior.**
- \*show respect for myself, my school, and other people.**
- \*come to school prepared with my homework and supplies.**

#### **A Parent/Guardian I Will:**

- \*see that my child attends school on time.**
- \*provide a home environment that encourages my child to read and learn.**
- \*communicate regularly with my child's teacher.**
- \*show respect and support for my child, the teacher and the school.**

#### **As a Teacher I Will:**

- \*believe that each student can learn.**
- \*show respect for each child and his/her family.**
- \*provide an environment conducive to learning.**
- \*seek ways to involve parents in the school program.**
- \*demonstrate professional behavior and a positive attitude.**

#### **As a Principal I Will:**

- \*provide an environment that allows for positive communication between the students, parents, and teachers.**

## **Helping Your Child**

- Children are eager learners and there is a lot that can be done at home to stimulate their growth and development. Many learning activities should be planned within the family.
- Parents who read books usually have children who read books. Reading aloud to children is an excellent practice because it develops their interest in reading.
- Once your child has learned to read, listen to him/her when he/she brings a book home, and share your child's enthusiasm and interest.
- Enrich your child's reading through visits to the library.
- Encourage your child to take part in family conversations and take time to answer questions about why things happen.
- Show an interest in your child's reports of his/her experiences.
- Show your child that writing serves many purposes. After your child has learned how to write, give him/her opportunities for writing notices, letters and nametags.
- Make your child aware of how you use math in daily living.
- Enrich your child's life with family trips and excursions, encouraging him/her to be curious by calling attention to the world around him/her.
- Impress upon your child the need for sufficient sleep, well-balanced meals and adequate exercise.
- Teach your child proper hygiene habits, and make him/her feel responsible for his/her personal care and cleanliness.
- Teach your child to obey police men/women and traffic signs and warn him/her never to talk or ride with strangers.

- Urge your child to play with children of his/her age and participate in a variety of play activities.
- Try to provide proper paper, crayons, scissors, paste and other materials for your child to use in doing creative art work at home. Show interest in the creative work your child does and praise him/her for all efforts.

### **Parent & Community Involvement**

Citizens from the community are encouraged and invited into the school to provide additional learning experiences in the curriculum. Individuals interested in volunteering their services or expertise to the school are encouraged to contact the principal or their child's teacher.

As part of their class work, pupils are also taken on trips to places of interest in the community. These trips are valuable because they offer concrete learning experiences and opportunities for training in courtesy, citizenship, and safety.

Parents are encouraged to become involved with their local school community by becoming active members in their school's parent-teacher organization. You will be receiving information from your school regarding school organizations.

### **Assessment**

Various state and local assessments are used throughout the school year to determine your child's level of achievement as well as their progress. These assessments include but are not limited to the following:

- MAP/NWEA - Measure of Academic Progress (grades K-2) - fall, winter, spring
- Access
- WIDA Model

The results of these assessments may be shared with you during parent teacher conferences. You are invited to discuss these results with your teacher or principal at any time.

### **Conferences**

Parent-teacher conferences provide an opportunity for a discussion of your child's work. Conferences are held twice a year. A unified effort of home and school is important for the child's happiness and success. Parents are invited to consult with the teacher or principal at any time.

## **Keeping Students After School**

Children are sometimes kept after school to finish work or for disciplinary reasons. Some children may stay a few minutes after school to help with room duties. Children are given permission to call home to explain their reasons for staying after school, should the time exceed 15 minutes. All other children should be out of the building by 3:15.

## **Physical Education**

Physical education class is enhanced when students wear appropriate clothing. Appropriate clothing includes tennis shoes with proper laces or Velcro fasteners. (No jelly shoes, aqua shoes, slip on tennis shoes or aerobic shoes.) It is particularly important that girls wear slacks or jeans on the days they have physical education.

A student will need a note from home if the parent does not want him/her to participate on a given day due to illness. If the student is not to take part in PE class for an extended period (one week), a statement from a doctor will be needed.

## **Report Card Explanation**

Other school exclusions are listed on the district website.

The school nurse is not always in the building. Students should ask the secretary for assistance if the nurse is not available. Parents can contact the school nurse by calling the school or sending an email to (building nurse email).

