Characterization in Orbiting Jupiter

Gary D. Schmidt has been using a lot of indirect characterization to craft his characters so far in the novel.

Rewrite the definition for indirect characterization here:

As you review chapter 3 and read chapter 4, identify actions that showed us what we could learn about each character, identify the trait that it exemplified, and explain how indirect characterization was used to develop the character in this scenario.

| Character | Action/Page Number | Trait | Explanation |
|----------------|--------------------|-------|-------------|
| Mr. Haskell | | | |
| Haskell | | | |
| | | | |
| | | | |
| | | | |
| 1 | | | |
| Jay Perkins | | | |
| Perkins | | | |
| | | | |
| | | | |
| | | | |
| Joseph | | | |
| • | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| Jack's | | | |
| Dad | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
