

Google Sites: ^{editable} Buttons and Headers

These slides contain editable headers and buttons used for Google Sites. This is a FREE resource and should not be sold. My goal is to help other teachers as much as I can during these difficult times. Enjoy and good luck this school year.

Getting Started

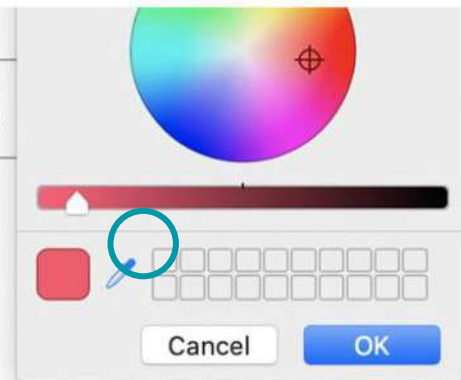

*More tutorials on how to create the look of the font on my Instagram (@raisethebarreducation)

You are welcome to use this color palette as a tool to keep font color looking uniformed.

To use you will need to 1. highlight the letter, 2. click font color, 3. click more colors, and then 4. use the eye dropper tool over the image.

Copy and paste the image in the slide you are working on
