Again, if the parent still does not respond, a third Notice of Reevaluation and Consent for Evaluation will be sent in an attempt to get parental informed Consent. After three attempts and no response, the public agency may go forward with the reevaluation. The first attempt MUST be in written form, the second should also be in writing and the third may be a documented follow-up phone call. Detailed records of phone calls made or attempted and the results must be documented on the written Invitation form; copies of correspondence sent and any visits to the home or place of employment and results. - (2) In addition to the parental consent requirements described in paragraph (a) of this section, a State may require parental consent for other services and activities under this part if it ensures that each public agency in the State establishes and implements effective procedures to ensure that a parent's refusal to consent does not result in a failure to provide the child with FAPE.
- (3) The public agency may not use a parent's refusal to consent to one service or activity under paragraphs (a) and (d)(2) of this section to deny the parent or child any other service, benefit, or activity of the public agency, except as required by this part.

- (b) State-supported educational programs and the educational programs of juvenile or adult detention or correctional facilities are educational agencies for purposes of the Family Educational Rights and Privacy Act (FERPA) and are entitled to request and receive educational records on children with

disabilities on the same basis as local school districts. Public agencies shall promptly honor requests for records to assist such programs in providing appropriate services to children within their educational jurisdiction.

- (c) Pursuant to 34 CFR §99.34(b), an educational agency that is authorized to transfer student records to another educational agency without parental consent under §99.31(a)(2) may properly transfer to the receiving agency all educational records the sending agency maintains on a child, including medical, psychological and other types of diagnostic and service information which the agency obtained from outside sources and used in making or implementing educational programming decisions for the child.
- (d) Pursuant to Paragraph (3) of Subsection E of 6.29.1.9 NMAC, 34 CFR §300.229 and the federal No Child Left Behind Act at 20 USC 7165, any transfer of educational records to a private or public elementary or secondary school in which a child with disabilities seeks, intends, or is instructed to enroll must include the following:
 - (i) transcripts and copies of all pertinent records as normally transferred for all students;
 - (ii) the child's current individualized education program with all supporting documentation, including the most recent multidisciplinary evaluations and any related medical, psychological or other diagnostic or service information that was consulted in developing the IEP; and
 - (iii) disciplinary records with respect to current or previous suspensions or expulsions of the child.
- (4) Parental refusals of consent for release of information. If parental consent is required for a particular release of information regarding a child with a disability and the parent refuses consent, the sending or receiving public agency may use the impartial due process hearing procedures specified in Subsection I of 6.31.2.13 NMAC to determine if the information may be released without parental consent. If the hearing officer determines that the proposed release of information is reasonably necessary to enable one or more public agencies to fulfill their educational responsibilities toward the child, the information may be released without the parent's consent. The hearing officer's decision in such a case shall be final and not subject to further administrative review.

34 CFR §99.31 FERPA – Family Educational Rights and Privacy Act

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without parental consent, to the following parties or under the following conditions:

34 CFR § 99.31 FERPA:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Parental Consent to Release records will be obtained in all other instances not described above.

Authority: 34 CFR §300.154. Methods of ensuring services.

(d) Children with disabilities who are covered by public benefits or insurance.

- (1) The public agency may use the Medicaid or other public benefits or insurance programs in which a child participates to provide or pay for services required under this part, as permitted under the public benefits or insurance program, except as provided in paragraph (d)(2) of this section.
- (2) With regard to services required to provide FAPE to an eligible child under this part, the public agency--
 - (i), (ii), and (iii) are found in Chapter 8 - General Administration
 - (iv) (A) Must obtain parental consent consistent with §300.9 each time that access to public benefits or insurance is sought; and

- (B) Notify parents that the parents' refusal to allow access to their public benefits or insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.**

Medicaid Services

The public agency will meet the parental consent requirement in section 300.154 by obtaining one parent's signed consent that:

- 1) specifies the number of times the school will access Medicaid benefits over a definite period of time, such as a semester or school year, and
- 2) meets requirements for informed parental consent in section §300.9 on previous pages.

Parents should be fully informed regarding the purpose of the consent consistent with federal regulations. In this case, fully informing parents should include an explanation that the school may not:

- 1) require parents to incur out-of-pocket expenses or sign up for public benefits in order for their child to receive services,
- 2) use benefits that would decrease a child's lifetime coverage or result in the family paying for services that would otherwise be covered, or
- 3) use benefits if that use would increase premiums, lead to the discontinuation of benefits or risk loss of eligibility for home and community-based waivers as described in section 300.154. A new consent should be sought at least every school year and may occur at the student's annual IEP meeting.

Consent for Individual Family Service Plan (IFSP) – 34 CFR §300.323(b)(2)(ii)

Authority: 34 CFR §300.323 When IEPs must be in effect.

(b) IEP or IFSP for children aged three through five.

- (1) In the case of a child with a disability aged three through five (or, at the discretion of the NMPED, a two-year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is--
 - (i) Consistent with State policy; and
 - (ii) Agreed to by the agency and the child's parents.
- (2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must--
 - (i) Provide to the child's parents a detailed explanation of the differences between an IFSP and an IEP; *(use the New Mexico FIT program IFSP documents as public agency is required to explain the difference to parents - <http://www.health.state.nm.us/ddsd/fit/otherdoc.html>)* and
 - (ii) If the parents choose an IFSP, obtain written informed consent from the parents.
(Written informed consent from the parents means consent as described at the beginning of this Consent section III.)

- (2) If a judicial decree or order identifies a specific person or persons under paragraph (a)(1) through (4) of this section to act as the "parent" of a child or to make educational decisions on behalf of a child, then such person or persons shall be determined to be the "parent" for purposes of this section, except that a public agency that provides education or care for the child may not act as the parent. A foster parent who does not qualify under the above requirements but who meets all requirements for a surrogate parent under 34 CFR §300.519 may be appointed as a surrogate if the public agency responsible for making the appointment deems such action appropriate. (See Subsection J of 6.31.2.13 NMAC.)

In this case, the public agency must keep a record of its attempts to arrange a mutually agreed on time and place such as:
 - (1) Detailed records of telephone calls made or attempted and the results of those calls;
 - (2) Copies of correspondence sent to the parents and any responses received; and
 - (3) Detailed records of visits made to the parent's home or place of employment and the results of those visits.

- (b) **Rule of construction.** Nothing in paragraph (a) of this section shall be construed to create a Federal prohibition against teachers and other school personnel consulting or sharing classroom-based observations with parents or guardians regarding a student's academic and functional performance, or behavior in the classroom or school, or regarding the need for evaluation for special education or related services under §300.111 (related to child find).

Authority: NMAC 6.31.2.9 Public Agency Responsibilities

- J.** Prohibition on mandatory medication. Each LEA and other public agencies serving students with disabilities are prohibited from requiring parents to obtain a prescription for substances identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 USC 812(c)) for a student as a condition of

1. At no time, and in no way, will the public agency personnel state or suggest that a student with a disability or a suspected disability must obtain a prescribed medication that is covered by the *Controlled Substances Act* before that student may attend school, return to school, receive an evaluation for a suspected disability or receive special education and related services.

Transfer of Rights at Age 18

Authority: NMAC 6.31.2.13 Additional Rights of Parents, Students and Public Agencies

K. Transfer of parental rights to students at age 18

- (1) Pursuant to Sections 12-2A-3 and 28-6-1 NMSA 1978, a person's age of majority begins on the first instant of his or her 18th birthday and a person who has reached the age of majority is an adult for all purposes not otherwise limited by state law. A guardianship proceeding under the probate code is the only way an adult in New Mexico can legally be determined to be incompetent and have the right to make his or her own decisions taken away. Public agencies and their IEP teams are not empowered to make such determinations under New Mexico law. Accordingly, pursuant to 34 CFR §300.520, when a child with a disability reaches age 18 and does not have a court-appointed general guardian, limited guardian or other person who has been authorized by a court to make educational decisions on the student's behalf or who has not signed a power of attorney as provided under New Mexico law:
 - (a) the public agency shall provide any notices required by 34 CFR Part 300 to the child and the parents;
 - (b) all other rights accorded to parents under Part B of the IDEA, New Mexico law or department rules and standards transfer to the child; and
 - (c) the public agency shall notify the individual and the parents of the transfer of rights.
- (2) Pursuant to 34 CFR §300.320(c), each annual IEP review for a child who is 16 or older must include a discussion of the rights that will transfer when the child turns 18 and, as appropriate, a discussion of the parents' plans for obtaining a guardian before that time. The IEP of a child who is 14 or older must include a statement that the child and the parent have been informed of the rights that will transfer to the child at age 18.

