

Rules for Choice AHS Students

1. Students are NOT allowed to leave the third floor during the school day (except at lunchtime). If you leave the third floor, you will be sent home for the remainder of the day, and counted absent.

2. School starts at 8:00 am. If you are not in your classroom at 8:00 am, you will be counted tardy. A tardy will count against your monthly attendance percentage. Three tardies equals one day of absence.

3. If you are not here by 8:14 AM OR 12:44 PM from lunch, you will be sent home for the remainder of the day, and counted absent.

Any one of the following will cause you to be put on a step. Once you are on a step, you cannot move out of the step process for the remainder of the year.

1. Falling below 80% average attendance in any month. Remember, there are no “excused” absences! Being tardy or missing class will bring down your attendance percentage. You are responsible for keeping track of tardies and absences in your planner.

2. Failure to make adequate progress in your classes – simply being here in class does not count. You must be turning in work regularly in each class. Communicate with your teacher about how much work is expected in that class.

3. Behavior incidents that cause you to be dismissed from class or school more than once in the past month.
