CHOICE ADMISSION CRITERIA

Choice Alternative High School is a program for students who want to earn their high school diploma. Choice provides an academic environment where students work independently online and through traditional packets.

Classrooms have a library-like atmosphere. There are five core teachers and one special education teacher who are present part-time. The administration includes one principal and a program secretary.

Choice students are independent learners who ask for help when needed. They are self-motivated, respectful, and goal-driven. They respond to feedback in a positive manner.

Choice does not have the supports necessary to maintain a safe learning environment for students who have a history of displaying the following behaviors:

- Physical aggression (posturing, fighting, pushing)
- Verbal abuse (swearing, aggression, insubordination, defiance, racism, threats)
- Drug use or possession (including but not limited to tobacco, alcohol, and vaping)
- Excessive disruption of classrooms (talking loudly, outbursts, leaving the room without permission)
- Weapon infraction

Students who have been expelled or have a history of the above behaviors will be considered on a case by case basis. The Choice Alternative High School team reserves the right to decline any student who is unlikely to be successful given the supports and programming available.

Students who are not a good fit for Choice may inquire with the other Bloomington High Schools. Local alternatives include Burnsville ALC, Apple Valley ALC, Bridges-Prior Lake, DCALS Dakota County Alternative Learning-Rosemount, SECA South Education Center Alternative-Richfield, and Takota Learning Center-Shakopee. Online options can be found at Connections Academy and Blue Sky Online.

Rules for Choice Alternative High School

1. Students are **NOT** allowed to leave the **third floor** during the school day (except at lunchtime). If you leave the third floor, you will be sent home for the remainder of the day, and counted absent.

2. School starts at 8:00 am. If you are not in your classroom at 8:00 am, you will be counted tardy. A tardy will count against your monthly attendance percentage. Three tardies equals one day of absence.

3. If you are not here by 8:14 am **OR** 12:44 pm from lunch you will be sent home for the remainder of the day, and counted absent.

4. If you leave early, you will be counted absent for the day.

Any one of the following will cause you to be put on a step. Once you are on a step, you cannot move out of the step process for the remainder of the year.

1. Falling below 80% average attendance in any month. Remember, there are no “excused” absences! Being tardy or missing class will bring down your attendance percentage. **You are responsible for keeping track of tardies and absences in your planner.**

2. Failure to make adequate progress in your classes – simply being here in class does not count. You must be turning in work regularly in each class. Communicate with your teacher about how much work is expected in that class.

3. Behavior incidents that cause you to be dismissed from class or school more than once in the past month.

STUDENT DISCIPLINE POLICY

If students do not follow the Choice Alternative High School and Bloomington Student Conduct Policies and Regulations, they are subject to consequences that include the following:

1. Dismissal from a class
2. Dismissal from the program for the remainder of the day
3. Conference with the Principal
4. Suspension
5. Police referral
6. Dismissal from the program

Transportation

Choice Alternative High School does not provide transportation. Students need to find their own reliable source of transportation. City bus routes can be found on MTC's website, www.metrotransit.org or by calling 612-373-3333. MTC Bus passes are available weekly to students needing help. Bus passes can only be used for transportation to and from school. Any evening or weekend activity puts your Bus pass in jeopardy. Please see Nancy.

Books and Materials

Books are provided for you. These materials are for use in the classroom only and cannot be written in. In some cases, the teachers will let you check material out for overnight use. ***** If you still have materials from the high school that you are transferring from, you must return them or pay a penalty before starting at Choice Alternative High School. Not returning materials could hold up receiving your diploma on time. *****

Students must supply their own pens, pencils, notebooks/paper and calculators.

Parking

Parking for students is available in the General Dynamics parking lot. Parking is not allowed in marked spaces with signs labeled "Visitor Only" or "BTC Parking". Parking in these spaces will get your car towed.

Visitors

All visitors must check in with Nancy, main desk at the end of the hallway, outside the classrooms. Visitors are not allowed to accompany learners to the program without the written permission of the program principal.

Breaks

Students are not allowed to leave the third floor in between classes. If a student leaves the third floor and tries to re-enter, they will be sent home for the day. Students are allowed off campus for lunch from 12:00 – 12:30 pm.