 - (4) A description of all of the rights of parents and children regarding this information, including the rights under FERPA and implementing regulations in 34 CFR Part 99.

The record of access shall be available only to parents, school officials responsible for custody of the records, and those state and federal officials authorized to audit the operation of the system.
3. Access Procedures: The cumulative record and special education legal folder shall be made available to the parent. Records may be reviewed during regular school hours upon request to the appropriate record custodian. The record custodian or designee shall be present to explain the record and to answer questions. The confidential nature of the student's records shall be maintained at all times, and the records shall be restricted to use only in the offices of the Superintendent, a principal, a counselor, or Special Education as designated by the appropriate record custodian. - (b) A participating agency may not charge a fee to search for or to retrieve information under this part. *No fee may be charged to search for or to retrieve the education record of a student. A fee of \$0.10 (10¢) per page may be charged for copies of education records that are made for the parents or students under this procedure, provided that the fee does not effectively prevent them from exercising their right to inspect and review those records. Authority: NMAC 6.31.2.13 **Additional Rights of Parents, Students and Public Agencies**

J. Surrogate parents and foster parents

- (1) The public agency shall ensure that a qualified surrogate parent is appointed in compliance with 34 CFR §300.519 when needed to protect the rights of a child with a disability who is within the agency's educational jurisdiction. A surrogate parent need not be appointed if a person who qualifies as a parent under 34 CFR §300.30(b) and Paragraph (14) of Subsection B of 6.31.2.7 NMAC can be identified.
- (2) A foster parent who meets all requirements of 34 CFR §300.30 may be treated as the child's parent pursuant to that regulation. A foster parent who does not meet those requirements, but meets all requirements of 34 CFR §300.519, may be appointed as a surrogate parent if public agency ~~who~~ that is responsible for the appointment deems such action appropriate.
- (3) Pursuant to 34 CFR §300.519, a surrogate parent may represent the child in all matters relating to the identification, evaluation and educational placement of the child and the provision of FAPE to the child.

Authority: 34 CFR §300.519 **Surrogate parents – criteria.**

- (a) **General.** The New Mexico School for the Blind and Visually Impaired must ensure that the rights of a child are protected when--

- (1) No parent (as defined in §300.30) can be identified;
- (2) The public agency, after reasonable efforts, cannot locate a parent;
- (3) The child is a ward of the State under the laws of New Mexico; or
- (4) The child is an unaccompanied homeless youth as defined in section 725(6) of the McKinney-Vento Homeless Assistance Act (42 USC 11434a(6)). *(see Chapter 8. General Administration)*
- (b) Duties of the public agency. The duties of the public agency under paragraph (a) of this section include the assignment of an individual to act as a surrogate for the parents. This must include a method--
 - (1) For determining whether a child needs a surrogate parent; and
 - (2) For assigning a surrogate parent to the child.
- (c) Wards of the State. In the case of a child who is a ward of the State, the surrogate parent alternatively may be appointed by the judge overseeing the child's case, provided that the surrogate meets the requirements in paragraphs (d)(2)(i) and (e) of this section.
- (d) Criteria for selection of surrogate parents.
 - (1) The public agency may select a surrogate parent in any way permitted under State law.
 - (2) The public agency must ensure that a person selected as a surrogate parent--
 - (i) Is not an employee of the NMPED, the public agency, or any other agency that is involved in the education or care of the child;
 - (ii) Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and
 - (iii) Has knowledge and skills that ensure adequate representation of the child.
- (e) Non-employee requirement; compensation. A person otherwise qualified to be a surrogate parent under paragraph (d) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a surrogate parent.
Whether any person acting as a surrogate parent should be paid is at the discretion of the Special Education Director.
- (f) Unaccompanied homeless youth. In the case of a child who is an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogates without regard to paragraph (d)(2)(i) of this section, until a surrogate can be appointed that meets all of the requirements of paragraph (d) of this section.
- (g) Surrogate parent responsibilities. The surrogate parent may represent the child in all matters relating to-
 - (1) The identification, evaluation, and educational placement of the child; and
 - (2) The provision of FAPE to the child.
- (h) NMPED responsibility. The NMPED must make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after public agency determines that the child needs a surrogate.

Requirements of Surrogate

Staff Training: Method of determining whether a child needs a surrogate parent.

Annually, the local campus principals, counselors and staff, along with the special education staff, are trained on the situations in §300.519 in which a student would need a surrogate parent appointed or would need the surrogate parent required training. Staff is asked to assist in identifying those students who need surrogates. The special education director or designee will maintain the list of trained surrogates and schedule training for new surrogates.

Surrogate Parent Assignment Guidelines:

The principal or other person makes the request for a surrogate parent for an eligible public agency child.

Procedures for requesting a surrogate parent are as follows:

- a. *Principal or other assigned staff person notifies the special education director of need and of potential surrogate parents if they are aware of any potential volunteers.*
- b. *The special education director or designee schedules and conducts the training using application form to document assurances below.*
- c. *The special education director notifies campus administration of completed training and the names of new surrogate parents.*

- d. *The special education director, principal or designee notifies/contacts the student's assigned surrogate parent when appropriate.*

Assurances

Assurances must be made by the individual selected to serve as a surrogate or foster parent. These assurances are reviewed at the training and documented on the application form signed by the surrogate / foster parent.

- *The individual may not have any personal or professional interest that conflicts with the interest of the child the surrogate parent represents;*
- *The individual may not be an employee of the public agency or of any other public agency responsible for, or involved in, the education or care of the child the surrogate parent represents;*
- *The individual must have knowledge and skills that ensure adequate representation of the child;*
- *The individual must be a resident of the member school district which the student attends, and*
- *The public agency may select as a surrogate a person who is an employee of a nonpublic agency that only provides non-educational care for the child and who meets the standards above.*

A foster parent in a home verified by the New Mexico Department of Health or a child-placing agency shall not be deemed to have a financial conflict of interest by virtue of serving as the foster parent in that home. These homes include, but are not limited to, basic, habilitative, primary medical, or therapeutic foster or foster group homes. In addition, issues concerning quality of care of the child do not constitute a conflict of interest. Concerns regarding quality of care of the child should be communicated, and may be statutorily required to be reported, to the New Mexico Department of Health.

Documentation of Training for Volunteers to Serve as Surrogate Parent:

- a. *The individual assigned to act as a surrogate parent must complete a training program within 90 calendar days after the effective date of initial assignment as a surrogate parent.*
- b. *Once the individual has completed a training program conducted or provided by or through the New Mexico Department of Health, a school district, an education service center, or any entity that receives federal funds to provide IDEA training to parents, the individual shall not be required by any school to complete additional training in order to continue serving as the student's surrogate parent or to serve as the surrogate parent for other students with disabilities.*
- c. *The public agency may provide additional training to surrogate parents and/or parents; however, the public agency cannot deny an individual who has received the training from serving as a surrogate parent on the grounds that the individual has not been trained.*
- d. *Training should be provided prior to assigning an individual to act as a surrogate parent.*
- e. *Individuals already serving as surrogate parents, who are identified as not having received previous training, will receive training within 90 calendar days of identification.*
- f. *The public agency will keep records of those individuals who have received training and each person trained by the public agency will be given a certificate to use should they move to another school and need evidence of training.*

Documentation of Training for Assignment of Foster Parents as Surrogate Parents:

- a. *A foster parent may act as parent of a child with a disability, in accordance with §300.20 relating to the definition of parent.*
- b. *The foster parent must complete the training within 90 calendar days after the effective date of this rule or the date of initial assignment as foster parent, whichever comes later. The foster parent will be exempt if training has already been conducted by the New Mexico Department of Health and evidence is provided to the public agency.*
- c. *Once the individual has completed a training program conducted or provided by or through the NM Department of Health, the public agency, or any entity that receives federal funds to provide IDEA training to parents, the individual will not be required by any school to complete additional training in order to continue serving as the student's surrogate parent or to serve as the surrogate parent for other students with disabilities.*
- d. *The public agency may provide additional training to surrogate parents and/or parents; however, the public agency cannot deny an individual who has received the training from serving as a surrogate parent on the grounds that the individual has not been trained.*

- e. *Individuals already serving as surrogate parents, who are identified as not having received previous training, will receive training within 90 calendar days of identification if there is no evidence training was previously provided by the New Mexico Department of Health*
- f. *The public agency will keep records of those individuals who have received training and each person trained by the public agency will be given a certificate to use should they move to another school and need evidence of training.*
- g. *If the foster parent does not meet the criteria to serve as parent, the public agency will appoint a surrogate parent. The public agency will give preferential consideration to the foster parent of a student with a disability when assigning a surrogate parent for the child.*

Surrogate Training Completed

When the applicant successfully completes the Surrogate Parent Training, a list of those individuals trained as Surrogate Parents will be filed in the office of the Special Education Director.

