Mrs. Burnette/2nd Grade

Dear Families,

Here are some more activities to keep you going until the end of the school year. Please continue to practice what we have learned so far to keep your mind fresh and sharp for the next school year. Feel free to email me pictures, letters, and any school work that you've completed. I LOVE hearing from you and knowing what your child is up to. I will continue to check in with you throughout the remainder of the school year and if you need anything at all, please call or email me. Take care and stay safe!

Love,
