Parents and/or Guardians:

Help your child maintain and/or improve their reading skills this summer. This program is for children entering grades K and up. Children are encouraged to read **at least 15 minutes each day** and log their reading time. They can bring in their reading record each week or whenever it is convenient. Every child that completes 6 weeks receives a book, a certificate, and is entered in a prize raffle. This year we are ending the program with an ice cream party!!!! **The children who finish the reading program through Clark Memorial Library will have their name displayed at the library for all to see their accomplishment.** Every week your child brings in their record to be stamped, they will receive a prize.

To promote weekly visits, we offer theme related shows and events throughout the program for those signed up through us, see reverse for events schedule.

All programs are subject to change.
