

Career poster Project

Research: Have you started thinking about life after school?

Even though you may not know exactly what you want to do after high school, chances are you have thought about some different things. This poster project is to provide you with the opportunity to dig a little deeper and get a better understanding of a potential career path of your choosing.

Please take the time to research the following important aspects of the career you selected:

- Educational Requirements
 - Does this career require a college or technical degree?
 - How many years of school? What are good colleges to attend for this career?
- Required Skills
 - What skills does the career require?
- Salary
 - What is the entry level and annual salary or hourly rate?
 - Does it stay the same or does it increase as you gain experience?
 - What is the least you could make? Most?
- Job Duties & Type of Work
 - What is the job description?
 - What hours/days are required to work?
 - Where is the work done? Inside? Outside? Office? Worksite?
- Benefits & Drawbacks
 - In your opinion, What do you like about this career?
 - What are some things that may not be so great?

EXPLORATION

Poster: What should the final product look like?

Using your research you will create an 11x17 inch poster in Canva. Make sure to select custom dimensions and do 11X17 inches. Please do not put your name anywhere on the poster as this will be displayed in the hallway. You are to provide the answers to the questions above in a visually appealing way that would attract attention of those walking down the hall! Remember to use visually appealing colors, graphics, and readable text! To save toner though no dark red, blue, or black backgrounds please!