### Immunization Records and Requirements

**South Dakota Codified Law 13-28-7.1** (Rev. 2016) requires that any pupil entering school or an early childhood program in this state shall, prior to admission, be required to present to school authorities certification from a licensed physician that the child has received, or is in the process of receiving, adequate immunization against poliomyelitis, diphtheria, pertussis, rubeola (measles), rubella, mumps, tetanus, meningitis and varicella (chickenpox), according to the recommendations of the State Department of Health.

This law applies to ALL children entering a South Dakota school district for the first time. This would include children in early intervention programs, preschool, as well as kindergarten through twelfth grade. Children under 4 need to be age-appropriately immunized.

Examples include, but are not limited to, antibiotic cream, anti-itch cream, eye drops, cough drops, and antacids. Please contact the school nurse if you do not wish for your child to receive these treatments.

Medication must be age appropriate and FDA approved; no vitamins/herbal treatments will be given at school.

Students are not allowed to carry medications with them with the exception of rescue medications (i.e. inhalers, EpiPens, insulin, glucagon, etc.)

Medications are secured in a locked cupboard and only administered by trained staff per SD codified law. A record of medications administered to students is kept in the nurse's office.

**Medication concerns or questions shall be directed to the school nurse.**

## **Staying Inside During Recess**

Children may not remain in the building during recess time except at the request of parent, teacher, or the principal. If it is necessary for health reasons for a child to remain in the building during recess, a note from the parent must be written to the teacher. In the event of a long-term request, usually after the first day, a signed statement from the child's doctor may be required by the school's principal or nurse.

60 or above	Please use discretion

### Book Bags

Students are *encouraged to utilize book bags* for the protection of school books, notices, etc

### Care of School Property

***Parents will be held financially responsible for damages to school property incurred by their child.*** Students will be assessed a fine for lost or damaged books.

### Change of Address

Please notify the school of any change of address or telephone number. If you plan to move out of town or transfer from one school area to another, please notify the school office in time to prepare the necessary withdrawal or transfer information.

### Crossing Streets

Please instill in your child the correct procedure for crossing streets. Students should cross at ***intersections only***. With many parents picking up students at dismissal time, the area around the school can be hazardous. ***Parents are asked to help students cross streets at the corners.*** At the end of day, **ALL** students must leave the school grounds, then they may return to play.

## **Electronic Devices**

Electronic devices such iPad, MP3 players, headphones, cellular phones, and cameras are not to be used or carried while school is in session, unless specifically approved by their teacher. If students are observed to be using or are in possession of one of these devices while school is in session, without permission, the item will be confiscated and may be picked up in the principal's office at the end of the day. If the item continues to be a disruption, it may be confiscated and ***only*** returned to a parent/guardian. ***Students choosing to bring these electronic devices, do so at their own risk.*** The school is not responsible for lost or stolen electronic devices. ***Laser lights and other nuisance items are not permitted in the building at any time.***

## **Emergency Procedures**

Provisions are made for emergency locations in each school area. These locations will be used for the children in the event of any evacuation necessary, as in the case of fire or other emergency during school hours. Your principal will inform you of the emergency locations. Lockdown procedures are reviewed yearly and plans are on file at each building.

Contact your building principal or your child's teacher if you wish further information about these programs and/or services.

## **Gym Use**

Arrangements can be made through the school office. A certificate of liability is needed or a school employee needs to attend all practices. An agreement needs to be signed by all responsible parties.

## **Leaving School Grounds**

Children are ***not permitted*** to leave the school or playground before the regular dismissal time unless permission has been given by the principal or their designee. If students leave the school grounds without permission, the school resource officer may be called. Bus students are to remain on the school grounds until bus pickup time. For safety reasons, if a child is to eat lunch at a place other than at home or school, ***verbal/written*** notice from the parent to the principal should be given ***before*** lunch.

## **Lost & Found**

An area for lost and found articles is kept at school. Please look in this area when you visit school, as many children do not easily recognize their own clothing. Please mark boots and coats when possible. Articles not claimed after a period of time are given to charitable organizations.

## **Messages**

When coming to school to pick up your child, give a message, or deliver school items *please stop at the office*. This will eliminate the unnecessary disruption of classes.

## **Money**

Students are *discouraged* from bringing money to school other than for school related purposes.

