

BOWMAN WOODS BULLETIN

February 2018

Dear Parents,

Thank you to those families that were able to attend our Fuel Up for Football event last month. It was a great evening for football, cheers, chili, and fun! We appreciate our leaders of this event who are listed on page four of the newsletter.

We also saw seventeen dedicated volunteers donate blood that evening. These 17 units of whole blood will serve up to 68 patients with vital transfusions of platelets, red blood cells, cryoprecipitate, and plasma. The Mississippi Valley Regional Blood Center is truly grateful for your help, especially this time of year when blood supply continues to struggle.

The 2018-2019 school calendar was approved by the board and linked below.

<https://www.linnmar.k12.ia.us/wp-content/uploads/2017/12/2018-19-Calendar-FINAL.pdf>

One thing to note about next year's calendar is that elementary buildings will now be on quarters rather than trimesters. Grades K-12 will now all be aligned.

February is a time of friendship and caring. This is a special time for our students. Kindness week kicks off next Thursday with a kindness assembly. We will hold a simple Friendship Party on Valentine's Day. Our focus is on friendship and opening valentines. We have plenty of Valentines here at school if your child needs some to hand out to classmates. Please have your student talk to his/her teacher.

We are seeing an increase in heavier make-up at school. While we respect this a parent decision, we will follow state guidelines on hair, make-up, and clothing. This means, *if it causes a substantial disruption in the school or educational environment*, it will need to be addressed by administration. Thank you for helping us navigate these tricky waters.

Please mark your calendars for our second set of conferences that will take place at the end of the month. Our face-to-face conferences are the perfect time to review your child's progress for the year as well as provide you an opportunity to ask questions and share reflections. A conference scheduler instruction sheet will be coming home with your student, February 9th. Our common conference nights are Tuesday, February 27th and Thursday, March 1st. Thanks!

We are so lucky to have such a warm and caring community here.

Thank you for your continued support and for helping fill our food pantries this month.

Sincerely,
Tina March, Principal

Kindness Week is coming. The week of Feb. 12-15 we will be celebrating Kindness Week at Bowman Woods. This is something that we have done for the past two years. Throughout the week, students will participate in kindness lessons and activities as well as try to complete their Kindness Checklists, where they have to do 25 random acts of kindness.

This year we will be doing Cans for Kindness- students will bring in canned food items (and other non-perishable food items) to be donated to HACAP and local food pantries.

ATTENTION - Parents/Guardians of 5th Grade Students:

Each year, the Cognitive Abilities Test (CogAT) is given to all 5th graders in the district. The CogAT is a standardized test, but is quite different from NWEA and Iowa Assessments. The skills measured by the test show the cognitive processes that a child has developed to learn new things and solve problems. Experiences in and out of school affect this skill development.

The CogAT consists of three separate tests: Verbal, Non-Verbal, and Quantitative. The test battery will be administered over three days during the week of February 20-23 for 45-50 minutes each day. The results of this test, in combination with NWEA and Iowa Assessment scores, are used in the identification process for the Middle School Talented and Gifted (TAG) program.

Please make sure your child is at school on time each day. It is important that students are well-rested and eat a healthy breakfast to help them do their best. If you have any questions about the test, please contact your school counselor or Brenda Bauermeister, Elementary TAG Coordinator, at bbauermeister@linnmar.k12.ia.us.

February Library News

Bowman Woods Night at Barnes and Noble

Thanks to everyone who trekked to Barnes and Noble on December 1 to support our orchestra, Early Bird singers and the library. The percentage of purchases that "Support Bowman Woods" came out to be \$243.45. This purchased 22 new books for the library.

ICCA Challenge

ICCA stands for Iowa Children's Choice Award books which are chapter books recommended by a team of Iowa educators who felt these books represent well rounded literature for children in grades 3-5. This year, the Whale of a Challenge is for all 3-5th grade students who read five ICCA books and pass the Reading Counts tests on them. Students may sign their name on the huge whale on the wall and

choose a reward from a basket of goodies, once they have passed the Reading Counts tests.

Stories Alive Program

This year Iowa author and illustrator, Katherine Hannigan, will be visiting all Linn-Mar Elementary buildings to talk with 3rd and 4th grade students about her career and books. She will be coming to Bowman Woods on Monday, March 26 in the afternoon.

Grant Wood AEA Resources

A bookmark was sent home with an updated list of all the Grant Wood AEA resources for you to use at home.
