

## Quick-Start Sheet

FOR KENTUCKY PUBLIC EDUCATOR USE ONLY

- Go to <https://ciits.kyschools.us> (you might want to bookmark this site for future use)
- Sign in with the following credentials:  
Username: ciitsuser  
Password: ciits2012

- You are now on the **CIITS homepage** where you can:

- Search for Standards and Materials (by grade and subject)
- Link to support materials including a User Guide, Technical Guide, a Tutorial Video on Searching for Standards and Resources in CIITS version 1.0 and a CIITS project timeline
- Learn more about CIITS through a variety of resources
- Link to related websites

Return to the CIITS homepage at anytime by clicking the  in the upper left of your screen.

- In the **Find Standards and Materials** box on the homepage (circled in red above), **select the grade and subject** you are looking for from the dropdown menus. **Select Standards or Materials** for your search. **Click go.**
- Click on the domain/strand name** to see the full standard.
- In the **resources column**, **click on the number** for the standard you wish to explore.

[2W: Writing](#)  
Subject: English Language Arts Grade: 07

2W: Writing	Instructional Units	Lesson Plans	Assessments	Resources
2W.A: Text Types and Purposes (Note: These broad types of writing include many subgenres. See Appendix A for definitions of key writing types.)	0	0	0	1
W.CCR.01: Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence.	0	0	0	18

This will reveal a list of resources aligned to that standard.

**Deconstructed Standards are displayed at the top of the list and are noted with an asterisk.**

**\*Deconstructed Standards: Writing, Standard #1, Grade 7**

 Subject: English Language Arts Grade Level: KG-02

- Click on the **Deconstructed Standard name** or on preview to see more information about it. **Click the PDF hyperlink** to reveal the learning targets.
- Click the **Resource name** or preview to learn more about it or access an aligned resource. **Click the URL hyperlink** to view the resource. You will be prompted to **enter your Discovery Education username and password** for your Discovery Education account. If you do not have an account, consult the User Guide to find out how to set one up.
- Consult the **User Guide** for detailed explanations of these procedures, information on the function of Save to My Materials and Recommend Materials, alternative search methods and for help procedures.
