# A Letter to My Teacher

To best help you teach me, here is what I need you to know about my likes, dislikes, fears, and strengths:

Dear \_\_\_\_\_

Your Student,

# Campgrounds Icebreaker

Walk around and find friends that fit each section below. When you find a match, have this friend sign their name in the correct box-try to find a different friend for each box! When you are finished, take a seat and wait quietly for the next set of instructions from your new teacher!

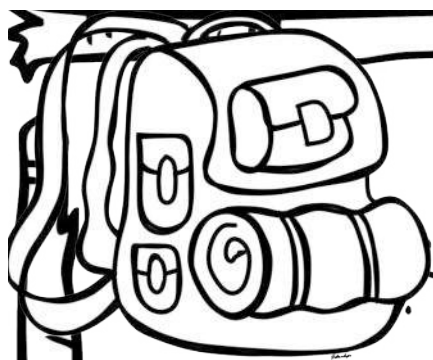

We like the same thing about camping. -----	Has a birthday the same month as mine. -----	Has gone camping the same number of times as me. -----	Has the same favorite subject as me. -----	Has the same least favorite subject as me. -----
Likes the same color as me. -----	Likes the same food as me. -----	Is wearing the same color as me. -----	Their shoes are similar to mine. -----	Has the same color hair that I do. -----
Has the same camp-loving teacher as me. -----	Has the same favorite hobby as me. -----	Likes the same kind of music as I do. -----	Gets to school the same way that I do. -----	Has their "Camping Tent (Desk)" near to mine. -----

## Early Finishers:

On the back of this sheet, draw and color a picture of your new classroom. Label where your desk is located.
