Service Learning/ Community Exchange

Service-learning refers to learning that actively involves **students** in a wide range of experiences, which often benefit others and the community, while also advancing curriculum goals. **Community-based service** activities are paired with structured preparation and **student** reflection.

This month, students will work together to do breast cancer awareness posters for the breast cancer awareness walk this **Sunday 10/17/21**.

8th Graders on the Rise!!!

The 8th Graders have been working really hard this month in preparation for the high application process.