VII. INDEPENDENT EDUCATIONAL EVALUATION (IEE)

34 CFR §300.502 Independent educational evaluation.

(a) General.

- (1) **The parents of a child with a disability have the right under this part to obtain an independent educational evaluation of the child, subject to paragraphs (b) through (e) of this section.**
- (2) **The public agency must provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the agency criteria applicable for independent educational evaluations as set forth in paragraph (e) of this section.**

Information on where an IEE may be obtained will be provided to parents on request. A list of individuals who can provide an IEE is available from the Special Education Office. The district criteria (State/Federal requirements) applicable for all evaluations (Chapter 3-Evaluation and Chapter 4 of this document) must also be followed for the IEE. See Evaluator Requirements found below.

(3) For the purposes of this subpart--

- (i) **Independent educational evaluation means an evaluation conducted by a qualified examiner who is not employed by the public agency responsible for the education of the child in question; and**
- (ii) **Public expense means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with §300.103.**

(b) Parent right to evaluation at public expense.

- (1) **A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in paragraphs (b)(2) through (4) of this section.**
- (2) **If a parent requests an independent educational evaluation at public expense, the New Mexico School for the Blind and Visually Impaired must, without unnecessary delay, either--**
 - (i) **File a due process complaint to request a hearing to show that its evaluation is appropriate; or**
 - (ii) **Ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§300.507 through 300.513 that the evaluation obtained by the parent did not meet agency criteria.**

If the parent requests an IEE from any staff member or campus principal, the parent will be provided the name and phone number of the Special Education Director and asked to notify that administrator immediately so that proper steps may be taken to address their request for an IEE. The Special Education Director, in consultation with appropriate public agency staff, will determine whether to pay for the IEE or file for a due process hearing.

- (3) **If the public agency files a due process complaint notice to request a hearing and the final decision is that the public agency's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.**
- (4) **If a parent requests an independent educational evaluation, the public agency may ask for the parent's reason why he or she objects to the public evaluation. However, the public agency may not required the parent to provide an explanation and may not unreasonably delay either providing the**

independent educational evaluation at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation.

- (5) A parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

If the parent requests an IEE during an IEP meeting, the minutes will document that the parent was asked to provide reasons why they objected to the public agency evaluation. If the parent does not provide any specific reason, that also will be documented in the minutes.

- (c) Parent-initiated evaluations. If the parent obtains an independent educational evaluation at private expense or shares with the public agency an evaluation obtained at private expense, the results of the evaluation--
- (1) Must be considered by the public agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the child; and
 - (2) May be presented by any party as evidence at a hearing on a due process complaint under subpart E of this part regarding that child.
- (d) Requests for evaluations by hearing officers. If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.
- (e) Agency criteria.
- (1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.
 - (2) Except for the criteria described in paragraph (e)(1) of this section, the public agency may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense. (Authority: 20 USC 1415(b)(1) and (d)(2)(A))

EVALUATOR REQUIREMENTS

- *The independent examiner will have the same qualifications as the public agency assessment personnel (e.g., psychologist, associate psychologist, or educational diagnostician), as required by New Mexico law and also described in Chapter 8- General Administration)*
- *The evaluation will be conducted in the school building to which the student is assigned, unless clearly not feasible.*
- *The independent examiner will have access to the student's cumulative folder and special education folders in gathering information about the student.*
- *The independent examiner may meet with the school IEP Team to gather information about a student prior to the assessment and to share information following the assessment.*
- *The independent examiner will follow federal and state assessment regulations and rules, reporting requirements and established eligibility criteria for the diagnosis of students with disabilities.*
- *The independent evaluation may be restricted to one assessment area upon mutual agreement by the public agency and parent.*
- *The evaluator must be located within a **200 mile radius** of the public agency. This will allow the evaluator access to the public school for observation of the student and access to the IEP meetings.*
- *The evaluator must provide information in the same timely manner as required by public agency personnel, including an original typed report to the public agency within 30 calendar days from the date that an IEE is approved by the public agency and 5 days prior to the IEP meeting. The report must address the public agency format (which will be provided to the evaluator) for assessment and eligibility. Protocols must be available for review and the report must include an original signature and title of all assessment personnel involved in the evaluation. The report must comply with all requirements of state and federal regulations.*

Steps to Follow for Parent to Request an IEE at Public Expense:

1. *Parent should request an IEP Team meeting to discuss evaluation concerns and allow for possible resolution during the IEP meeting.*
2. *Make request to the IEP Team for action.*

3. *Request IEE as soon as possible but no later than **six months** following the public agency evaluation in question.*
4. *Specify areas of disagreement with the public agency's evaluation and list assessment questions to be addressed by IEE.*
5. *Provide name of evaluator to allow the public agency to:*
 - a. *check certification/license of evaluator and*
 - b. *contract directly with the evaluator.*
6. *Review all Evaluator Requirements listed above.*
7. *If the parent requests an IEE from any staff member or campus principal outside of an IEP Team meeting, the parent will be provided the name and phone number of the Special Education Director and asked to notify that administrator immediately so that proper steps may be taken to address their request for an IEE. The Special Education Director, in consultation with appropriate public agency staff, will determine whether to pay for the IEE or file for a due process hearing.*

Reimbursement or Payment

Reimbursement/payment will be made directly to evaluator upon receipt of IEE which meets all of the public agency's assessment criteria. Parents obtaining an IEE without following these procedures will risk non-payment. Whenever an IEE is at public expense, the criteria under which the IEE is obtained, must be the same as the criteria which the school uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's rights to an IEE.

Criteria For Fee Setting

- *The New Mexico School for the Blind and Visually Impaired will pay a fee for the IEE which allows a parent to choose from among the qualified professionals in the area.*
- *The public agency will not pay unreasonably excessive fees. An unreasonably excessive fee is one which is 10% above the prevailing fees in the area (or 20% above the Medicaid rate) for the specific test being considered.*
- *Upon receipt of a request for payment of an unreasonably excessive fee, the public agency may request a hearing to challenge the right of parents to be reimbursed.*
- *Parents will be allowed the opportunity to demonstrate to an IEP Team that unique circumstances justify an IEE that does not fall within the public agency's criteria.*
- *When service providers have a sliding scale fee based on parent income, the public agency will pay the amount charged to the parent.*
- *In the event that a parent pursues an IEE independently, an original billing form must be submitted to the public agency prior to payment. Before reimbursement or direct payment is authorized, criteria must be met and the written report received.*
- *Travel costs for examiner and/or parents will not exceed public agency rates for travel as established by New Mexico State guidelines.*

Parents Seeking Reimbursement For A Unilaterally Obtained IEE

- *The public agency will not consider a parent request for payment for a unilaterally parent-initiated IEE unless the request is made within a reasonable time after receipt of the results of the evaluation. **A reasonable time is defined as 90 calendar days.***
- *The request will be presented to the IEP Team for action.*
- *The public agency can request a due process hearing to prove its own evaluation is appropriate. This can occur before an IEE is conducted or, after the parent has obtained one and is seeking reimbursement.*
- *The public agency will deny payment of an IEE conducted by an evaluator who does not meet minimum qualifications.*
- *The public agency will deny payment of an IEE which does not meet minimum NMPED criteria for the specific disability identified.*
- *The public agency will deny payment of an IEE which does not meet all state and federal requirements.*

Consideration of Parent Initiated IEE

The results of a parent-initiated IEE obtained at private expense will be considered by the IEP Team in any decision made with respect to the provision of a free appropriate public education to the student (if the IEE meets NMPED criteria). Such consideration does not make the public agency liable for payment of the evaluation.