## **Party Invitations**

Invitations to private parties, May baskets, Valentines, etc., should be sent to school for distribution only when *all children* in the classroom are included.

## **Room Parties**

A short period of time is set aside for room parties on Halloween, the last day of school prior to Christmas vacation, and on Valentine's Day. If parents wish to send a treat on those days or for a child's birthday, arrangements should be made with the teacher.

## **Safety Rules**

Safety precautions and rules are discussed in each classroom. Please discuss safety rules with your child, including walking to and from school and riding bicycles.

If you bring your child to school by car or pick him/her up at dismissal time, it is advisable to stop your car in a place that does not require your child to cross the street in front of moving traffic. Each school may have a designated area.

## **School Pictures**

School pictures are taken during the early part of the school year. A letter of explanation will be sent home prior to pictures being taken. The purchase of the pictures is voluntary.

## **Telephone Usage at School**

Children must have permission from their teacher or principal to use the school telephone. Each classroom has a telephone.

***The telephone call must concern illness or school business.*** Asking permission to play at a friend's house after school is **not** considered business. Special transportation after school should be arranged before the child leaves for school in the morning. (A note or phone call from home is important to communicate the special transportation arrangement.)

## **Video Policy**

In accordance with federal copyright law, the Huron School District 2-2 has adopted a video policy, which prevents classrooms from showing home videos without classroom instructional purposes. *If you have questions, concerning this policy please call your principal or the curriculum office at 353-6992.*

When school is in session but the weather is extremely cold or wet, children will be asked to come into the building before the regular time.

## **Standards of Conduct & Discipline**

### **Discipline**

Each elementary school has a discipline procedure that is followed. Questions concerning the procedure should be directed to the school principal. Board policy forbids the bringing of weapons (a weapon is defined as any firearm, knife, or device, instrument, material, or substance whether animate or inanimate, which is calculated or designed to threaten, do bodily harm, or inflict death) to school or school-sponsored activities. When weapons are taken from students, parents will be notified. Confiscation of weapons may be reported to the police. The intent of the actions of the students will be considered in any report to the police. Appropriate disciplinary and/or legal action shall be pursued by the building principal.

No firearms are permitted on any school premises, school vehicle, or any vehicle used for school purposes, in any school building, or other premises used for school functions. Exceptions would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, firearms or air guns at the fire ranges, gun shows, and supervised school training sessions for use of firearms.

## **ZPass**

The ZPass is **required** for every student kindergarten through fifth grade that utilizes the school bus for transportation. The only exception to this is if the parent(s) has signed a Waiver of Liability and Hold Harmless Transportation Agreement.

It is **mandatory** for every student to scan their ZPass **every time that they get on and off of all buses**. Failure to comply with this rule will result in the following consequences:

- 1<sup>st</sup> conduct = warning
- 2<sup>nd</sup> conduct = 1 day suspended from the bus
- 3<sup>rd</sup> conduct = 2 days suspended from the bus
- 4<sup>th</sup> conduct = 3 days suspended from the bus
- 5<sup>th</sup> conduct = 4 days suspended from the bus
- Etc.

Keeping track of the issued ZPass is the responsibility of the student. Any student needing a replacement ZPass should **immediately** notify their bus driver and the school office. The cost for a replacement ZPass is \$5.

### School Nutrition

#### ***Breakfast/Lunch at Elementary School***

Free & Reduced Meal Applications will be sent home with all students on the first day of school each year. A new application must be filled out each year. Applications may also be filled out at any time during the year.

We use a computerized Point of Sale system to record all our meal transactions. Parents should deposit money and maintain a positive account balance. Deposits can be made with school nutrition cashiers or online at [LinqConnect.com](http://LinqConnect.com). Remaining account balances carry over for the next year.

Classroom milk tickets are offered for students in elementary school who wish to participate. Cost of a 10 punch milk ticket is \$5.00. Milk is also offered at lunch for \$.50 a carton.

Parents are encouraged to come eat with their child. Please call school before 9:00 a.m. on the day you plan to join your child for lunch.

If you have any special nutritional needs, please have your parents contact the administration or the Nutrition Office and they will help you with these needs. Contact Amanda Reilly, Director of School Nutrition at 353-6909.