Field Trips

Various field trips are planned throughout the school year. Some may have credits attached to them. Participation in these field trips is mandatory. If you do not attend the field trip, it will be counted as an absence.

Telephones

Students must get teacher permission to use any telephone. Cell phone use is not allowed in the classroom. If a student is asked to put their cell phone away and does not comply, the student may be sent home for the remainder of the day, or marked absent for that period.

Phone privileges are directly tied to academic progress. Students will be able to continue their phone privileges each month if they have reached the expected academic goals set by their classroom instructors. This will be evaluated during progress reviews each month. Students who fail to reach their expected academic goals will not be able to continue their phone privileges until they reach an academic goal that is decided on by each classroom instructor.

Plagiarism

Students will learn the importance of academic honesty during Orientation, where they will acknowledge understanding before starting their courses. If students fail to respect the academic honesty policy of the district and Choice Alternative High School, the following will happen:

1. Conference with teacher and incident logged on Academic Dishonesty & Behavior Logs
2. Meeting with Principal
3. Meeting with Principal; possible suspension for up to five days
4. Possible dismissal from program

Emergency Procedures

These are published and posted in classrooms and other prominent locations.

Fire/Tornado/Evacuation/Lockdown Procedures

During the school year at the sound of the fire alarm, classes will immediately evacuate by using the nearest exit. Directions for evacuation are posted in each room.

There are occasions when strong winds or tornado warning are issued. You will be notified by the loud speaker on the phone. Your teacher will give you instruction for proper actions to take.

There will be five fire and lockdown drills throughout the school year in compliance with Bloomington PD and Security guidelines. In the event of an emergency or intruder event, students and staff are to follow instructions posted in every classroom. Cell phone use is prohibited during the lockdown.

PROGRAM REQUIREMENTS

Graduation Requirements

All Choice Alternative High School students need to fulfill the credit requirements of the Bloomington School District or their home district. Students will have a Student Learning Plan outlining what they need to complete in order to graduate as they enter the program. Students will review their learning plan with their advisor.

Graduation Ceremony

All seniors meeting the credit requirements for their graduating class are invited to participate in Choice's graduation ceremony.

Orientation

The Choice Alternative High School requires all students to complete two days of orientation and attend the first day of class to continue on in the program. Orientation is intended to strengthen students' commitment and create a foundation of skills needed to transition successfully into adulthood after graduation.

Credits/Classes

In classes you will work individually on coursework determined by your learning plan and the teacher. Materials are available for a variety of skill levels. The more effectively you use your class time each day, the faster you will earn credits and graduate. You, your advisor and the principal will monitor your work and attendance.

Credit Pacing

Each student may work at a different rate depending on his or her skill, motivation, attendance and the class. If you want to stay on track:

Traditional Bloomington Schools:

2018 & later graduates

3.0 credits every 6 weeks

Traditional Richfield: 3.5 (3.5 semester classes) every 9 weeks; 7 credits (7 semester courses) every 18 weeks

This is to stay on pace – it does not include making up lost ground.

WORK BASED LEARNING PROGRAM

The Work Based Learning Program was developed to provide students with the opportunity to build career awareness and explore career options. This program allows the student to participate in on-the-job training and earn credit. To qualify for this program, you must fill out a training agreement and work 15 hours a week. If you are driving yourself to work you will need to provide a copy of your drivers' license and insurance information. Students also participate in a WBL Seminar and are monitored by our WBL Coordinator.

Bloomington Career and College Academy (BCCA)

As a student at CHOICE Alternative High School, it is very convenient for you to earn credits by taking BCCA classes right within the same building! BCCA offers classes that fall within one of seven pathways:

1. Advanced Engineering and Manufacturing
2. Automotive Technology
3. Building and Trades
4. Cosmetology
5. Criminal Justice/Law Enforcement
6. Health Sciences
7. Information Technology (IT)

For some basic information and to find out which classes BCCA offers within each pathway, email astroup@isd271.org

To read a description of each class and/or to sign-up for a BCCA class, please refer to the BCCA folder in the CHOICE Counseling Office.