VIII. CONFLICT RESOLUTION / COMPLAINT PROCEDURES

*If there is a dispute relating to the identification, evaluation, or educational placement, or the provision of a free appropriate public education (FAPE), to a student with a disability, it is the intent of the public agency to encourage and support the resolution of any dispute at the **lowest level possible** and in a prompt, efficient, and effective manner.*

If there is disagreement expressed by the parent, the public agency should always be sure the parents have a current Procedural Safeguards document: Parent and Child Rights in Special Education, a copy of which may be found on the NMPED website at: <http://www.ped.state.nm.us/seo/parents/index.htm>

If the parents say they do not have the document, provide them with the document, and an explanation of the information, and keep a record that parents have received the document. Documentation of receipt of the Procedural Safeguards is kept in the special education student's eligibility file.

A. Conflict Management and ADR (Alternative Dispute Resolutions)

Authority: NMAC 6.31.2.13 Additional Rights of Parents, Students and Public Agencies

G. Conflict management and resolution

- (1) The New Mexico School for the Blind and Visually Impaired seeks to establish and maintain productive working relationships with the parents of each child the agency serves and to deal constructively with disagreements. Toward that end, the public agency is strongly encouraged to provide appropriate training for staff and parents in skills and techniques of conflict prevention and management and dispute resolution, and to utilize an informal dispute resolution method as set forth under Subparagraph (a) of Paragraph (2) of Subsection G of 6.31.2.13 NMAC to resolve disagreements at the local level whenever practicable.
- (2) Spectrum of dispute resolution options. To facilitate dispute prevention as well as swift, early conflict resolution whenever possible, the department and the public agency shall ensure that the following range of dispute resolution options is available to parents and public agency personnel.
 - (a) Informal dispute resolution option. If a disagreement arises between parents and the public agency over a student's IEP or educational program, either the parents or the public agency may convene a new IEP meeting at any time to attempt to resolve their differences at the local level, without state-level intervention.
 - (b) Third-party assisted intervention. The special education bureau (SEB) of the department will ensure that mediation is available to parents and public agencies who request such third-party assisted intervention before filing a state-level complaint or a request for a due process hearing. The SEB will honor a request for mediation that:
 - (i) is in writing;
 - (ii) is submitted to the SEB;
 - (iii) is a mutual request signed by both parties or their designated representatives;
 - (iv) includes a statement of the matter(s) in dispute and a description of any previous attempts to resolve these matters at the local level; and
 - (v) any request that does not contain all of these elements will be declined, with an explanation for the SEB's decision and further guidance, as appropriate.
 - (c) Formal dispute resolution.
 - (i) A state-level complaint may be filed with the SEB of the department by the parents of a child, or by another individual or organization on behalf of a child, as described under Subparagraph (a) of Paragraph (2) of Subsection H of 6.31.2.13 NMAC. Once a complaint has been filed, the parties may agree to convene a FIEP meeting or mediation instead, as described under Paragraph (3) of Subsection H of 6.31.2.13 NMAC.
 - (ii) A request for a due process hearing may be filed by parents or their authorized representative, or by the public agency, as described under Paragraph (5) of Subsection I of 6.31.2.13 NMAC. A resolution session between the parties must be convened by the public agency following a request for a due process hearing, unless the parties agree in writing to waive that option or to convene a FIEP meeting or mediation instead, as described under Paragraph (8) of Subsection I of 6.31.2.13 NMAC.
 - (d) The Mediation Procedures Act does not apply to mediations conducted under 6.31.2 NMAC.
The public agency may offer a new IEP meeting, a CAIEP, a FIEP or mediation prior to a parent filing a state level complaint. For further information on each of the IEP meetings, see C., D., and E. in this section VIII.

A FIEP meeting or mediation shall be completed no later than 14 days after the assignment of the IEP facilitator or mediator by the SEB, unless a brief extension is granted by the SEB based on exceptional circumstances. Each session in the FIEP or mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the complaint.
 - (b) **Mediation requirements.** If the parties choose to use mediation, the following requirements apply.

 - (iv) The mediator shall transmit a copy of the written mediation agreement to each party within 7 days of the meeting at which the agreement was concluded.  - (b) Decision. A written decision, which includes findings of fact, conclusions, and the reasons for the decision and addresses each allegation in the complaint, shall be issued by the SEB and mailed to the parties within sixty (60) days of receipt of the written complaint, regardless of whether or not the parties agree to convene a CAIEP meeting, a FIEP meeting, or mediation. Such decision shall further include procedures for effective implementation of the final decision, if needed, including technical assistance, negotiations, and if corrective action is required, such action shall be designated and shall include the timeline for correction and the possible consequences for continued noncompliance.

 - (b) Decision. A written decision, including findings of fact, conclusions, recommendations for corrective action, and the reasons for the decision and addressing each allegation in the complaint, shall be issued by the person or persons appointed pursuant to this paragraph and mailed to the parties within sixty (60) days of receipt of the written complaint. The person appointed pursuant to this paragraph has no authority to order rulemaking by the department.
- (7) Extension of time limit. An extension of the time limit under Subparagraph (b) of Paragraph (5) or Subparagraph (b) of Paragraph (6) of this Subsection H of 6.31.2.13 NMAC shall be permitted by the SEB of the department only if exceptional circumstances exist with respect to a particular complaint or if the parent or any other party filing a complaint and the public agency involved agree to extend the time to engage in mediation or a CAIEP or FIEP meeting.

Each session in the FIEP or mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the complaint.

If the parent agrees to a FIEP, the role of an IEP Facilitator is to ensure that the IEP Team does their best thinking, interacts respectfully, the perspectives of all participants are heard, and the IEP team focuses on future action. Thus, an IEP Facilitator serves the *whole group* rather than an individual, and assists the group with the *process* of the IEP meeting rather than the *content* of the IEP. The agenda for a facilitated IEP meeting is the IEP process, and the focus of the meeting is the student and his or her needs. An IEP Facilitator also has the opportunity to gather issues from, and then exchange issues between, the key participants *prior* to the IEP meeting. This process provides the participants some private time to consider possible resolutions and options for discussion before the day of the IEP meeting. The IEP Facilitator then supports the group in collaboratively creating solutions for the student. As a result, all members equally share responsibility for the IEP meeting process and the results. Keep in mind that the IEP Facilitator is not the IEP chair, nor is he or she a decision maker. Rather, the IEP Facilitator supports the *collaborative process* of the meeting and assists the parties to reach consensus where possible.

- (5) A description of the nature of the problem of the child relating to the proposed or refused initiation or change, including facts relating to the problem; and
- (6) A proposed resolution of the problem to the extent known and available to the party at the time.

(d) Sufficiency of complaint.

- (1) The due process complaint required by this section must be deemed sufficient unless the party receiving the due process complaint notifies the hearing officer and the other party in writing, within 15 days of receipt of the due process complaint, that the receiving party believes the due process complaint does not meet the requirements in paragraph (b) of this section.
- (2) Within 5 days of receipt of notification under paragraph (d)(1) of this section, the hearing officer must make a determination on the face of the due process complaint of whether the due process complaint meets the requirements of paragraph (b) of this section, and must immediately notify the parties in writing of that determination.
- (3) A party may amend its due process complaint only if--
 - (i) The other party consents in writing to the amendment and is given the opportunity to resolve the due process complaint through a meeting held pursuant to §300.510; or
 - (ii) The hearing officer grants permission, except that the hearing officer may only grant permission to amend at any time not later than five days before the due process hearing begins.
- (4) If a party files an amended due process complaint, the timelines for the resolution meeting in §300.510(a) and the time period to resolve in §300.510(b) begin again with the filing of the amended due process complaint.

(e) Public agency response to a due process complaint.

- (1) If the public agency has not sent a prior written notice under §300.503 to the parent regarding the subject matter contained in the parent's due process complaint, the public agency must, within 10 days of receiving the due process complaint, send to the parent a response that includes--

 - (iv) A description of the other factors that are relevant to the agency's proposed or refused action.

- (2) A response by the public agency under paragraph (e) (1) of this section shall not be construed to preclude the public agency from asserting that the parent's due process complaint was insufficient, where appropriate.
- (f) Other party response to a due process complaint. Except as provided in paragraph (e) of this section, the party receiving a due process complaint must, within 10 days of receiving the due process complaint, send to the other party a response that specifically addresses the issues raised in the due process complaint. - (15) Summary due process hearing. *(see page 45)*

X. DUE PROCESS RESOLUTION SESSION REQUIRED

Authority: 34 CFR § 300.510 Resolution process.

- (a) Resolution meeting.

- (1) Within 15 days of receiving notice of the parents' due process complaint, and prior to the initiation of a due process hearing under §300.511, the public agency must convene a meeting with the parents and the relevant member or members of the IEP Team who have specific knowledge of the facts identified in the due process complaint that--
 - (i) Includes a representative of the public agency who has decision-making authority on behalf of that agency; and
 - (ii) May not include an attorney of the public agency unless the parent is accompanied by an attorney.
 - (2) The purpose of the meeting is for the parents of the child to discuss their due process complaint, and the facts that form the basis of the due process complaint, so that the public agency has the opportunity to resolve the dispute that is the basis for the due process complaint.
 - (3) The meeting described in paragraph (a)(1) and (2) of this section need not be held if--
 - (i) The parents and the public agency agree in writing to waive the meeting; or
 - (ii) The parents and the public agency agree to use the mediation process described in §300.506.
 - (4) The parents and the public agency determine the relevant members of the IEP Team to attend the meeting.
- (b) Resolution period.
- (1) If the public agency has not resolved the due process complaint to the satisfaction of the parents within 30 days of the receipt of the due process complaint, the due process hearing must occur.
 - (2) Except as provided in paragraph (c) of this section, the timeline for issuing a final decision under §300.515 begins at the expiration of this 30-day period.
 - (3) Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwithstanding paragraphs (b)(1) and (2) of this section, the failure of a parent filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.
 - (4) If the public agency is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and documented using the procedures in §300.322(d)), the public agency may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's due process complaint.
 - (5) If the public agency fails to hold the resolution meeting specified in paragraph (a) of this section within 15 days of receiving notice of a parent's due process complaint or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

I. Due Process Hearing.

(8) Preliminary meeting

- (a) Resolution session. Before the opportunity for an impartial due process hearing under Paragraphs (3) or (4) of Subsection I of 6.31.2.13 NMAC above, the public agency shall convene a resolution session with the parents and the relevant member or members of the IEP team who have specific knowledge of the facts identified in the due process request, unless the parents and the public agency agree in writing to waive such a meeting, or agree to use the FIEP or mediation process instead. The resolution session:
 - (i) shall occur within 15 days of the respondent's receipt of a request for due process;
 - (ii) shall include a representative of the public agency who has decision-making authority on behalf of that agency;
 - (iii) may not include an attorney of the public agency unless the parent is accompanied by an attorney; and
 - (iv) shall provide an opportunity for the parents of the child and the public agency to discuss the disputed issue(s) and the facts that form the basis of the dispute, in order to attempt to resolve the dispute;
 - (v) if the parties desire to have their discussions in the resolution session remain confidential, they may agree in writing to maintain the confidentiality of all discussions and that such discussions cannot later be used as evidence in the due process hearing or any other proceeding; and

- (vi) if an agreement is reached following a resolution session, the parties shall execute a legally binding agreement that is signed by both the parent and a representative of the agency who has the authority to bind that agency, and which is enforceable in any state court of competent jurisdiction or in a district court of the United States; if the parties execute an agreement pursuant to a resolution session, a party may void this agreement within three business days of the agreement's execution; further, if the resolution session participants reach agreement on any IEP-related matters, the binding agreement must state that the public agency will subsequently convene an IEP meeting to inform the student's service providers of their responsibilities under that agreement, and revise the student's IEP accordingly.
- (b) FIEP meeting; mediation. Parties to a due process hearing may choose to convene a FIEP meeting or mediation instead of a resolution session. To do so, the party filing the request for the hearing must (and the responding party may) notify the hearing officer in writing within one business day of the parties' decision to jointly request one of these options. A FIEP meeting or mediation shall be completed no later than 14 days after the assignment of the IEP facilitator or mediator by the SEB, unless, upon joint request by the parties, an extension is granted by the hearing officer. Each session in the FIEP or mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the hearing. The requirements for mediation, as set forth at Subparagraph (c) of Paragraph (3) of Subsection H of 6.31.2.13 NMAC, apply to mediation in this context, as well.
- (c) Applicable timelines.
 - (i) If the parties agree to convene a resolution session, the applicable timelines for the due process hearing shall be suspended for up to 30 days from the date the due process request was received by the SEB (except in the case of an expedited hearing), and the meeting shall proceed according to the requirements set forth under Subparagraph (a) of Paragraph (8) of Subsection I of 6.31.2.13 NMAC above.
 - (ii) If the parties agree to convene a FIEP meeting or mediation, the public agency shall contact the person or entity identified by the SEB to arrange for mediation or a FIEP meeting, as appropriate. Except for expedited hearings, the parties to the FIEP meeting or mediation process may jointly request that the hearing officer grant a specific extension of time for the prehearing conference and for completion of the hearing beyond the 20 school day period for issuance of the hearing decision. The hearing officer may grant such extensions in a regular case but may not exceed the 45 day deadline in an expedited case.
 - (iii) If the parties agree to waive all preliminary meeting options and proceed with the due process hearing, the hearing officer shall send written notification to the parties that the applicable timelines for the due process hearing procedure shall commence as of the date of that notice. The hearing officer shall thereafter proceed with the prehearing procedures, as set forth under Paragraph (12) of Subsection I of 6.31.2.13 NMAC.
- (d) Resolution. Upon resolution of the dispute, the party who requested the due process hearing shall transmit a written notice informing the hearing officer and the SEB that the matter has been resolved and withdrawing the request for hearing. The hearing officer shall transmit an appropriate order of dismissal to the parties and the SEB.
- (e) Hearing. If the parties convene a resolution session and they have not resolved the disputed issue(s) within 30 days of the receipt of the due process request by the SEB in a non-expedited case, the public agency shall (and the parents may) notify the hearing officer in writing within one business day of reaching this outcome. The hearing officer shall then promptly notify the parties in writing that the due process hearing will proceed and all applicable timelines for a hearing under this part shall commence as of the date of such notice.
- (f) Further adjustments to the timelines may be made as provided in 34 CFR §300.510(b) and (c).
- (g) The resolution of disputes by mutual agreement is strongly encouraged and nothing in these rules shall be interpreted as prohibiting the parties from engaging in settlement discussions at any time before, during or after an ADR meeting, a due process hearing or a civil action.

Authority: 34 CFR §300.510 Resolution process (continued).

(c) Adjustments to 30-day resolution period. The 45-day timeline for the due process hearing in §300.515(a) starts the day after one of the following events:

- (1) Both parties agree in writing to waive the resolution meeting;**

- (2) After either the mediation or resolution meeting starts but before the end of the 30-day resolution period, the parties agree in writing that no agreement is possible;
- (3) If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, the parent or the public agency withdraws from the mediation process.
- (d) **Written settlement agreement.** If a resolution to the dispute is reached at the meeting described in paragraphs (a)(1) and (2) of this section, the parties must execute a legally binding agreement that is--
 - (1) Signed by both the parent and a representative of the agency who has the authority to bind the agency; and
 - (2) Enforceable in any State court of competent jurisdiction or in a district court of the United States, or by the NMPED, if the State has other mechanisms or procedures that permit parties to seek enforcement of resolution agreements, pursuant to §300.537.
- (e) **Agreement review period.** If the parties execute an agreement pursuant to paragraph (c) of this section, a party may void the agreement within 3 business days of the agreement's execution.

This process allows an opportunity for the school to resolve the parent's complaint. This can take up to 30 days, and the timelines for a due process hearing begin to run only after the first 30 days. Also, there is an "expedited hearing" in the case of a disciplinary appeal.

H. State complaint procedures.

- (4) Complaints and due process hearings on the same issues. Pursuant to 34 CFR §300.152(c):
 - (a) The SEB of the department shall set aside any part of a written complaint that is also the subject of a due process hearing under Subsection I of 6.31.2.13 NMAC until the conclusion of the hearing and any civil action. Any issue in the complaint that is not a part of the due process hearing or civil action will be resolved by the SEB as provided in Subsection H of 6.31.2.13 NMAC.
 - (b) If an issue is raised in a complaint that has previously been decided in a due process hearing involving the same parties, the hearing decision is binding and the SEB must inform the complainant to that effect.
 - (c) A complaint alleging the public agency's failure to implement a due process decision will be resolved by the SEB as provided in this Subsection H of 6.31.2.13 NMAC.

XI. DUE PROCESS HEARING

After the due process complaint is filed and the resolution process followed as described in section IX. and X., above, the due process procedures below are implemented.

34 CFR § 300.511 Impartial due process hearing.

- (a) **General.** Whenever a due process complaint is filed under §300.507, the parents or the public agency involved in the dispute must have an opportunity for an impartial due process hearing, consistent with the procedures in §§300.507 through 300.508, and §300.510.
- (b) **Agency responsible for conducting the due process hearing.** The hearing described in paragraph (a) of this section must be conducted by the NMPED or the public agency directly responsible for the education of the child, as determined under State statute, State regulation, or a written policy of the NMPED.
- (c) **Impartial hearing officer.**
 - (1) At a minimum, a hearing officer--
 - (i) Must not be--

 - (iv) Must possess the knowledge and ability to render and write decisions in accordance with appropriate, standard legal practice.
- (2) A person who otherwise qualifies to conduct a hearing under paragraph (c)(1) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer.
- (3) The public agency must keep a list of the persons who serve as hearing officers. The list must include a statement of the qualifications of each of those persons.
The NMPED maintains a list of hearing officers and their qualifications. The list may be requested by calling the NMPED.
- (d) Subject matter of due process hearings. The party requesting the due process hearing may not raise issues at the due process hearing that were not raised in the due process complaint filed under §300.508(b), unless the other party agrees otherwise.
- (e) Timeline for requesting a hearing. A parent or public agency must request an impartial hearing on their due process complaint within two years of the date the parent or public agency knew or should have known about the alleged action that forms the basis of the due process complaint, or if the NMPED has an explicit time limitation for requesting such a due process hearing under this part, in the time allowed by the State law.
- (f) Exceptions to the timeline. The timeline described in paragraph (e) of this section does not apply to a parent if the parent was prevented from filing a due process complaint due to--
 - (1) Specific misrepresentations by the public agency that it had resolved the problem forming the basis of the due process complaint; or
 - (2) The public agency's withholding of information from the parent that was required under this part to be provided to the parent.

34 CFR § 300.514 Finality of decision; appeal; impartial review.

- (a) **Finality of hearing decision.** A decision made in a hearing conducted pursuant to §§300.507 through 300.513 or §§300.530 through 300.534 is final, except that any party involved in the hearing may appeal the decision under the provisions of paragraph (b) of this section and §300.516.
- (b) **Appeal of decisions; impartial review.**
 - (1) If the hearing required by §300.511 is conducted by a public agency other than the NMPED, any party aggrieved by the findings and decision in the hearing may appeal to the NMPED.
 - (2) If there is an appeal, the NMPED must conduct an impartial review of the findings and decision appealed. The official conducting the review must--
 - (i) Examine the entire hearing record;

I. Due Process Hearings.

- (3) **Bases for requesting hearing.** A parent or public agency may initiate an impartial due process hearing on the following matters:

- (a) the public agency proposes to initiate or change the identification, evaluation, or educational placement of the child or the provision of FAPE to the child;
 - (b) the public agency refuses to initiate or change the identification, evaluation or educational placement of the child or the provision of FAPE to the child;
 - (c) the public agency proposes or refuses to initiate or change the identification, evaluation or educational placement of, or services to, a child who needs or may need gifted services;
 - (d) an IDEA due process hearing provides a forum for reviewing the appropriateness of decisions regarding the identification, evaluation, placement or provision of a free appropriate public education for a particular child with a disability by the public agency that is or may be responsible under state law for developing and implementing the child's IEP or ensuring that a FAPE is made available to the child; the IDEA does not authorize due process hearing officers to consider claims asserting that the department should be required to provide direct services to a child with a disability pursuant to 20 USC Sec. 1413(g)(1) and 34 CFR §300.227 because the responsible public agency is unable to establish and maintain appropriate programs of FAPE, or that the department has failed to adequately perform its duty of general supervision over educational programs for children with disabilities in New Mexico; accordingly, a due process hearing is not the proper forum for consideration of such claims and the department will decline to refer such claims against it to a hearing officer; such claims may be presented through the state-level complaint procedure under Subsection H of 6.31.2.13 NMAC above.
- (4) Bases for requesting expedited hearing.
- (a) Pursuant to 34 CFR §300.532 and 20 USC §1415(k)(3), a parent may request an expedited hearing to review any decision regarding placement or a manifestation determination under 34 CFR §§ 300.530-300.531.
 - (b) Pursuant to 34 CFR §300.532(c) and 20 USC §1415(k)(3), the public agency may request an expedited hearing if it believes that maintaining the current placement of a child is substantially likely to result in injury to the child or others.
- (5) Request for hearing. A parent requesting a due process hearing shall transmit written notice of the request to the public agency whose actions are in question and to the SEB of the department. A public agency requesting a due process hearing shall transmit written notice of the request to the parent(s) and to the SEB of the department. Sample form:
<http://www.ped.state.nm.us/seb/dispute/Due%20Process%20Hearing%20Form%202007%20lock.doc>
 The written request shall state with specificity the nature of the dispute and shall include:
- (a) the name of the child;
 - (b) the address of the residence of the child (or available contact information in the case of a homeless child);
 - (c) the name of the school the child is attending;
 - (d) the name of the public agency, if known;
 - (e) the name and address of the party making the request (or available contact information in the case of a homeless party);
 - (f) a description of the nature of the problem of the child relating to the proposed or refused initiation or change, including facts relating to the problem;
 - (g) a proposed resolution of the problem to the extent known and available to the party requesting the hearing at the time;
 - (h) a request for an expedited hearing must also include a statement of facts sufficient to show that a requesting parent or the public agency is entitled to an expedited hearing under 34 CFR §300.532(c) or 20 USC §1415(k)(3);
 - (i) a request for a hearing must be in writing and signed and dated by the parent or the authorized public agency representative; an oral request made by a parent who is unable to communicate by writing shall be reduced to writing by the public agency and signed by the parent;
 - (j) a request for hearing filed by or on behalf of a party who is represented by an attorney shall include a sufficient statement authorizing the representation; a written statement on a client's behalf that is signed by an attorney who is subject to discipline by the New Mexico supreme court for a misrepresentation shall constitute a sufficient authorization; and
 - (k) a party may not have a hearing on a due process complaint until the party, or the attorney representing the party, files a due process complaint that meets the requirements of this paragraph.
- (6) Response to request for hearing.

- (a) A request for a hearing shall be deemed to be sufficient unless the party receiving the notice of request notifies the hearing officer and the other party in writing that the receiving party believes the request has not met the requirements of Paragraph (5) of Subsection I of 6.31.2.13 NMAC.
- (b) Public agency response.
 - (i) In general. If the public agency has not sent a prior written notice to the parent regarding the subject matter contained in the parent's due process hearing request, such public agency shall, within 10 days of its receipt of the request, send to the parent a response that meets the requirements of 34 CFR Sec. 300.508(e) and 20 USC §1415(c)(2)(B)(i). This requirement presents an additional opportunity for parties to clarify and potentially resolve their dispute(s).
 - (ii) Sufficiency. A response filed by the public agency pursuant to (i) of Subparagraph (b) of Paragraph (6) shall not be construed to preclude the public agency from asserting that the parent's due process hearing request was insufficient where appropriate.
- (c) Other party response. Except as provided in Subparagraph (b) of Paragraph (6) of Subsection I of 6.31.2.13 NMAC above, the non-complaining party shall, within 10 days of its receipt of the request for due process, send to the requesting party a response that specifically addresses the issues raised in the hearing request. This requirement also presents an opportunity to clarify and potentially resolve disputed issues between the parties.
- (d) A party against whom a due process hearing request is filed shall have a maximum of 15 days after receiving the request to provide written notification to the hearing officer of insufficiency under Subparagraph (a) of Paragraph (6) of Subsection I of 6.31.2.13 NMAC. The 15-day timeline for the public agency to convene a resolution session under Paragraph (8) of Subsection I of 6.31.2.13 NMAC below runs at the same time as the 15-day timeline for filing notice of insufficiency.
- (e) Determination. Within five days of receipt of a notice of insufficiency under Subparagraph (d) of Paragraph (6) of Subsection I of 6.31.2.13 NMAC above, the hearing officer shall make a determination on the face of the due process request of whether it meets the requirements of Paragraph (5) of Subsection I of 6.31.2.13 NMAC, and shall immediately notify the parties in writing of such determination.
- (f) Amended due process request. A party may amend its due process request only if:
 - (i) the other party consents in writing to such amendment and is given the opportunity to resolve the complaint through a meeting held pursuant to Paragraph (8) of Subsection I of 6.31.2.13 NMAC; or
 - (ii) the hearing officer grants permission, except that the hearing officer may only grant such permission at any time not later than 5 days before a due process hearing occurs.
- (g) Applicable timeline. The applicable timeline for a due process hearing under this part shall recommence at the time the party files an amended notice, including the timeline under Paragraph (8) of Subsection I of 6.31.2.13 NMAC.
- (7) Duties of the SEB of the department. Upon receipt of a written request for due process, the SEB shall:
 - (a) appoint a qualified and impartial hearing officer who meets the requirements of 34 CFR Sec. 300.511(c) and 20 USC Sec. 1415(f)(3)(A);
 - (b) arrange for the appointment of a qualified and impartial mediator or IEP facilitator pursuant to 34 CFR Sec. 300.506 to offer ADR services to the parties;
 - (c) inform the parent in writing of any free or low-cost legal and other relevant services available in the area; the SEB shall also make this information available whenever requested by a parent; and
 - (d) inform the parent that in any action or proceeding brought under 20 USC Sec. 1415, a state or federal court, in its discretion and subject to the further provisions of 20 USC Sec. 1415(g)(3)(b) and 34 CFR Sec. 300.517, may award reasonable attorneys' fees as part of the costs to a prevailing party;
 - (e) the SEB shall also:
 - (i) keep a list of the persons who serve as hearing officers and a statement of their qualifications;
 - (ii) appoint another hearing officer if the initially appointed hearing officer excuses himself or herself from service;
 - (iii) ensure that mediation and FIEP meetings are considered as voluntary and are not used to deny or delay a parent's right to a hearing; and
 - (iv) ensure that within forty-five (45) days of commencement of the timeline for a due process hearing, a final written decision is reached and a copy transmitted to the parties, unless one or more specific extensions of time have been granted by the hearing officer at the request of either party

- (or at the joint request of the parties, where the reason for the request is to allow the parties to pursue an ADR option);
- (f) following the decision, the SEB shall, after deleting any personally identifiable information, transmit the findings and decision to the state IDEA advisory panel and make them available to the public upon request.
 - (8) Preliminary meeting – *found in X. Due Process Resolution Session - page 39 of this Chapter*
 - (9) Hearing officer responsibility and authority. Hearing officers shall conduct proceedings under these rules with due regard for the costs and other burdens of due process proceedings for public agencies, parents and students. In that regard, hearing officers shall strive to maintain a reasonable balance between affording parties a fair opportunity to vindicate their IDEA rights and the financial and human costs of the proceedings to all concerned. Accordingly, each hearing officer shall exercise such control over the parties, proceedings and the hearing officer's own practices as he deems appropriate to further those ends under the circumstances of each case. In particular, and without limiting the generality of the foregoing, the hearing officer, at the request of a party or upon the hearing officer's own initiative and after the parties have had a reasonable opportunity to express their views on disputed issues:
 - (a) shall ensure by appropriate orders that parents and their duly authorized representatives have timely access to records and information under the public agency's control which are reasonably necessary for a fair assessment of the IDEA issues raised by the requesting party;
 - (b) shall limit the issues for hearing to those permitted by the IDEA which the hearing officer deems necessary for the protection of the rights that have been asserted by the requesting party in each case;
 - (c) may issue orders directing the timely production of relevant witnesses, documents or other information within a party's control, protective orders or administrative orders to appear for hearings, and may address a party's unjustified failure or refusal to comply by appropriate limitations on the claims, defenses or evidence to be considered;
 - (d) shall exclude evidence that is irrelevant, immaterial, unduly repetitious or excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in federal courts or the courts of New Mexico; and
 - (e) may issue such other orders and make such other rulings, not inconsistent with express provisions of these rules or the IDEA, as the hearing officer deems appropriate to control the course, scope and length of the proceedings while ensuring that the parties have a fair opportunity to present and support all allowable claims and defenses that have been asserted.
 - (10) Duties of the hearing officer. The hearing officer shall excuse himself or herself from serving in a hearing in which he or she believes a personal or professional bias or interest exists which conflicts with his or her objectivity. The hearing officer shall:
 - (a) make a determination regarding the sufficiency of a request for due process within 5 days of receipt of any notice of insufficiency, and notify the parties of this determination in writing;
 - (b) schedule an initial prehearing conference within 14 days of commencement of the timeline for a due process hearing, or as soon as reasonably practicable in an expedited case pursuant to Paragraph (12) of Subsection I of 6.31.2.13 NMAC below;
 - (c) reach a decision, which shall include written findings of fact, conclusions of law, and reasons for these findings and conclusions and shall be based solely on evidence presented at the hearing;
 - (d) transmit the decision to the parties and to the SEB within 45 days of the commencement of the timeline for the hearing, unless a specific extension of time has been granted by the hearing officer at the request of a party to the hearing, or at the joint request of the parties where the reason for the request is to permit the parties to pursue an ADR option; for an expedited hearing, no extensions or exceptions are permitted beyond the timeframe provided in Subparagraph (a) of Paragraph 19 of Subsection I of 6.31.2.13 NMAC;
 - (e) the hearing officer may reopen the record for further proceedings at any time before reaching a final decision after transmitting appropriate notice to the parties; the hearing is considered closed and final when the written decision is transmitted to the parties and to the SEB; and
 - (f) the decision of the hearing officer is final, unless a party brings a civil action as set forth in Paragraph (24) of Subsection I of 6.31.2.13 NMAC below.
 - (11) Withdrawal of request for hearing. A party may unilaterally withdraw a request for due process at any time before a decision is issued. A written withdrawal that is transmitted to the hearing officer, and the other party at least two business days before a scheduled hearing, shall be without prejudice to the party's right to file a later request on the same claims, which shall ordinarily be assigned to the same hearing officer. A

withdrawal that is transmitted or communicated within two business days of the scheduled hearing shall ordinarily be with prejudice to the party's right to file a later request on the same claims unless the hearing officer orders otherwise for good cause shown. A withdrawal that is entered during or after the hearing but before a decision is issued shall be with prejudice. In any event, the hearing officer shall enter an appropriate order of dismissal.

- (12) Prehearing procedures. Unless extended by the hearing officer at the request of a party, within 14 days of the commencement of the timeline for a due process hearing and as soon as is reasonably practicable in an expedited case, the hearing officer shall conduct an initial prehearing conference with the parent and the public agency to:
- (a) identify the issues (disputed claims and defenses) to be decided at the hearing and the relief sought;
 - (b) establish the hearing officer's jurisdiction over IDEA and gifted issues;
 - (c) determine the status of the resolution session, FIEP meeting or mediation between the parties, and determine whether an additional prehearing conference will be necessary as a result;
 - (d) review the hearing rights of both parties, as set forth in Paragraphs (15) and (16) of Subsection I of 6.31.2.13 NMAC below, including reasonable accommodations to address an individual's need for an interpreter at public expense;
 - (e) review the procedures for conducting the hearing;
 - (f) set a date, time and place for the hearing that is reasonably convenient to the parents and child involved; the hearing officer shall have discretion to determine the length of the hearing, taking into consideration the issues presented;
 - (g) determine whether the child who is the subject of the hearing will be present and whether the hearing will be open to the public;
 - (h) set the date by which any documentary evidence intended to be used at the hearing by the parties must be exchanged; the hearing officer shall further inform the parties that, not less than 5 business days before a regular hearing or, if the hearing officer so directs, not less than two business days before an expedited hearing, each party shall disclose to the other party all evaluations completed by that date and recommendations based on the evaluations that the party intends to use at the hearing; the hearing officer may bar any party that fails to disclose such documentary evidence, evaluation(s) or recommendation(s) by the deadline from introducing the evidence at the hearing without the consent of the other party;
 - (i) as appropriate, determine the current educational placement of the child pursuant to Paragraph (26) of Subsection I of 6.31.2.13 NMAC below;
 - (j) exchange lists of witnesses and, as appropriate, entertain a request from a party to issue an administrative order compelling the attendance of a witness or witnesses at the hearing;
 - (k) address other relevant issues and motions; and
 - (l) determine the method for having a written, or at the option of the parent, electronic verbatim record of the hearing; the public agency shall be responsible for arranging for the verbatim record of the hearing; and
 - (m) the hearing officer shall transmit to the parties and the SEB of the department a written summary of the prehearing conference; the summary shall include, but not be limited to, the date, time and place of the hearing, any prehearing decisions, and any orders from the hearing officer.
- (13) Each hearing involving oral arguments must be conducted at a time and place that is reasonably convenient to the parents and child involved.
- (14) In order to limit testimony at the hearing to only those factual matters which remain in dispute between the parties, on or before 10 days before the date of the hearing, each party shall submit a statement of proposed stipulated facts to the opposing party. On or before five days before the date of the hearing, the parties shall submit a joint statement of stipulated facts to the hearing officer. All agreed-upon stipulated facts shall be deemed admitted, and evidence shall not be permitted for the purpose of establishing these facts.
- (15) Any party to a hearing has the right to:
- (a) be accompanied and advised by counsel and by individuals with special knowledge or training with respect to the problems of children with disabilities;
 - (b) present evidence and confront, cross-examine and compel the attendance of witnesses;
 - (c) prohibit the introduction of any evidence at the hearing that has not been disclosed to that party at least five business days before a regular hearing or, if the hearing officer so directs in the prehearing summary, at least two business days before an expedited hearing;
 - (d) obtain a written, or, at the option of the parents, electronic verbatim record of the hearing; and

- (e) obtain written, or, at the option of the parents, electronic findings of fact and decisions.
- (16) Parents involved in hearings also have the right to:
 - (a) have the child who is the subject of the hearing present; and
 - (b) open the hearing to the public.
- (17) The record of the hearing and the findings of fact and decisions described above must be provided at no cost to the parents.
- (18) Limitations on the hearing.
 - (a) The party requesting the due process hearing shall not be allowed to raise issues at the hearing that were not raised in the request for a due process hearing (including an amended request, if such amendment was previously permitted) filed under Paragraph (5) of Subsection I of 6.31.2.13 NMAC, unless the other party agrees otherwise.
 - (b) Timeline for requesting hearing. A parent or agency shall request an impartial due process hearing within two years of the date that the parent or agency knew or should have known about the alleged action that forms the basis of the due process request.
 - (c) Exceptions to the timeline. The timeline described in Subparagraph (b) of Paragraph (19) of Subsection I of 6.31.2.13 NMAC above shall not apply to a parent if the parent was prevented from requesting the hearing due to:
 - (i) specific misrepresentations by the public agency that it had resolved the problem that forms the basis of the due process request; or
 - (ii) the public agency's withholding of information from the parent that was required under this part to be provided to the parent.
- (19) Rules for expedited hearings. The rules in Paragraphs (4) through (19) of Subsection I of 6.31.2.13 NMAC shall apply to expedited due process hearings with the following exceptions.
 - (a) The SEB of the department and the hearing officer shall ensure that a hearing is held within 20 school days of the date the request for hearing is received by the SEB, and a written decision is reached within 10 school days of the completion of the hearing, without exceptions or extensions, and thereafter mailed to the parties.
 - (b) The hearing officer shall seek to hold the hearing and issue a decision as soon as is reasonably practicable within the time limit described in Subparagraph (a) of Paragraph (20) of Subsection I of 6.31.2.13 NMAC above, and shall expedite the proceedings with due regard for any progress in a resolution session, FIEP meeting or mediation, the parties' need for adequate time to prepare and the hearing officer's need for time to review the evidence and prepare a decision after the hearing.
 - (c) The parties shall decide whether to convene a resolution session, FIEP meeting, or mediation before the commencement of an expedited hearing in accordance with Paragraph (8) of Subsection I of 6.31.2.13 NMAC, and are encouraged to utilize one of these preliminary meeting options. However, in the case of an expedited hearing, agreement by the parties to convene a resolution session, FIEP meeting or mediation shall not result in the suspension or extension of the timeline for the hearing stated under Subparagraph (a) of Paragraph (20) of Subsection I of 6.31.2.13 NMAC above. The timeline for resolution sessions provided in 34 CFR §300.532(c)(3) shall be observed.
 - (d) The hearing officer may shorten the five business-day rule for exchanging evidence before the hearing to not less than two business days and shall set the deadline and indicate the consequences of the parties' failure to meet that deadline in the written summary of the prehearing conference.
 - (e) The hearing officer may shorten the 15-day timeline for providing notice of insufficiency of a request for an expedited due process hearing to 10 school days.
 - (f) The hearing officer may shorten the timeline for the exchange of proposed stipulated facts between the parties as he deems necessary and appropriate given the circumstances of a particular case. The hearing officer may also shorten the timeline for providing agreed-upon stipulated facts to the hearing officer to two school days before the hearing.
 - (g) Decisions in expedited due process hearings are final, unless a party brings a civil action as provided in Paragraph (25) of Subsection I of 6.31.2.13 NMAC below.
- (20) Decision of the hearing officer.
 - (a) In general. Subject to Subparagraph (b) of Paragraph (21) of Subsection I of 6.31.2.13 NMAC below, a decision made by a hearing officer shall be made on substantive grounds based on a determination of whether the child received a free appropriate public education (FAPE).
 - (b) Procedural issues. In matters alleging a procedural violation, a hearing officer may find that a child did not receive a FAPE only if the procedural inadequacies:

- (i) impeded the child's right to a FAPE;
- (ii) significantly impeded the parents' opportunity to participate in the decision-making process regarding the provision of a FAPE to the student; or
- (iii) caused a deprivation of educational benefits.
- (c) Rule of construction. Nothing in this paragraph shall be construed to preclude a hearing officer from ordering the public agency to comply with procedural requirements under this section.
- (21) Rule of construction. Nothing in this Subsection I shall be construed to affect the right of a parent to file a complaint with the SEB of the department, as described under Subsection H of 6.31.2.13 NMAC.

XII. EXPENSES OF THE DUE PROCESS HEARING

34 CFR § 300.517 Attorneys' fees.

 - (ii) To a prevailing party who is an SEA or the public agency against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or
 - (iii) To a prevailing SEA or LEA against the attorney of a parent, or against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.
- (2) Nothing in this subsection shall be construed to affect section 327 of the District of Columbia Appropriations Act, 2005.

(b) Prohibition on use of funds.

- (1) Funds under Part B of the Act may not be used to pay attorneys' fees or costs of a party related to any action or proceeding under section 615 of the Act and subpart E of this part.
- (2) Paragraph (b)(1) of this section does not preclude the public agency from using funds under Part B of the Act for conducting an action or proceeding under section 615 of the Act.

(c) Award of fees. A court awards reasonable attorneys' fees under section 615(i)(3) of the Act consistent with the following:

- (1) Fees awarded under section 615(i)(3) of the Act must be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this paragraph.
- (2) (i) Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under section 615 of the Act for services performed subsequent to the time of a written offer of settlement to a parent if--

 - (C) The court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

- (iii) A meeting conducted pursuant to §300.510 shall not be considered--
 - (A) A meeting convened as a result of an administrative hearing or judicial action; or
 - (B) An administrative hearing or judicial action for purposes of this section.
- (3) Notwithstanding paragraph (c)(2) of this section, an award of attorneys' fees and related costs may be made to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

- (4) Except as provided in paragraph (c)(5) of this section, the court reduces, accordingly, the amount of the attorneys' fees awarded under section 615 of the Act, if the court finds that--
 - (i) The parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;
 - (ii) The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;
 - (iii) The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or
 - (iv) The attorney representing the parent did not provide to the public agency the appropriate information in the due process request notice in accordance with §300.508.
- (5) The provisions of paragraph (c)(4) of this section do not apply in any action or proceeding if the court finds that the State or local agency unreasonably protracted the final resolution of the action or proceeding or there was a violation of section 615 of the Act.

XIV. STUDENT STATUS DURING PROCEEDINGS

34 CFR § 300.518 Child's status during proceedings.

- (a) Except as provided in §300.533, during the pendency of any administrative or judicial proceeding regarding a request for a due process complaint notice requesting a due process hearing under §300.507, unless the State or local agency and the parents of the child agree otherwise, the child involved in the complaint must remain in his or her current educational placement.
