Provider information was last updated on 04/20/2017

Information contained in this directory is updated six days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Providers may delay communicating to Cigna that they no longer accept new patients so we cannot guarantee that each provider is still accepting new patients. Please check with the health care professional before scheduling your appointment or receiving services or call Cigna Customer Service at the toll-free number on your Cigna ID card to confirm he or she is participating in Cigna's network.

Source of Information and Frequency of Validation

Medical health care professional information addressing specialty, hospital affiliations, medical group affiliations, board certification, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional/facility (during credentialing). Physician board certification is validated through the American Board of Medical Specialties (ABMS), American Medical Association (AMA) or American Osteopathic Association (AOA). Information on the application is updated when the medical health care professional/facility notifies Cigna of changes or at least every three years.

Dental health care professional information addressing specialty, dental office/practice affiliations, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional (during credentialing). Information on the application is updated when the dental health care professional notifies Cigna of changes or at least every three years.

Information contained in this directory is updated six days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Providers may delay communicating to Cigna that they no longer accept new patients so we cannot guarantee that each provider is still accepting new patients. Please check with the health care professional before scheduling your appointment or receiving services or call Cigna Customer Service at the toll-free number on your Cigna ID card to confirm he or she is participating in Cigna's network.

Additional questions or problems with this transmission? Call us toll-free at 1-800-Cigna24 (1-800-244-6224).

Provider information was last updated on 04/20/2017

Information contained in this directory is updated six days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Providers may delay communicating to Cigna that they no longer accept new patients so we cannot guarantee that each provider is still accepting new patients. Please check with the health care professional before scheduling your appointment or receiving services or call Cigna Customer Service at the toll-free number on your Cigna ID card to confirm he or she is participating in Cigna's network.

Additional questions or problems with this transmission? Call us toll-free at 1-800-Cigna24 (1-800-244-6224).

Provider information was last updated on 04/20/2017

Information contained in this directory is updated six days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Providers may delay communicating to Cigna that they no longer accept new patients so we cannot guarantee that each provider is still accepting new patients. Please check with the health care professional before scheduling your appointment or receiving services or call Cigna Customer Service at the toll-free number on your Cigna ID card to confirm he or she is participating in Cigna's network.

Additional questions or problems with this transmission? Call us toll-free at 1-800-Cigna24 (1-800-244-6224).
