

COLLEGE AND CAREER CONNECTIONS

Mr. Campbell
Daily Agenda

Business Foundations Welcome Freshmen!!!

- Welcome! - Mr. Campbell
- Roster
- [First Day Review Presentation](#)
- [Global Scholars Opportunity](#) - Fresh/Soph

College & Career Connections Tuesday 1/7

- Welcome!!! - Mr. Campbell
- Roster
- [Syllabus and Rules](#)
- [What Employers Want](#)
- What you need to do to be successful:
 - [Grit: The Power of Passion and Perseverance](#)
- [Student Surveys](#)

College & Career Connections Wednesday 1/8

- Seating Chart - On Screen
- [Scavenger Hunt](#)

College & Career Connections Thursday 1/9

- Open the [Career Plan Template](#) - On Google Classroom
 - Put the following on slide 4:
 - Your future career
 - Your future pay
- Fill out "[My Future Career Path](#)" sheet on Google Classroom
 - [Stop Searching for your Passion](#) - Video

College & Career Connections Friday 1/10

- **Unit 1: Assess for Success!**
- Discuss "[My Future Career Path](#)" activity - from yesterday
- [Ohio Means Jobs Assessment](#) - On Google Classroom
 - Does the job that you put in the career plan template match the one(s) from the assessment?

College & Career Connections Monday 1/13

- **Unit 1: Assess for Success!**
- [Personality Assessment Activity](#)
 - [Video - 16 Personality Types](#)
 - Fill out [Myers-Briggs Type Indicator](#) sheet while watching video
 - Personality Type Discussion
 - Fill out [Personality Assessment Reflection Sheet](#) - On Google Classroom and turn in
- Fill out [Uncovering Your Skill, Abilities and Special Talents](#) Sheet - On Google Classroom and turn in

College & Career Connections Wednesday 8/21

- **Unit 1: Assess for Success!**
- [ASVAB Assessment Testing](#) - Link on Google Classroom
 - Take tests and record scores on sheet
 - If you are taking a paper test, just turn it in when you are finished
 - Mr. C. will record your scores and give your paper back
- **Brain Assessment Evaluation:**
 - Fill out Thinking About Thinking packet to discuss tomorrow

College & Career Connections Thursday 8/22

- **Unit 1: Assess for Success!**
- [Brain Assessment Evaluation](#) - [Video](#) (12:00)
 - Online [Brain Test](#) - together
 - Finish and discuss packet - Turn in
 - Fill out [Reflection Sheet](#) - On Google Classroom
 - Turn in packet
- Open [Career Plan Template](#) - On Google Classroom
 - Fill out the "[ASVAB Results - Career Links](#)" Slide

College & Career Connections Friday 8/23

- **Unit 1: Assess for Success!**
- Open [Career Plan Template](#) - On Google Classroom
- Fill out "[Evaluations and Assessments for Employment](#)" Slide with info you have gathered since the beginning of the quarter
 - **This slide will be counted as an assessment grade (5 Points)**
- Ohio's 16 Career Clusters
 - [16 Career Clusters and Examples of Jobs](#) - Video
- Career and Cluster Video Project: (10 Points)
 - [Instructions](#) on Google Classroom
 - **These will be shown in class and graded on Tuesday (8/27)**

16 Career Clusters

Agriculture and Environmental Systems:	Health Science:
Arts and Communication:	Hospitality and Tourism:
Business and Administrative Services:	Human Services:
Construction Technologies:	Information Technology:
Education and Training:	Law and Public Safety:
Engineering and Science Technologies:	Manufacturing:
Finance:	Marketing:
Government and Public Administration:	Transportation Systems:

College & Career Connections Monday 8/26

- **Unit 1: Assess for Success!**
- [Career Clusters](#) - Link with list on Google Classroom
- [Career and Cluster Video Project](#)
 - Fill out [form](#) on Google Classroom with link to your video
 - These will be shown in class and graded tomorrow!!!

College & Career Connections Tuesday 8/27

- **Unit 1: Assess for Success!**
 - Watch [Career Cluster Videos](#)
- **Unit 2: Success is a Journey, Not a Destination!**
 - Start [The Road Map of My Life](#) (on Google Classroom) - Fill in using directions on slide 2
 - Due tomorrow!
 - Turn in when finished

College & Career Connections Wednesday 8/28

- **Unit 2: Success is a Journey, Not a Destination**
 - [SMART Goals Instructions and Activities](#) - On Google Classroom
 - [E-mail to the Future You](#) and [SMART goals](#) - On paper
 - Fill out sheet and put your SMART Goals in your [Career Plan Template](#)
 - Finish [The Road Map of My Life](#) - on Google Classroom - Due Today!!!

