Post-Secondary Competencies

Students must complete at least one of the following:

Competency	Description
Honors Diploma	See page 5 of the 2022-23 Pathway Guide.
ACT	Must meet national college-ready benchmarks set by ACT. For 2020, these were 18 in English, 22 in Reading, 22 in Math, and 23 in Science (*These scores are subject to change*) Students can sign up to take the ACT outside of school, primarily on Saturdays. Sign up at www.actstudent.org.
SAT	Must meet national college-ready benchmarks set by the College Board. For 2020, these were 480 in English and 530 in Math (*These scores are subject to change*). Hobart High School administers the SAT to all juniors in the spring of their eleventh grade year. Prior to this, students will have the opportunity to take the PSAT, as well as utilize Khan Academy for free SAT practice.
ASVAB	Army and Marines—score of 31 Navy—score of 35 Air Force—score of 36 Coast Guard—score of 45 The ASVAB will be given once per semester at Hobart High School. A qualifying score of 31 will meet this requirement.
State and Industry Recognized Credential or Certification (as determined by the State Board of Education)	See Course Descriptions beginning on page 36 or Industry Certifications on page 10 of the 2022-23 Pathway Guide.
Career-Technical Education Concentrator	**Classes of 2023 & 2024:** Students must take two (2) advanced CTE courses in a prescribed pathway. **Classes of 2025 & 2026:** Students must take a Next Level Programs of Study three-course sequence.
AP/Dual Credit courses or College Level Examination Program (CLEP) Exams	If a student is taking AP/Dual Credit courses to meet the postsecondary-ready competency, either: One of the three courses must be in a core content area. Students pursuing liberal arts tracks must have at least one course corresponding with the CTL; *OR* All three courses must be part of a defined CTE sequence. A defined CTE sequence of courses is based on the Indiana College and Career Pathways. These courses must correspond with the CTE Technical Dual Credit Crosswalk (see counselor for details). For a complete list of Dual Credit courses offered at Hobart High School, see page 9 of the 2022-23 Pathway Guide. CLEP Exams are offered through the College Board. Exam scores are evaluated by a postsecondary institution at the time of admission to determine if the student should be awarded college credit. These exams are taken independent of a course. There are CLEP exams offered in the following subjects: Composition and Literature, World Languages, History and Social Sciences, Science and Mathematics, Business. One of these exams must be in a core content area (e.g., English, Math, Science, or Social Studies). The equivalent score for the CLEP exam is a 50 or higher on three exams to fulfill the Graduation Pathways requirement. Indiana institutions of higher education may require different scores in order to award college credit. Each exam currently costs $89 per test.

Dual Credit Courses

Dual Credit refers to courses in which high school students have the opportunity to earn both high school and college credits while enrolled at Hobart High School. Courses are taught by credentialed high school faculty, and offer students the ability to take classes in the comfort of their high school with teachers that they know. These courses are pre-approved for transfer between all Indiana public college and university campuses and six independent colleges and universities as long as adequate grades are earned.

Learn more about Indiana's Core Transfer Library at https://transferin.net.

The following courses take place at Hobart High School:

Accounting Fundamentals
Administrative & Office Management
Adv Sci/CC/BIOL 105/107
Adv Sci/CC/CHEM 105/106
Advanced Graphic Design & Layout
Advanced Speech & Communication
Anatomy and Physiology Honors
Biology II Honors
Business Law & Ethics
Business Office Communications
Calculus Honors
CNA
Chemistry II Honors
Child & Adolescent Development
Civil Engineering & Architecture (CEA)
Computer Integrated Manufacturing
Computer Science I, II, & III
Criminal Justice I & II
Digital Data Applications
Digital Design Graphics
Digital Electronics
Digital Marketing
Education Professions I & II
English 11 Honors
English 12 Honors: American Literature I

