

Chapter 8: The Civil War

--Minnesota Connections--

Slides:

1. Vocabulary (6)
2. Vocabulary (2)
3. Dred Scotts Decision
4. Civil War Timeline: Put Events in Order
5. Eleven Events in Order

The American Civil War can be looked at as a long story with a large number of events. Know your eight vocabulary words and think about how they fit into the story. Also look at the eleven events shown on slides 4 & 5; think about when they happened and how they fit into the story as well. Use your flashcards to practice putting them in order.

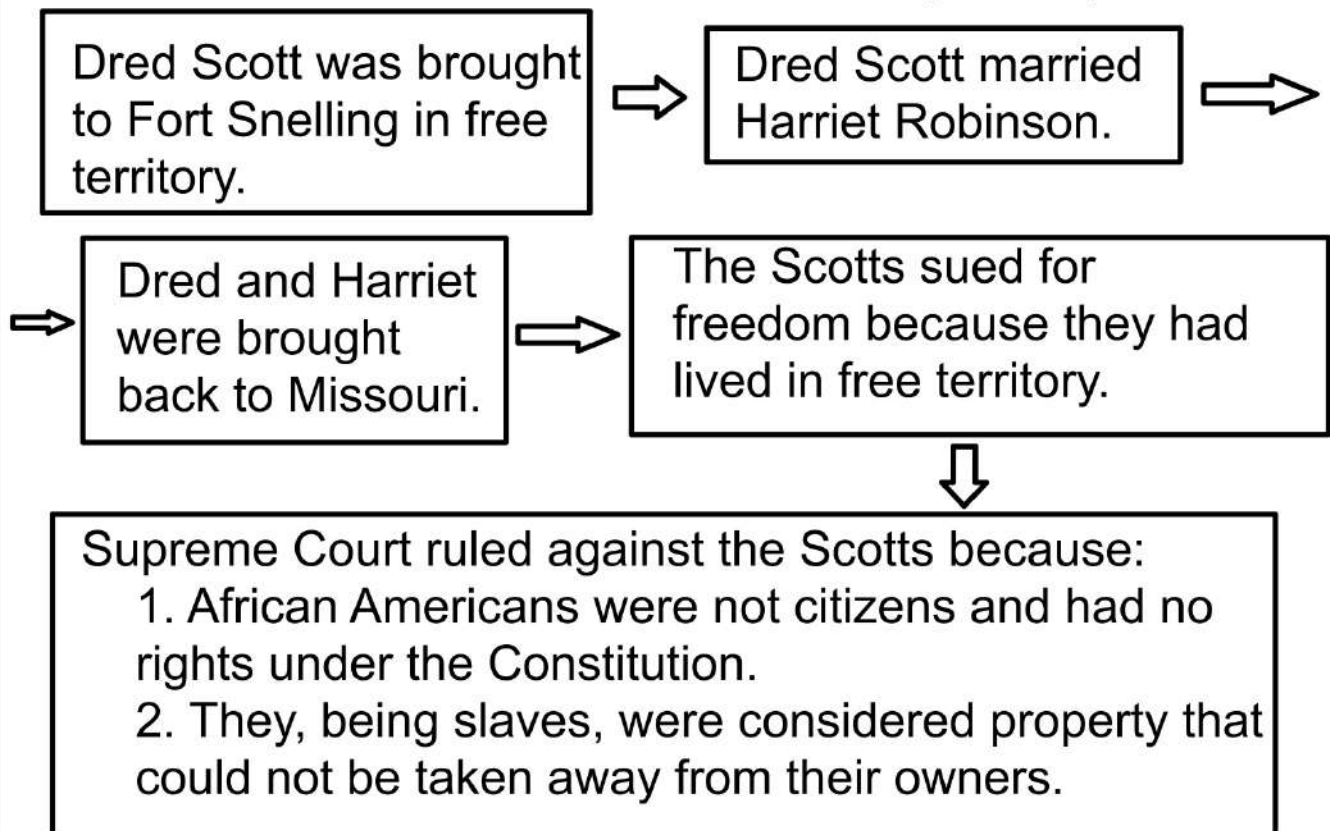

Chapter 8 Vocabulary

abolitionist	someone who wants to end slavery
secede	to withdraw from an organization or country
Union	the United States of America, often in reference to the Northern states during the Civil War.
Confederacy	the eleven Southern states that seceded from the Union during the Civil War. Also called the Confederate States of America.
Emancipation Proclamation	an order issued by U.S. president Abraham Lincoln on January 1, 1863. It announced that the enslaved people in the rebelling Confederate states were free.
amendment	a change to a government process or document

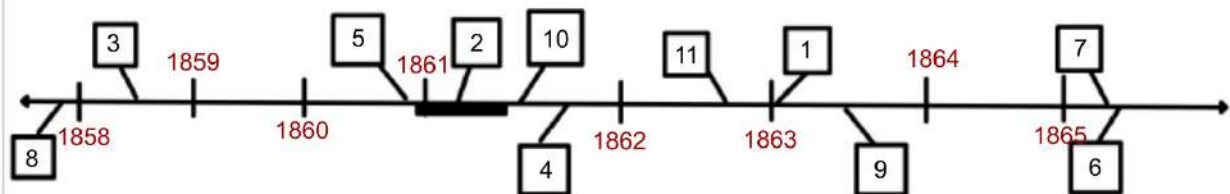

Chapter 8 Vocabulary, continued...

[illegible]
