

Christmas

Auto Shapes

You are to open **Microsoft Word** and **ONLY** using **AutoShapes** create any of the following (5) objects in a Christmas scene:

- Snowman
- Santa
- Reindeer
- Sleigh
- Bells
- Snow
- Christmas Tree
- Holly
- Fireplace
- Any Other Christmas/Winter Object that you can think of!

Change the Orientation to **LANDSCAPE** under the **LAYOUT TAB**.

Put it in a scene do NOT just have it randomly sitting there.

When you are done, do more! Remember Page Background!
