

Careers in Science

Scientific Careers

- Careers in Science?
- Can you name a few?
- Are there other careers in science?

Think about this ...

Sneakers

- A scientist was involved in the creation of the sneakers on your feet!
- A scientist was involved in the manufacturing of the sneakers you wear!
- A scientist was involved in the development of the products your sneakers are made of!

Pizza Anyone?

- Ever think about the pizza you eat?
- Did you know that the creation of the pizza you eat involved a career in science?
- That the oven your pizza was cooked in is a technological system created by a scientist?
- Even pizza involves a career in science!

Pringles

- What careers in science could possibly be related to Pringles?

Stacked Potato Chips

- Did you ever wonder why Pringles are always in tact (not broken) and full of flavor?
- A scientist is responsible for great-tasting chips!
