***Our Inclusive Definition of "Minority"**

At the Claudio Romero Organization for Minority Empowerment (C.R.O.M.E.), we recognize that "minority" encompasses a wide range of unique experiences and backgrounds. Our scholarship is open to students who may face challenges due to any aspect of their identity or circumstances. This includes, but is not limited to:

- Ethnic and racial backgrounds
- Socioeconomic status
- First-generation college students
- Gender identity and sexual orientation
- Disabilities or learning differences

Our goal is to support a diverse range of students who, in their own ways, contribute to the richness of perspectives in education and society. If you believe your experience or background aligns with this inclusive vision, we encourage you to apply. CROME is committed to helping you achieve your educational and career aspirations, regardless of the obstacles you may have faced.
