

Buzz Navigation for Students

Basic student navigation in Buzz.

Step 1: Sign into Buzz:

- Open Buzz: https://concrete.agilixbuzz.com
- Enter your Username and Password
- Click LOGIN

Username	Password			
		8	LOGIN	1

Step 2: From the **Student App** screen, choose the course you would like to enter by selecting the course card.

Step 3: Once the course is opened, the course home page along with the Activities, To-Do List, and Course Links tabs will be visible.

The **Activities** tab provides navigation to the last visited activity, activity that is up next, or the module folders to go directly into a specific lesson or assessment.

Q Search	
Q, Search 01.05 Changes of Matter Chemistry I v18 (03)	

The **Course Links** tab will provide access to any teacher-added course links. Simply click on the course link title to access the site.

Step 4: Choose to navigate the course by selecting a **module folder**, then the **lesson** that you would like to view.

Step 5: To view course grades earned, select the **Main Menu** icon in the top left-hand corner and choose **Grades** from the drop-down menu.

Step 12: The Badges tab displays any awards you've earned in the course.

<u>Tips</u>

• You can quickly review your overall score in each course using the Course Cards on the Homepage.

• Because your teachers have access to this same data, you can use this information as a starting point for conversations about your performance.

How Do I Complete a Self Assessment?

Buzz lets you evaluate your personal understanding, interest, and effort in a course to communicate the results easily to your teacher

From the Student App:

1. Select the desired Course Card.

1. Click the Heart icon in the top toolbar.

1. Complete self-assessment metrics by selecting the appropriate color on the scale below each of the following areas:

Understanding

- Red = Lost
- · Yellow = OK
- Green = Competent
- Blue = Expert

Interest

- · Red = Bored
- · Yellow = OK
- Green = Interested
- Blue = Very Interested

Effort

- Red = Slacking
- \cdot Yellow = OK
- Green = Trying
- Blue = 100%

2. Click **Update** to save and share your Self Assessment with your teacher.

Giving your teacher an honest Self Assessment can open up opportunities for you to collaborate to improve your experience and progress.
