RE: Funding for Special Education, 2024-2025

DATE: April 29, 2024

As Director of Special Services for Lowndes County School District, it is my duty to develop a budget to detail the use of IDEA Part B and Preschool funds. These funds are designed to provide special education and related serves to students with disabilities over and above the cost of educational services provided by the district. Because you are a parent/guardian of a student with a disability, your unique perspective is important to the development of the budget for the 2023-2024 school year. I invite you to contact me at (662) 244-5023 or rhonda.locke@lowndes.k12.ms.us to provide input in this process.

Comments and suggestions will be received until July 1, 2024. I look forward to hearing from you and sincerely appreciate any feedback, suggestions, and comments you provide.

Sincerely,

Rhonda D. Locke