College & Career Connections Thursday 8/29

- **Unit 2: Success is a Journey, Not a Destination**
- [JK Rowling Success Quotes](#) - Video and Discussion
 - Open your [Career Plan Template](#) (CPT)
 - Fill out Slide 7 with:
 1. 10 quotes about success and their authors
 2. URLs - in the speaker notes
- Finish SMART Goals and put them on the [Career Plan Template](#)
 - Turn in [Email To the Future You](#) Sheet - **Due today!!!**
- **MAKE UP/TURN IN ANY MISSING ASSIGNMENTS!!!!**
 - Only half credit will be given for anything in Unit 1 turned in after tomorrow!!!

Instructions for Successful Quotes

1. Research quotes from successful people in any walk of life.
2. Pick 10 (no more than 2 per person)
3. Put quotes on Slide 7 on [Career Plan Template](#) (CPT) with name of person quoted
4. Put (at least) 3 pictures on slide
5. Put URLs in Speaker Notes
6. **Optional:** Get colored paper and markers to make a poster for your quote and turn in to Mr. C.

College & Career Connections

**Friday
8/30**

- **Unit 2: Success is a Journey, Not a Destination**
- [What Employers Want](#) Video (2:50)
- [Many Ways to Win](#) Workbook - On Google Classroom (pgs. 1-4)
 - Finish to Discuss on Tuesday
- **Successful Quotes due on [Career Plan Template](#) Today!!!**

Communication	Listening	Problem Solving
Technology	Decision Making	Organizing/Planning
Teamwork	Social	Adaptability

Employability (Soft) Skills

Communication	Listening	Problem Solving
Technology	Decision Making	Organizing/Planning
Teamwork	Social	Adaptability

College & Career Connections

**Tuesday
9/3**

- **Unit 2: Success is a Journey, Not a Destination**
- [Many Ways to Win](#) Workbook - On Google Classroom
 - Review pgs. 3-4
 - Discuss and complete pgs. 5-8

Looking Ahead

September Friday Speaker Series:

SGT Collett - OANG - Government and Public Administration - Sep. 6
Officers Huffman and Hixon - Law and Public Safety - Sep. 13
Mrs. Amerson - Human Services - Sep. 20

College & Career Connections

**Wednesday
9/4**

- **Unit 2: Success is a Journey, Not a Destination**
- Finish [Many Ways to Win](#) Workbook - On Google Classroom
 - Emerging Careers Activity
 - Turn in when finished
- ["The Pursuit of Happyness"](#) Film Study on Success and Employability Skills
 - [Reflection questions](#) on Google Classroom

Looking Ahead September Friday Speaker Series:

- **SGT Collett** - OANG - Government and Public Administration - Sep. 6
- **Officers Huffman and Hixon** - Law and Public Safety - Sep. 13
- **Mrs. Amerson** - Human Services - Sep. 20

College & Career Connections Thursday 9/5

- **Unit 2: Success is a Journey, Not a Destination**
- [Successful Interview Project](#) - Instructions on Google Classroom
 - Need to give Mr. C. the name of your interviewee by tomorrow (9/6)
 - You should have your interview done by Tues. (9/10)
 - You will have Wednesday (9/11) to work on this in class
 - Presentations start Thursday (9/12)
- ["The Pursuit of Happyness"](#) Film Study on Success
 - Reflection questions on Google Classroom

Looking Ahead September Friday Speaker Series:

- **SGT Collett** - OANG - Government and Public Administration - Sep. 6
- **Officers Huffman and Hixon** - Law and Public Safety - Sep. 13
- **Mrs. Amerson** - Human Services - Sep. 20

College & Career Connections Friday 9/6

****Friday Successful Speaker Series****

- SGT Collett - Ohio Army National Guard
 - Career Cluster: Government and Public Administration

College & Career Connections Monday 9/9

- **Unit 2: Success is a Journey, Not a Destination**
- **Trip to Fab Lab - Mr. Kunselman**
- [Successful Interview Project](#) - Instructions on Google Classroom
 - Put your name and the person you are interviewing on sheet at Mr. C's desk
 - [Template for Interview Report/Paper](#) - On Google Classroom
- ["The Pursuit of Happyness"](#) Film Study on Success
 - Reflection questions on Google Classroom

College & Career Connections Tuesday 9/10

- **Unit 2: Success is a Journey, Not a Destination**
- ["The Pursuit of Happyness"](#) Film Study on Success
 - Reflection questions on Google Classroom - Due Friday!
- [Interview Report/Paper and Presentation](#) Instructions - Due Friday!
 - Create Report/Paper using template on Google Classroom
 - Create a slide presentation with 3 slides (max)
 - Title Slide
 - Slide 2 - What you learned from interviewee
 - Slide 3 - What info you will use for your own success
 - You can add any info you think that is interesting
- [Education for Skilled, Unskilled and Professional Careers](#) - On Google Classroom - Due Friday!

Looking Ahead September Friday Speaker Series:

- **Officers Huffman and Hixon** - Law and Public Safety - Sep. 13
- **Mrs. Amerson** - Human Services - Sep. 20

College & Career Connections Wednesday 9/11

• Unit 2: Success is a Journey, Not a Destination

- ["The Pursuit of Happyness"](#) Film Study on Success
 - Reflection questions on Google Classroom - Due Friday!
- [Interview Report/Paper and Presentation](#) Instructions - Due Friday!
 - Create Report/Paper using template on Google Classroom
 - Create a slide presentation with 3 slides (max)
 - Title Slide
 - Slide 2 - What you learned from interviewee
 - Slide 3 - What info you will use for your own success
 - You can add any info you think that is interesting
- [Education for Skilled, Unskilled and Professional Careers](#) - On Google Classroom - From Yesterday - Due Friday!

Looking Ahead September Friday Speaker Series:

- **Officers Huffman and Hixon** - Law and Public Safety - Sep. 13
- **Mrs. Amerson** - Human Services - Sep. 20

College & Career Connections Thursday 9/12

• Unit 2: Success is a Journey, Not a Destination

- [Interview Report/Paper and Presentation](#) Instructions - Due Friday!
 - Create Report/Paper using template on Google Classroom
 - Create a slide presentation with 3 slides (max)
 - Title Slide
 - Slide 2 - What you learned from interviewee
 - Slide 3 - What info you will use for your own success
 - You can add any info you think that is interesting
 - Turn in Report and Presentation on [form](#) on Google Classroom
- [Education for Skilled, Unskilled and Professional Careers](#) - On Google Classroom - From Yesterday - Due Friday!

Looking Ahead September Friday Speaker Series:

- **Officers Huffman and Hixon** - Law and Public Safety - Sep. 13
- **Mrs. Amerson** - Human Services - Sep. 20

College & Career Connections Friday 9/13

Friday Successful Speaker Series

- Career Cluster: Law and Public Safety
- Speaker: Officer Hixon
- Fill out Speaker Sheet and turn in before you leave

College & Career Connections Monday 9/16

• Unit 2: Success is a Journey, Not a Destination

- Interview Presentations
- [Scheduling for Your Future](#) - On Google Classroom
 - Check Grad requirements on page 6 of [POS](#)
 - Use Course Offerings sheet to help select classes you may want to take
 - Use the [Gahanna Lincoln High School Program of Study](#) link to get description of classes and more info

College & Career Connections Tuesday 9/17

- **Unit 2: Success is a Journey, Not a Destination**
- Finish Interview Presentations
- Complete [Scheduling For Your Future](#) - On Google Classroom

College & Career Connections Wednesday 9/18

- **Unit 2: Success is a Journey, Not a Destination**
 - Complete [Scheduling For Your Future](#) - On Google Classroom - Due Today!!!
- **Unit 3: How do you spell success..STEM!**
 - What is STEM? - [Video](#)
 - [Exploring Multiple STEM Careers](#) - On Google Classroom
 - Click on the link at the top of the sheet
 - Pick careers from 5 different fields and watch videos about them
 - Answer the questions on the sheet using information from the videos
 - Turn in on Google Classroom when finished

College & Career Connections Thursday 9/19

- **Unit 3: How do you spell success..STEM!**
- Finish [Exploring Multiple STEM Careers](#) - On Google Classroom - Due Today!!!
- [STEM Film Study](#) - "The Martian" (15 points)
 - Answer questions on sheet - On Google Classroom

Looking Ahead

- **Speaker: Mrs. Amerson** - Human Services - Sep. 20
- **Trip to Bio Science Program** - Oct. 4
- **Trip to Architecture Program** - Oct. 11

College & Career Connections Friday 9/20

****Friday Successful Speaker Series****

- **Career Cluster: Human Services**
- **Speaker: Mrs. Johnel Amerson**
- Fill out Speaker Sheet and turn in before you leave

College & Career Connections Monday 9/23

- **Unit 3: How do you spell success..STEM!**
- [STEM Film Study](#) - "The Martian" (15 points)
 - Answer questions on sheet - On Google Classroom

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Tuesday 9/24

- **Unit 3: How do you spell success..STEM!**
- [STEM Film Study](#) - "The Martian" (15 points)
 - Answer questions on sheet - On Google Classroom
 - Finish and turn in

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Wednesday 9/25

- **Unit 3: How do you spell success..STEM!**
- [The Career Path Less Taken Video](#)
- How do you start your path to STEM?
 - [Eastland Fairfield Video](#) and [Catalog of Programs](#)
 - Career Pathfinder Sheet Packet
- [Eastland Fairfield Flyer Project](#) - Instructions on Google Classroom
 - Create on Google Slide
 - Complete all requirements
 - Add (at least) 2 pics and make colorful

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Thursday 9/26

- **Unit 3: How do you spell success..STEM!**
- [Eastland Fairfield Flyer Project](#) - Instructions on Google Classroom
 - Create Google Doc or Google Slide
 - Complete all requirements
 - Add (at least) 2 pics and make colorful
 - Turn in when finished

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Friday 9/27

Freshmen Retreat

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Monday 9/30

• Unit 3: How do you spell success..STEM!

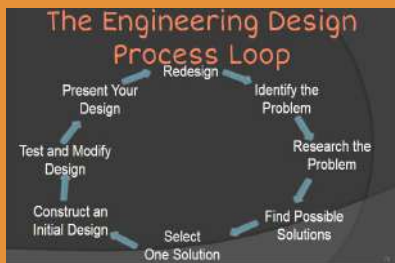

- Career Cluster Matching activity - On Google Classroom
 - Counts as an assessment grade
 - 10 Points - Matching page
 - 5 Points - Rest of assignments completed
- Finish Eastland Fairfield Flyer Project - Instructions on Google Classroom - Due Today!!!

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Tuesday 10/1

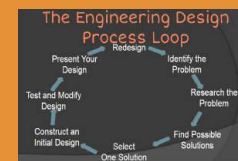

- Unit 4: Engineering Your Success
- The Engineering Design Process Loop
 - What is it?
 - How does it work?
 - Why is it needed?
 - Shark Tank Video
 - Fill out Design Process Sheet - On Google Classroom

College & Career Connections Wednesday 10/2

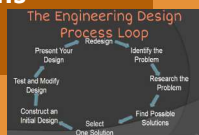

• Unit 4: Engineering Your Success

- Engineering/Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - Fill out food journal sheets for 2 days
 - Create 2 days of healthy meal plans
- "Fed Up" - Video Reflection Questions - On Google Classroom

College & Career Connections Thursday 10/3

- **Unit 4: Engineering Your Success**
- Engineering/Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - Fill out food journal sheets for 2 days
 - Create 2 days of healthy meal plans
- "Fed Up" - Video Reflection Questions - On Google Classroom

Looking Ahead

- Trip to Bio Science Program - Oct. 4
- Trip to Architecture Program - Oct. 11

College & Career Connections Friday 10/4

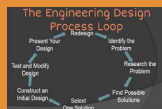

Unit 4: Engineering Your Success

Trip to Bio Science Program

- Walking to Clark Hall
- Leave your stuff here
- We will return before the bell

College & Career Connections Monday 10/7

- **Unit 4: Engineering Your Success**
- Engineering/Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - Fill in Macronutrients for your two days of food
 - <https://www.calorieking.com/>
 - You can use Google to search for info as well
- Create 2 days of healthy meal plans using this site:
 - <https://www.eatthismuch.com/>
- Start Engineering process for creating Health Aid

Turn in any missing work!!! Friday is end of Quarter!!!

All late work 50%!!!

Recommended Daily Nutrition Values

2000-2400 Calories Per Day For Teens

46-52 Grams of Protein

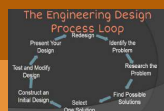

30% of calories from Fat (Approximately)

55% of calories from Carbohydrates (Approximately)

College & Career Connections

Tuesday
10/8

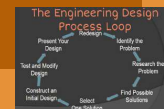

- **Unit 4: Engineering Your Success**
- Fill out 9-Weeks Grade Check sheet and turn in today!!!
- Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - Presentation Template - On Google Classroom Assignments
 - Research helpful products for weight control, exercise, hydration, etc.
 - Brainstorm (in groups of no more than 2) for your own product
 - Start designing product and fill out presentation
- Examples of presentations - On Google Classroom
- Extra Credit for creation of real prototype (2 Points)
- **Presentations start Thursday (10/10)**

College & Career Connections

Wednesday
10/9

- **Unit 4: Engineering Your Success**
- Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - Create Health Aid and do the following:
 - Fill out Engineering Process Notes - In Project Packet
 - Create Presentation - On Google Classroom
 - Make sure to put pics of creation in presentation
 - Examples of presentations - On Google Classroom
- Extra Credit for creation of tangible prototype (2 Points)
- **Presentations start Tomorrow!!!**

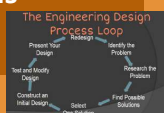

Looking Ahead

- Trip to **Architecture Program** - Oct. 11
- Oct. 16 - **PSAT**
- Guest Speaker: Oct. 23 - **Mrs. Wright (Medical Professions)**

College & Career Connections

Thursday
10/10

- **Unit 4: Engineering Your Success**
- Bio Science Project: Planning, Designing and Engineering Healthy Eating/Exercise Aids
 - **Presentation Day**
 - Fill out Peer Evaluation Form on Google Classroom for each presentation
- **DON'T FORGET TO TURN IN YOUR FOOD JOURNAL PACKET!!!**

Looking Ahead

- Trip to **Architecture Program** - Oct. 11
- Oct. 16 - **PSAT**
- Guest Speaker: Oct. 23 - **Mrs. Wright (Medical Professions)**

College & Career Connections

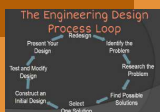

Friday
10/11

- **Unit 4: Engineering Your Success**
- Trip to Architecture Program @ Clark Hall
- Last day for 1st Quarter

College & Career Connections Tuesday 10/15

- **Unit 4: Engineering Your Success**
- Bio Science Project: [Planning, Designing and Engineering Healthy Eating/Exercise Aids](#)
 - Finish Presentations
- Career Concept: The Engineering Design Process
 - [Inventions by Kids Video](#)
 - What is it? How does it work? Why is it needed?
 - Brainstorm about products you could plan, design and engineer.
 - [Solving Problems with Engineering Project](#)
 - [Example Presentations](#)

Looking Ahead

- Oct. 16 - PSAT
- Guest Speaker:
Oct. 23 - Mrs. Wright (Medical Professions)

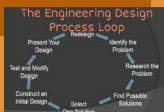

College & Career Connections Wednesday 10/16

- PSAT Test

College & Career Connections Thursday 10/17

- **Unit 4: Engineering Your Success**
- Career Concept: The Engineering Design Process
 - Design Process Video - "The Founder" (11:00-25:00)
 - Answer Questions on [Engineering Process Sheet](#)
- Fill out [Solving Problems with Engineering Project](#) packet
 - Your group should have idea for prototype researched and sketched out **today!!!!**
 - Fill out [group responsibility sheet](#) and turn in
 - Need to bring in materials tomorrow

Looking Ahead

- Guest Speaker:
Oct. 23 - Mrs. Wright (Medical Professions)

College & Career Connections Friday 10/18

- **Unit 4: Engineering Your Success**
- Career Concept: The Engineering Design Process
 - Fill out [Solving Problems with Engineering Project Packet](#)
- Copy and share [Solving Problems with Engineering Presentation](#) with group and fill out while you are creating - On Google Classroom
 - [Examples of presentations](#) on Google Classroom
- Start building your prototype!

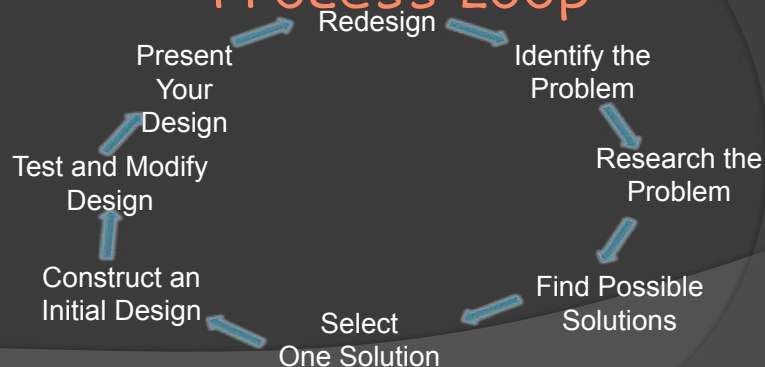

College & Career Connections Tuesday 10/22

- **Unit 4: Engineering Your Success**
- Career Concept: The Engineering Design Process
 - Fill out [Solving Problems with Engineering Project](#) while you are creating your prototype
- Fill out [template of Solving Problems with Engineering](#) presentation
 - Make sure to answer all questions on presentation fully
 - Make sure to take pics and add to presentation in all phases
- Presentations Friday!!!

- Planning for your project:
 - a. This is what each person in your group should have already done **individually**:
 - i. [Drawn sketch of product](#) - Compare to others in your group
 - ii. [Wrote down the materials](#) needed to engineer it
 - iii. [Looked for similar products](#) to yours online and write down the URLs
 - b. This is what your group should be doing **together**:
 - i. One person from group should [copy the Presentation Template](#) (on Google Classroom) and share it with group members
 - ii. Figure out who will [bring in materials](#) for project
 - iii. Figure out [responsibilities for each group member](#) and fill out sheet to turn in to Mr. C.
 - iv. Document the stages of production with pics and/or video
- You have 3 class days to complete production of your project!!!

The Engineering Design Process Loop

College & Career Connections Wednesday 10/23

Speaker: Edna Wright
Medical Professions

College & Career Connections Thursday 10/24

- **Unit 4: Engineering Your Success**
- Career Concept: The Engineering Design Process
 - Fill out [Solving Problems with Engineering Project](#) while you are creating your prototype
- Fill out [template of Solving Problems with Engineering](#) presentation
 - Make sure to answer all questions on presentation fully
 - Make sure to take pics and add to presentation in all phases
- Fill out the [Google Form](#) to turn in your presentation - on Google Classroom.
- Presentations Tomorrow!!!

College & Career Connections Friday 10/25

- **Unit 4: Engineering Your Success**
- Career Concept: The Engineering Design Process
 - Fill out [Solving Problems with Engineering Project](#) while you are creating your prototype
- Fill out [template of Solving Problems with Engineering](#) presentation
 - Make sure to answer all questions on presentation fully
 - Make sure to take pics and add to presentation in all phases
- Presentations on Monday!!!

College & Career Connections Monday 10/28

- **Unit 4: Engineering Your Success**
- **Presentations Today!!!**
 - Fill out the [Google Form](#) to turn in your presentation - on Google Classroom.
 - Turn in your [Solving Problems with Engineering Project](#) packet!
- **Career Cluster Focus:** Education and Training
 - "Ron Clark" Movie
 - Fill out Discuss ["Ron Clark" Movie Questions](#) during movie - On Google Classroom

College & Career Connections Tuesday 10/29

- **Unit 4: Engineering Your Success**
- **Finish Presentations?**
- **Career Cluster Focus:** Education and Training
 - "Ron Clark" Movie
 - Fill out Discuss ["Ron Clark" Movie Questions](#) during movie - On Google Classroom

College & Career Connections Wednesday 10/30

- **Unit 4: Engineering Your Success**
- Finish Presentations?
- Career Cluster Focus: Education and Training
- Discuss "Ron Clark" Movie Questions

College & Career Connections Thursday 10/31

- **Unit 4: Engineering Your Success**
- Discuss "Ron Clark" Movie Questions with Ms. Cole
- Open Students Teaching Students Project - On Google Classroom
 - Groups selected by Mr. C.
 - Check screen for groups
- Lesson Plan Project introduction by Ms. Cole
 - Get into groups
 - One person in group make a copy of the project instructions and share with everyone else in the group
 - Brainstorm ideas to teach your assigned Employability Skill

Employability Skills For Success

Communication	Listening	Problem Solving
Proper Technology Use	Decision Making	Organizing/Planning
Teamwork	Proper Social Interaction	Adaptability

The Engineering Design Process Loop

Period 4 Groups

Communication <ul style="list-style-type: none"> Jayonna Kevin Kaden 	Listening <ul style="list-style-type: none"> Gabe Sydney Layla 	Problem Solving <ul style="list-style-type: none"> Syrai Taylor Allie
Decision Making <ul style="list-style-type: none"> Elizabeth Maya London 		Organizing/Planning <ul style="list-style-type: none"> Adama Dylan Laila
Teamwork <ul style="list-style-type: none"> Gracie Elijah Anisa Alyssa 	Proper Social Interaction <ul style="list-style-type: none"> Sam Maddie Megan 	Adaptability <ul style="list-style-type: none">

Period 5 Groups

Communication <ul style="list-style-type: none"> DJ Danica 	Listening <ul style="list-style-type: none"> Delamar Draven 	Problem Solving <ul style="list-style-type: none"> Izzy Connor
Decision Making <ul style="list-style-type: none"> Cole Dre' Naya 		Organizing/Planning <ul style="list-style-type: none"> Brandon Christian

College & Career Connections Friday 11/1

- **Unit 4: Engineering Your Success**
- Students Teaching Students Project
 - Make sure you are filling out your Progress Journal and Lesson Plan
 - Lesson Pre-Testing and SWOT analysis Tuesday
 - Your group will give the idea for your Hook, Presentation and Evaluation
 - Everyone else will be evaluating and giving feedback to help improve your presentation

College & Career Connections Monday 11/4

- **Unit 4: Engineering Your Success**
- Students Teaching Students Project
 - Make sure you are filling out your Progress Journal and Lesson Plan
 - Lesson Pre-Testing and SWOT analysis tomorrow
 - Your group will give the idea for your Hook, Presentation and Evaluation
 - Everyone else will be evaluating and giving feedback to help improve your presentation

College & Career Connections Tuesday 11/5

STRENGTH	weakness
What was done well?	What could have been done better?
You could improve if you did this_____	You may have problems with...
opportunity	THREAT

- **Unit 4: Engineering Your Success**
- Test Day I
- Each group will introduce their ideas for lessons
- Fill out [SWOT Analysis](#) on Google Classroom
- Fill out Progress Journal (Testing and redesign should be completed by tomorrow)
- Fill out your Lesson Plan (Should be completed by tomorrow)

College & Career Connections Wednesday 11/6

- **Unit 4: Engineering Your Success**
- [Students Teaching Students Project](#):
 - Turn in your completed Progress Journal and Lesson Plan on [Google Form](#) - On Google Classroom
 - Make sure to put [links to all of your online resources](#) on this form
 - Get all materials together for presentation (kahoots, note cards, games, etc.)
 - Practice presentation and SWOT analysis tomorrow!

College & Career Connections Thursday 11/7

- **Test Day II - practice presentation on classmates**
 - Turn in your completed [Progress Journal and Lesson Plan Packet](#) on [Google Form](#) - On Google Classroom
 - Make sure to put [links to all of your online resources](#) on this form
 - Make sure anything needed for your presentation is ready to go
 - Fill out [SWOT Analysis II form](#) - on Google Classroom for each group for feedback.
 - [Final Dress Rehearsal](#) will be on Monday (11/18)
 - Presentation to 5th graders will be on Tuesday (11/19) - More Details to Come!!!

College & Career Connections Monday 11/11

- **Unit 4: Engineering Your Success**
- Finish Presentations!!!
- Fill out [SWOT Analysis II form](#) - on Google Classroom for each group for feedback.
- **Unit 5: Education is the Basis for Success**
- [College MatchMaker](#) - Link on Google Classroom
 - Pick top 3 requirements for your college
 - Choose from the list or choose your own for assignment below
- [Higher Education Opportunities for Your Career](#) - Assignment on Google Classroom
- **Get Field Trip Sheet signed and turned in by Friday!!!**

College & Career Connections Tuesday 11/12

- **Unit 5: Education is the Basis for Success**
- Finish [Higher Education Opportunities for Your Career](#) - on Google Classroom - Due by end of class
- **Get [Field Trip Permission Slip](#) signed and turned in by Friday!!!**

College & Career Connections Wednesday 11/13

- **Unit 5: Education is the Basis for Success**
- Fill out [Planning for Higher Education](#) sheet - Due Tomorrow
- Fill out [Which Careers Match Your Skills?](#) and [What to Look for in a School](#) Packet
 - Turn in packet when finished
- **Get [Field Trip Permission Slip](#) signed and turned in by Friday!!!**

College & Career Connections Thursday 11/14

- **Unit 5: Education is the Basis for Success**
- Fill out [Planning for Higher Education](#) sheet - Due by end of class Today!!!
- Fill out [Which Careers Match Your Skills?](#) and [What to Look for in a School](#) Packet
 - Turn in packet when finished
- **Get [Field Trip Permission Slip](#) signed and turned in by Friday!!!**

College & Career Connections Friday 11/15

- **Get [Field Trip Permission Slip](#) signed and turned in by Today!!!**
 - Make sure you give all materials and links to Mr. C. for dress rehearsal on Monday!
 - **Field Trip on Tuesday (11/19)**
 - **[Info about 5th grade presentations](#) on Google Classroom**
- [College Advertising Campaign Project](#)
 - [Example Project](#)
- Pamphlet - Start Today
 - Make copy of [Pamphlet Template](#)
 - Use info from [Higher Education Opportunities for Your Career](#) Sheet
 - Include all requirements from rubric on instructions

College & Career Connections Monday 11/18

- Dress Rehearsal for 5th Grade Presentations
 - Our class will be doing everything the 5th graders will do
 - Make your final tweaks to your presentation today
- Make sure to do the following:
 - Have any and all materials with you to take with us
 - Put your backpacks in my room
 - Remember order of presentations

What's Going to Happen on Tuesday?

- Go to class during regular time
- 4th period class:
 - Meet in front lobby at 8:30 to catch bus to Jefferson
 - Presenting to 5th graders from 8:45-10:00 a.m. and coming back to school
- 5th period class:
 - Meet in front lobby at 10:15 to catch bus to Jefferson
 - Presenting to 5th graders from 10:30-11:45 a.m. and coming back to school
- If you have 4th period lunch, go to lunch during 5th period

COLLEGE/SCHOOL

- Choose a College or School that has a program to train you for the job you choose.
- List the location of the school.
- List the total tuition, or cost of education, at the school for the whole time you will be in school. (\$5,000 tuition X 4 years = \$20,000)
- If you are going to live on campus, you will need to list the price of Room and Board for the whole time you will be in school. (\$2,500 R&B X 4 Years = \$10,000)

This slide must include the name of the school, location, tuition and room and board (if needed). (Put link(s) in speakers notes.)

JOB/CAREER INFORMATION

- Pick a location you would like to work (City, State)
- Find a job and show the link from a site you use. Example sites-
 - Ohio Means Jobs
 - Monster.com
 - Company Websites
- List the income (hourly/yearly)
- List the details about that job
 - Location
 - Benefits
 - Hours

This slide must include the location of your job, your hourly or yearly salary and at least 3 details about your job. (Put link(s) in speaker notes)

JOB/CAREER SUMMARY & DETAILS

- List your job description here
 - Describe what a day would look like in this job/career
 - Duties & Responsibilities
 - What skills are required?
 - What education is required?
 - What are some similar jobs in this same area? (List at least 5)

This slide must include answers to all of the questions from above. (Put link(s) in speakers notes.)

HOUSING

- You are going to rent an apartment?
- Look for apartments you would rent - must be within 60 miles of your job. List several options below, use the following links:
 - apartments.com
 - apartmentguide.com
 - Etc.
- List the monthly rent for the apartment you choose.
- Insert a picture of the apartment building.

Slide must include picture of apartment building and monthly cost of rent for your apartment. (Put link(s) in speaker notes)

TRANSPORTATION

- How do you want to get to work, activities, etc.? Explain and choose:
 - Car/Truck/Etc.
 - Bus/Bike
 - Walking
- Find a method of transportation online for purchase
 - cars.com
 - Car dealership
 - Craigslist
 - COTA/or other city transpiration site
 - ETC

Slide must include picture of actual transportation/service and monthly cost of transportation option. (Put link(s) in speakers notes)

LIVING EXPENSES

- What expenses are you going to have based on the lifestyle you want to live?
- And how much will you need to budget for them based on your location

Groceries		Gasoline	
Utilities (Gas, water, electric)		Cell Phone	
WiFi		Entertainment	
Savings (at least 10%)		Car and Apartment Insurance	
Total of all Living Expenses:			

This slide must include the amounts (per month) you will spend on living expenses and the links you used to find the information. (Put link(s) in speaker notes.)

MONTHLY BUDGET

- **Total Monthly Salary - (housing + transportation + living expenses)**
- Based on what you have researched, will you be able to "survive" within your means? In other words, will your desired job be able to provide for you the things that you want? Why or why not, and what would you change?

Total Monthly Salary	Housing/Trans/Living Exp.	Monthly Net Gain/Loss
-		=

This slide must include include your calculation for total monthly salary and answers to questions from above. (Put link(s) in speakers notes.)

REFLECTION

Now that you have done the research, is this the job you see yourself doing once you finish college/tech school/high school? Based on the research that you have done, tell me why or why not? (3-5 sentences)

This slide must include your response to the question above.
