Driver's License or ID Card Renewal

Welcome, MICHAEL A LAROCCO!

You may only renew a driver's license or ID card online if your previous renewal transaction was completed in a license branch.

You can renew your license online only if you meet the following conditions:

- You have a regular driver's license or chauffeur's license. Commercial driver's licenses or public passenger chauffeur's licenses cannot be renewed online.
- You are a citizen of the United States.
- There is no change in your name, address, or other information.
- Your license is not expired more than 180 days.
- You are within 12 months of your renewal date.
- You require no testing or medical certifications.
- You are under 75 years old.
- Your previous photo is on file.
- Your record does not have restrictions J or 2-9.
- You are not suspended or invalidated.
- You do not have six or more points on your driver record.
- No points on your current license, if you are under 21 years old.
- You are not switching from a non-SecureID to a SecureID.

You can renew your ID card online only if you meet the following conditions:

- You are a citizen of the United States.
- There is no change in your name, address, or other information.
- Your ID card is not expired more than 180 days.
- You are within 12 months of your renewal date.
- Your previous photo is on file.
- You are not switching from a non-SecureID to a SecureID.
- Your record does not have restrictions 3 or 9.

Note: An individual eligible to vote in the next general, municipal, or special election will not be charged a fee for an ID card.

Certify your driver type.

No "K" restriction on your license (**should be almost every school bus driver**) then you would click:

☑Y   ☐N   1. Do you certify that you operate or expect to operate a commercial motor vehicle interstate (across state boundaries), that you are qualified under 49 CFR Part 391, and that you are required to obtain a medical examiner's certificate?

☐Y   ☑N   2. Do you certify that you operate, expect to operate, or are required to operate a commercial motor vehicle interstate only (entirely within the boundaries of Indiana)? Note: K restriction drivers must answer "yes" to this question.

☐Y   ☑N   3. Do you certify that you engage exclusively in transportation or operations expected under 49 CFR 390.3(f), 391.2, 391.68 or 398.36 from all or parts of the qualification requirements of 49 CFR part 391, and are therefore not required to obtain a medical examiner's certificate by 49 CFR 391.45 of this chapter? Expected (This is not applicable for Indiana drivers because Indiana requires a DOT physical for all CDL drivers).

I swear or affirm under the penalties of perjury that the information on this form is true and correct. ☐