English 12 Honors: American Literature II
English 12 Honors: Creative Writing
English 12 Honors: Creative Writing
English 12 Honors: English Composition
English 12 Honors: Literature
English 12 Honors: Literature
English 12 Honors: Rhetoric & Argument
English 12 Honors: World Literature I
English 12 Honors: World Literature II
Entrepreneurship & New Ventures
Finite Mathematics
French III & IV Honors
German III & IV Honors
Graphic Design & Layout
Information Technology Fundamentals
Information Technology Support
Intro to Engineering Design
Law Enforcement Fundamentals
Marketing Fundamentals
Mechanical and Architectural Design
Mechanical Drafting and Design I & II
Medical Terminology
Music History Appreciation
Networking and Cybersecurity Operations
Networking I: Infrastructure

New Venture Development
Personal Finance
Pre-Calculus Honors
Preparing for College & Careers
Principles of Broadcasting
Principles of Business Management
Principles of Business Operation & Technology
Principles of Computing
Principles of Criminal Justice
Principles of Digital Design
Principles of Engineering
Principles of Entrepreneurship
Principles of Teaching
Small Business Operations
Software Development
Spanish III & IV Honors
Strategic Marketing
Teaching and Learning
Trigonometry Honors
US Government Honors
US History Honors
Website and Database Development
World History & Civilizations Honors

The following courses take place through Porter County Career Center:

Auto Services Technology I & II
Construction HVAC
Construction Trades I & II
Cosmetology I & II
Criminal Investigations
Criminal Justice
Culinary Arts I
Diesel Technology I & II

Early Childhood Education I & II
Education Professions
Electronics & Computer Technology I
Emergency Medical Services
Energy Industry I & II
Fire and Rescue
Health Science Education I & II
Horticulture Science

Landscape Management
Mechanical Drafting & Design I
Networking Fundamentals
Precision Machining
Principles of Business Management
Radio and TV I & II
Welding Technology I & II

Industry Certifications that can be earned at Hobart High School

	Industry Certification	Issuing Organization	Course
School of Engineering & Industrial Technology	AWS Certified Welder	American Welding Society	Welding Technology I or II (PCCC)
	Associate Certified Electronics Technician (CETa)	Electronics Technicians Association, Inc	Electronics & Computer Technology I or II (PCCC)
	Certified Solidworks Associate (CSWA)	Solidworks	CAD & Animation I (PCCC)
	Autodesk Certified Professional (ACP) - Inventor	Certiport	Mechanical Drafting & Design or PLTW: Intro to Engineering Design
	Autodesk Certified User (ACU) - Revit Architecture	Certiport	Civil Engineering & Architecture / Mechanical Drafting & Design II
	Home Builders Institute/National Association of Home Builders—Carpentry Basics	NOCTI	Construction Trades I or II (PCCC)
	NCCER Core Curriculum	National Center for Construction Education & Research	Construction Trades I or II (PCCC)
	ASE—Various Certifications	National Institute of Automotive Service Excellence	Automotive Technology I or II (PCCC) and Diesel Service Technology (PCCC)
	Autodesk Fusion 360 Certified User	Certiport	Mechanical Drafting & Design I / PLTW: Intro to Engineering Design
School of Health & Natural Sciences	Certified Nursing Assistant (CNA)	Indiana Department of Health	Health Science II (PCCC)
School of Business Services & Information Technology	Microsoft Office Specialist *Bundle Certifications (3 of 7, and one must be Excel)*	Certiport	Administrative & Office Management Principles of Business Operations & Technology Business Office Communications
School of Communication & Fine Arts	Adobe Certified Associate (ACA) - ACA Specialist *(Bundle three of the following associate exams—After Effects, Animate, Dreamweaver, Flash, Illustrator, InDesign, Photoshop, Premiere Pro)*	Certiport	Principles of Digital Design Graphic Design & Layout
School of Human Services	Child Development Associate (CDA)	Council for Professional Recognition	Early Childhood Education I
	EMT—Basic	National Registry of Emergency Medical Technicians	EMT (PCCC)
	Fire Fighter I	Indiana Department of Homeland Security	Fire & Rescue (PCCC)
	Fire Fighter II	Indiana Department of Homeland Security	Fire & Rescue (PCCC)
	Indiana State Board of Cosmetology & Barber Examiners—1500 Cosmetology	Indiana Professional Licensing Agency	Cosmetology (PCCC)
