

PARENT INFORMATION

Chromebook and Charger Return

Please help in preparation for Chromebook/charger return by:

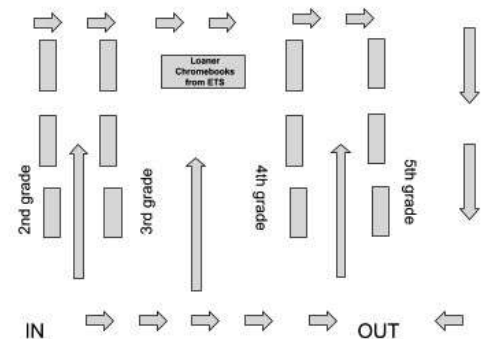

- Attaching a small strip of painter's or masking tape to the **top cover of the** Chromebook with the **student's last name then first name and grade** written in **ink**.
- Making sure the Chromebook is fully charged or at least 80% before returning.
- Making sure Chromebooks are signed out and powered off.
- Wrapping the adapter and cords so the service tag

barcode is visible and can be scanned later. (see picture)

- Attaching a repair form on top of chromebook only if it needs to be evaluated for repair.

Chromebook Return in Gym

PRES Chromebook Repair Form

Please provide the information below so we can evaluate if there is a need for repair. Tape to the top of chromebook.

Student Name:

Teacher Last Name:
