***Percy Jackson and the Olympians The Lightning Thief* by Rick Riordan**

**Chapter 5 “I Play Pinochle With A Horse”**

**Directions:** As you read chapter 5, use post-it notes to gather information about the whereabouts of Percy. Next, answer the questions below.

1.) Percy seems to think that Chiron is familiar to him. Who is Chiron and what clues did the author give that helped Percy guess his identity? Use text evidence to support your answer.

---

---

---

---

---

2.) Chiron discusses the development of Western Civilization with Percy. What evidence does Chiron use to prove the Greek gods are in America?

---

---

---

---

---

3.) Percy begins to realize that he does not know who he really is. According to Chiron, what is the big question that everyone wants answered? Using what you already know about Percy, who do you believe Percy is?

---

---

---

---

---

---

---

---

---

---

**Vocabulary Directions:** Using context clues, guess the meaning of each word. Next look up the word’s definition and write it down. Lastly, use the word in a sentence that shows the definition of the word.

Word and page number	Guess	Dictionary Definition	Original Sentence
satyr (59)			
metaphysical (67)			
convergence (72)
