

Career and College Promise

South Piedmont Community College

What is Career and College Promise (CCP)?

- Career and College Promise (CCP) allows high school students, grades 11-12, to earn college credit while still enrolled in high school, **FOR FREE**. The CCP program offers many different pathways for students to choose from based on their individual goals under two main categories:
- **College Transfer Pathways (CTP)** and **Career and Technical Education (CTE) Certificates**.
- CCP students can be enrolled in up to two programs at once.

Pathways

- **College Transfer Pathways (CTP)**

- Students who are interested in pursuing a 4-year degree will find that a College Transfer Pathway (CTP) may be the best choice for them.
- These pathways consist of transferable general education courses that apply to many different majors and align with SPCC's transferable associate's degrees.
- Transfer Pathway Options Include:
 - Associate in Arts
 - Associate in Arts in Teacher Preparation
 - Associate in Science
 - Associate in Science in Teacher Preparation
 - Associate in Fine Arts
 - Associate in Nursing
 - Associate in Engineering

- **Career and Technical Pathways (CTE)**

- Students who are interested in pursuing an Associates in Applied Science degree will find that a Career and Technical Education (CTE) certificate may be the best choice for them.
- Certificate program categories include:
 - Agricultural and Natural Science Resources
 - Business Technologies
 - Artistic Production Technologies
 - Construction Technologies
 - Engineering Technologies
 - Health Sciences
 - Industrial Technologies
 - Public Service Technologies
 - Transportation Technologies

Benefits of Becoming a CCP Student

- Saving time and money
- Transferrable college credit while in high school
- Faster time to degree completion or workforce entry after high school graduation
- Higher success rates compared to students who did not take transfer courses
- Access to all college information, resources, and services!

High School Graduation Equivalencies

- Important:
 - The Arts Transfer Pathway is the only pathway that allows students to take both HIS 131 and HIS 132
 - You must take 4 English courses at SPCC to get credit for English III and English IV

High School Graduation and Elective Credit Equivalencies

Students who enroll in and pass aligned Universal General Education Transfer Credit (UGETC) courses not only complete requirements toward a college degree but can also receive high school graduation and elective credits. Starting with the 2018 school year, all students receive the same academic high school weight for general education courses as they might for the same Advanced Placement (AP) class. Please note: dual credit opportunities are contingent upon the college transfer path chosen. Not all opportunities are available in all pathways. Below are the graduation and elective courses available:
