

*Career and College
Promise*

APPLICATION
PACKET

The Program:

In accordance with Session Law 2011-145 Appropriations Act of 2011, Onslow County Schools and Coastal Carolina Community College (Coastal) established the Career and College Promise Program (CCP). CCP provides opportunities for eligible high school juniors and seniors to take college courses to accelerate completion of college certificates, diplomas, and Associate degrees that may lead to college transfer and/or careers.

The Cost: Approved students pay no tuition; however, students are required to purchase textbooks, and some classes require digital material in lieu of a physical textbook; this is referred to as Inclusive Access. The price of Inclusive Access materials will be automatically billed to student accounts and must be paid to Coastal's Accounting Office prior to the first day of class; however, students may opt-out of Inclusive Access and elect to assume the responsibility of purchasing required course materials. Failure to pay the cost of course materials may result in disenrollment from all registered classes.

Criteria:

- a) Be a high school Junior or Senior.
- b) Have permission from legal guardian(s), high school counselor, and principal.
- c) Meet academic criteria:
 1. Have a 2.8 unweighted GPA or higher on high school courses **OR**
 2. Demonstrate college readiness in English, reading, and mathematics on one of the approved assessments
 3. For Career and Technical Education Pathways **only**, have the recommendation of the high school principal with a rationale to waive the GPA/assessment score requirements.

Approved Assessments:

English & Reading	70 Tier 1 & 2	480	English 26 & Reading 26	English 18 & Reading 22

Admissions Policy and Information:

Coastal Carolina Community College maintains an open door admissions policy for all applicants. The College serves students regardless of race, color, national origin, sex, sexual orientation, gender, gender identity, gender expression, pregnancy, disability, age, religion, veteran status, or any other characteristic or status protected by applicable local, state, or federal law in admission, treatment, or access to, or employment in, its programs and activities. Selective placement of individual students in the different programs of study within the College is determined by the Admissions Office, within the guidelines established by the State Board of Community Colleges and the North Carolina Community College System for each program of study and course offered.

- As a general rule, high school students are limited to two college courses (7 semester hours credit) per semester. For consideration to take additional credit hours in a student's first semester, the student must receive approval from the High School Principal and Coastal Carolina Community College's CCP Coordinator.
- CCP students must be identified as a Junior or Senior in High School.
- Courses with asterisks require the course in parenthesis to be completed (i.e., "C" or higher) before enrolling.
- Students are encouraged to verify program requirements at future institutions to ensure successful transfer.
- Returning students may not change pathways without written permission; see your college liaison.
- Students in the College Transfer Pathways must fulfill requirements of the selected pathway before being eligible to enroll in additional courses. Approval must also be obtained prior to enrollment.
- Students in Onslow County Schools will receive AP weighted high school credit for completion of college courses.
- To remain eligible for continued enrollment, a student must complete a new application each semester documenting a 2.8 unweighted high school GPA and maintain a 2.0 GPA on college coursework after completing two courses.
- Any student whose cumulative Coastal GPA is below a 2.0 will be required to re-take and successfully complete (i.e., "C" or higher) any course(s) in which they did not earn a "C" or higher prior to enrolling in other courses.
