

## **Chapter 16.2 The Korean War**

Name \_\_\_\_\_

1. Explain what shifted the focus of the Cold War from Europe to Asia.
2. What is Marxism? (You will need to find this answer somewhere else!!)
3. Explain why Chiang Kai-shek and Mao Zedong would temporarily join forces, before resuming the Civil War in China.
4. How did Mao get support in China?
5. Show an understanding of why the U.S. had no intentions on sending troops to help Chiang Kai-shek?
6. Explain the division of Korea, and who supported what parts.

7. The departure of U.S. troops from Korea coincided with what action, and what was North Korea's response?
8. List two reasons why Truman used the Truman Doctrine in South Korea when he did?
9. Explain why that the Korean War was able to be fought under the U.N. banner, and how this would change the role of the President by setting what kind of a new precedent?
10. Explain the Korean War in detail.

11. What General was put in control of Japan after the war, and would also lead the *U.N. Forces* in the Korean War?
12. What General was in charge of West Germany after the war?
13. When did the Cold War begin?
14. The Korean War was the first war to be fought under the \_\_\_\_\_ banner.
15. Explain why Truman fired MacArthur.
16. Why did MacArthur return home to a tickertape parade?
17. Explain the issue of the election of 1952, and how Eisenhower dealt with it.

18. Three Problems people had with the Korean War was that it started and ended on the \_\_\_\_\_ Parallel, and that \_\_\_\_\_ Americans died, and North Korea remained \_\_\_\_\_.
19. A long term effect of the Korean War was that it set what kind of precedent for future U.S. Presidents that was only a job of Congress before?
20. Why was Russia boycotting the United Nations?
21. In 1960, what percent of the U.S. budget went to Defense Spending?
22. Explain the new alliance that was established to protect Southeast Asia and name the countries that were members.