Personal Growth Planning (PGP)

All CHOICE students will be required to complete their assigned Personal Growth Planning (PGP) tasks in order to graduate. This is a district requirement that all BPS graduates must fulfill. The goal of PGP is to ensure that all students leave Bloomington Public Schools ready for college/post-secondary education, career, and life. PGP activities at CHOICE will be designed with student needs in mind. PGP activities are NOT all focused around traditional "college," but instead help students explore many career areas and occupations that involve a diverse range of post-high school preparation.

Jobs for America's Graduates (JAG)

All CHOICE students will be required to complete a PGP or JAG course. JAG is an in-school program helping high school students become career and college ready. JAG helps young people succeed in school and on the job, leading to productive and rewarding careers.

STUDENT ATTENDANCE, ACADEMIC PROGRESS, & BEHAVIOR REQUIREMENTS

At the beginning of each month, students will review attendance and academic progress with their advisor. The principal will review any behavior incidents that would factor into a student's placement on a STEP. See below for details on the STEP PROCESS.

Attendance

80% average attendance is **required** for students to stay in the Choice Alternative High School. **Students are expected to track their absences in their planner to stay within the required attendance percentages. Absences are neither "excused" nor "unexcused". If a student leaves the building at any time, they will be marked absent for the day. All absences (including doctor/dentist appointments, court dates, illness) will bring down the attendance percentage.**

For special circumstances, see "Hold Status" and "Voluntary Inactive Status" below.

If a student has below a 65% attendance in any given month, they will be moved up **2 steps automatically**. *For example, a student could go from not being on a STEP to being on STEP 2 in one month.*

If a student has an average attendance in a Progress Review period of 90% or more and receives progress from their teachers, has met the behavior requirement with no tardies, they earn a **"free"** day. This **"free"** day can be used by the student to take a day off without penalty. To redeem their **"free"** day, students need to turn in their coupon to Nancy with the date they want to be excused.

Hold Status

You may request a Hold Status of 3-5 days for special circumstances up to two times per year. The Hold Status form should be filled out and given to Nancy. This must be pre-approved in advance of taking a hold.

Voluntary Inactive Status

You may request permission to be away from the Choice Alternative High School for a specified length of time for a minimum of 4 weeks. When you are ready to return, you may call for a new start date without re-applying. Please discuss this with the counselor.

Academic Progress

Each course a student takes is divided into units. Teachers will review academic progress by looking at the number of units a student has completed each month. Students will work with their teachers to develop a pacing chart in each class.

Behavior Incidents

If a student has been dismissed from school or a class more than once in the past month, they will be placed on a STEP. If a student was already going to be placed on a STEP for attendance or progress, they will be given an additional STEP for the behavior incidents. *For example, a student could go from not being on a STEP to being on STEP 2 in one month.*

New Students

For their first month in classes at Choice Alternative High School, if a student receives NO PROGRESS or BELOW 65% attendance, they will immediately be placed on STEP2.

STEP PROCESS

Once a student is placed on a STEP, they will remain in the STEP process for the remainder of the school year. If a student does not meet any one of the following: the attendance requirement, academic progress, or behavior requirement, the following steps will be enforced:

1st Violation: Step 1

Student meets with their advisor.

2nd Violation: Step 2

Student will meet with their advisor and parents will be called.

3rd Violation: Step 3

Student will have an individual conference with the Principal, parents will receive a letter of dismissal.

If a student fails to have a conference with the principal after being put on Step 3, the student will automatically be dismissed from the program for 3 weeks and must make an appointment to re-enter the program. Only then during the re-entry appointment will it be determined if the student will be able to continue in the program.

****** If a student is allowed back into the program and is not meeting the attendance, academic progress & behavior requirements again, the following steps will take place:***

When students reenter: Student will automatically be placed on Step 2

Students need to be serious and committed to continue in the program.

1st Violation: Student will be dismissed from the program.

Student will have an individual conference with the program principal.

******Once a student has been dismissed 3 times, it is clear that they are not successful in Choice's setting and should look into other school options.***
