Hello Buff Families,

Hope you are all doing well and staying safe. This was definitely not the way I would have liked to end the school year. Thank you for all your hard work during this difficult time. I know distance learning brings some challenges, I appreciate your continued support. The teachers are working hard to put together materials to help your child grow academically. This situation is not one they have been trained for, but I am proud of how they have stepped up to the challenge. We are all looking forward to the fall, when we can (hopefully) come back together at Buff Elementary.

The teachers have gathered student belongings from their desk. We will be open for curbside pick up next week using the schedule below. Please note, first grade does not have materials for pick up. If you have students in multiple grades, please come at the time that works best for your family. Please be sure to stay in your car. There will be an adult to take your name, and your students' belongings will be brought to you.
